Washington, DC 20515

Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Teton Village, Wyoming, scheduled for August 19 to 21, 2026, sponsored by American Innovation Project. We note that although the trip sponsor does not employ or retain a registered federal lobbyist, its directors lobby on issues related to the officially-connected purpose of the trip. Therefore, you may participate in officially-connected activity on one calendar day only.

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also report all travel expenses totaling more than $525 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest

Move from table to table to trade perspectives across the aisle and across the industry, and let the informal exchanges sharpen the thinking that formal hearings rarely allow. Draft discussion questions: If something goes wrong and there's no company to call, what happens to the consumer? What's the policy gap there? What's one thing about your industry you wish every Member of Congress understood? Why do two different agencies (the SEC and CFTC) both have a claim to this, and why does it matter who's in charge?
