Farm Foundation
Accelerating people & ideas

Dear Mitchell,

Farm Foundation is a 501(c)(3) non-profit working across the food and ag value chain to build momentum behind meaningful solutions to some of the most important challenges facing farmers and, by extension, our industry as a whole.

The Farm Foundation Congressional Fellows Program provides select congressional staffers with the opportunity to gain firsthand experience and a broader perspective on the food and agriculture sector in the United States. Congressional Fellows, within their official duties, participate in a two-day visit of a selected agricultural region in the United States. The experience offers exposure to perspectives beyond those available in Washington D.C., as well as first-hand exposure to a variety of agricultural production, processing, and marketing systems, with specific areas of education targeted for each tour. (See the attached document for more about our Fellows Program.)

Our tour is scheduled for August 6-7, 2024, and will highlight food, agriculture, transportation, and innovation activities in the St. Louis metropolitan area. All transportation, housing, and meals will be covered by Farm Foundation. The Fellows Program has been designed to be in compliance with the Ethics Rules of the United States House and Senate.

If you are interested in participating in our Fellows Program and the tour, please complete the RSVP form by no later than Thursday May 30, 2024. The cohort size is limited, and all RSVPs may not be accommodated.

If selected for the program, you will receive emailed confirmation of your participation by Monday, June 3, 2024. If selected, you will also receive a formal invitation, including a list of participants and the final agenda, by the end of June.

Please let me know if I can provide any additional information at this time.

Sincerely,

Jenna Wicks, Program Manager
