Provided by Alliance for Health Policy**

4. PROVIDE NAMES AND TITLES OF ALL HOUSE MEMBERS AND EMPLOYEES YOU ARE INVITING. FOR EACH HOUSE INVITEE, PROVIDE AN EXPLANATION OF WHY THE INDIVIDUAL WAS INVITED (INCLUDE ADDITIONAL PAGES IF NECESSARY):

This is the 21st Annual Bipartisan Congressional Health Policy Conference to which members of the House of Representatives and the Senate have been invited and have participated. Staff may accompany their boss if he or she attends. Staff members are not permitted without their member's confirmed attendance. We have attached a list of members and staff invited. For members we have listed their jurisdiction, degree, or interest in learning more about healthcare. Staff are encouraged to join their boss at the conference for the educational opportunity of attending the panel discussions and the access to the speakers throughout the weekend to answer their questions and use as a resource for their legislative work.

12. FOR EACH SPONSOR REQUIRED TO SUBMIT A SPONSOR FORM, DESCRIBE THE SPONSOR'S INTEREST IN THE SUBJECT MATTER OF THE TRIP AND ITS ROLE IN ORGANIZING AND/OR CONDUCTING THE TRIP:

The Alliance is a non-partisan, 501(c)(3) public charity dedicated to providing governmental leaders with expert analysis and information on current health care-related issues, solutions, legislative proposals and industry conditions. The Alliance has been a resource providing objective, fact-based, unbiased information to members of the Senate/House on both sides of the aisle since its inception in 1991. Through a grant provided by The Commonwealth Fund, a private foundation that supports independent research on health and social issues and makes grants to improve health care practice and policy, the conference provides an opportunity for Representatives and Senators, and their senior health staff, to learn more about timely health policy topics in informal, off-the-record sessions with a select group of health policy experts from a wider variety of perspectives. There is also ample opportunity for interchange among the members of Congress in attendance. The event aims to educate, not to advance any political or ideological position. The Alliance for Health Policy and The Commonwealth Fund jointly formulate the agenda, recruit appropriate speakers, and develop and compile resource materials for conference curriculum. Alliance staff also handles the lodging, travel, and event management for the conference, with input and oversight from The Commonwealth Fund. ([www.allhealthpolicy.org](http://www.allhealthpolicy.org))

15. b) 2) PROVIDE REASON FOR SELECTING THE LOCATION OF THE EVENT OR TRIP:

The location was selected because of a need to balance proximity to Capitol Hill in order to accommodate the schedules of Members and staff and achieve our goal of reduced travel costs by allowing for bus or carpooling as the mode of transportation and yet be located outside of the Senate duty station. The Airlie is located in Fauquier County, Virginia. After relocating the annual conference to Virginia in 2016, the Alliance has been searching for a good location in Virginia. In 2017 an extensive venue search that determined that Airlie was a prime location for the conference.

The Alliance for Health Policy, in close collaboration with the Commonwealth Fund, undertook an extensive search in 2017 of properties that met several key criteria:

**Location:** Located a reasonable driving distance from Washington, D.C. and major airports and convenience of Members of Congress and participating speakers, yet outside of the Washington, D.C. "duty station" for Members of Congress and their staff. The Airlie is located at 6809 Airlie Road in Warrenton, Virginia, approximately 40-60 minutes from Dulles Airport (depending on traffic), and a 1-2 hour drive from the Capitol, depending on traffic. It is located in Fauquier County, Virginia. Other facilities we considered were either a significant driving distance from the Capitol or not well accessed by affordable or convenient transportation.

**Facilities and logistics:** Conference facilities and rooming arrangements that can accommodate the conference; criteria include as space that can ensure safety and privacy for the Members, and any other high profile speakers that attend; meeting space and overnight accommodations that are located on the same property so as not to add additional travel time and distract from substantive programming; suitability of conference facilities and A/V capacity; and conference support staff that's suitable for hosting a conference as large and logistically complex as ours.

**Cost:** Reasonable costs that can meet the conference budget. The Alliance has negotiated the lowest possible food costs at Airlie, selecting the most reasonable food costs on the available menu. These are the market rates for conference facilities that meet all of our criteria.

**Timing:** preferred date availability to coincide with anticipated congressional availability.

After this extensive search in 2017 and a site visit by Alliance and Fund staff, we chose the Airlie center for the site of our 2017 conference. Upon a successful and educational conference for Members in March of 2017, we have decided to use this venue again in 2018 seeing that it fit our criteria of proximity, facilities available, and the ethics committee's rules and recommendations for acceptable accommodations and travel for our Congressional guests.

18. TOTAL EXPENSES OF EACH PARTICIPANT
