ABOUT NIIC 2019

Amidst a period of intense anti-immigrant and anti-refugee backlash, at the heart of NIIC is our **shared understanding that new Americans make our nation stronger for all. Immigrant and refugee integration is essential for equity and a fully shared American life -- shared access, shared prosperity, shared opportunity, and shared power -- for all communities.**

In contrast to the painful landscape of the last few years, NIIC celebrates our commitment to an inclusive democracy that welcomes, integrates and uplifts all, recognizing the vital contributions and impact all communities have on our nation. **NIIC 2019, situated in Detroit, MI, which embodies much of America's important racial justice, economic, industrial, migration, and cultural history, will also especially uplift the solidarity, strength, and transformative power of our movements supporting and led by immigrants and refugees.**

NIIC is an inspiring, collegial and intersectional space that showcases the expertise and innovation of a wide range of leaders, organizations, and networks all working on behalf of America's immigrants and refugees and towards a shared vision of a welcoming democracy.

ABOUT NPNA

National Partnership for New Americans (NPNA): NPNA is a national multi-ethnic, multiracial network that harnesses the collective power and resources of the country's 35 largest immigrant coalitions working in 37 states. NPNA believes America's success is rooted in our ongoing commitment to welcoming and integrating newcomers into the fabric of our nation, and to upholding equality and opportunity as fundamental American values. NPNA's particular focus on promoting a "New American Dreams" Platform and the annual National Immigrant Integration Conference have been pivotal in shaping the sector.

Over the years, NPNA has assisted 29 of our member organizations to become certified by the Department of Justice to provide immigration legal services; assisted in creating the 85 member "Cities for Citizenship" with the leadership of Mayors Lori Lightfoot of Chicago, Bill de Blasio of New York, and Eric Garcetti of Los Angeles; and developed the "Community Navigator" model to train over 15,000 predominantly immigrant women to deliver community-based immigration legal services through NPNA member groups.

Our aim is to achieve a vibrant, just, and welcoming democracy for all. Immigrants are the soul of our organization, and immigrant communities inspire, implement, and champion our work.

We would be honored to have you with us and appreciate your consideration of this invitation to speak at NIIC 2019. **We hope to confirm all the speakers for the conference by September 1, 2019 if possible; if we can share more information, please contact:**
