The Honorable Diana DeGette
U.S. House of Representatives
2111 Rayburn House Office Building
Washington, DC 20515

Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Japan,¹ scheduled for May 27 to June 6, 2022, sponsored by United States Association of Former Members of Congress and Sasakawa Peace Foundation USA. We note that this trip includes three days at your personal expense.

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also report all travel expenses totaling more than \$415 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House Members may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$415] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Theodore E. Deutch

June 16, 2022

Dear Colleague:

On behalf of the Congressional Study Group on Japan (CSGJ) and the Association of Former Members of Congress (FMC), it gives us great pleasure to invite you and your spouse to participate in our 8th Annual U.S. Congressional Member Study Tour to Japan. **The 2022 Study Tour will take place from May 28th – June 4th, led by CSGJ Co-Chairs Rep. Diana DeGette (D-CO) and Rep. Lead Larry Bucshon (R-IN), and will visit Tokyo and a Kyoto.**

Japan remains one of the United States' closest and most important allies in the region. With a rising China, as an economic and military superpower, and the development of North Korean nuclear capabilities, the two countries must work together to ensure a Free and Open Indo-Pacific. Regional and global issues surrounding the Indo-Pacific reflect the policy concerns that Members of Congress must confront in their efforts to further advance U.S. interests in the region. Within this context, our 2022 U.S. Congressional Member Study Tour provides a timely opportunity for U.S. lawmakers, Japanese legislators, and other meeting partners to discuss and reflect on issues relating to:

- Security (North Korea, U.S.-Japan-South Korean trilateral cooperation, cybersecurity),
- Regional Relations (China, Russia, ASEAN),
- Trade and the Economy (TPP-11, FDI, RCEP),
- Timely Topics (COVID-19 recovery, demographic change, climate/energy policy)

Since our inaugural delegation in 2014, The Congressional Study Group on Japan has taken over forty Members of Congress to Japan. Each group had the pleasure of meeting with the Japanese Prime Minister. We will continue our tradition of meeting with Cabinet Ministers, municipal governors, and leaders from business and academic communities, as well as non-traditional meeting partners such as university students and leading cultural figures. Please find the itinerary of our most recent delegation (February 2020) enclosed for your reference.

Business-class airfare, lodging, ground transportation, and scheduled meal costs will be paid for by FMC, a congressionally-chartered, 501(c)(3) non-profit organization, in partnership with the Sasakawa Peace Foundation USA. We have funding for eight Members and a limited number of spouses but please understand that no congressional staff/assistants are permitted to participate in this trip. While participants are allowed to arrive early or extend their visit at their own expense, they are expected to attend all official meetings/programs throughout the duration of the Study Tour. Please note that participation is available on a first-come, first-served basis for a diverse, bipartisan

delegation. This privately-sponsored travel will be reported to the House Ethics Committee and is not part of the Mutual Educational and Cultural Exchange Act (MECEA).

Given the evolving nature of travel restrictions and public health guidelines both here in Washington, D.C. and in Japan, FMC will be taking steps to mitigate risks relating to disease spread and maintain flexibility in all planning. All participants wishing to participate in this program will be required to show proof of full vaccination against COVID-19 one month prior to departure. In addition, all participants will need to test negative from a PCR test within three days of the departure date to qualify for a quarantine exemption upon arrival in Japan. It is expected throughout the Study Tour that all participants fully comply with any safety or health precautions deemed necessary or requested by FMC staff, local authorities, or other program participants. Safety measures will include but are not limited to COVID-19 testing, social-distancing, wearing masks, hand-washing, and other behaviors that mitigate the spread of airborne or surface-spread illness. Should a Study Tour during the selected week be deemed inopportune or unfeasible, we will explore other possible dates later in the year.

We hope that you will join us for the continuation of this vital transpacific dialogue. Should you have any questions, please have your staff contact Ms. Haruka Noishiki, Program Officer for the Congressional Study Group on Japan, at 202-222-0974 or HNoishiki@usafmc.org. Additional Sponsor Form Addendum: Sasakawa Peace Foundation USA

4. Sasakawa Peace Foundation USA only receives a grant from the Embassy of Japan to fund the Japan-U.S. Military Program (JUMP). That is the only funding Sasakawa Peace Foundation USA receives from a foreign government, and it is only for this JUMP program. No Embassy of Japan funding is ever put towards the grant for the U.S. Association of the Former Members of Congress.
