The Honorable Scott Peters  
U.S. House of Representatives  
1201 Longworth House Office Building  
Washington, DC 20515

Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your and your spouse's proposed trip to South Korea,<sup>1</sup> scheduled for July 2 to 9, 2022, sponsored by United States Association of Former Members of Congress and the Korea Society.

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also report all travel expenses totaling more than \$415 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House Members may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$415] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

---

<sup>1</sup> Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Theodore E. Deutch  
Chairman

CSGK aims to create constant channels of communication and dialogue between U.S. legislators and their counterparts in South Korea through year-round roundtables in Washington, in addition to annual study tours. It offers both Members of Congress and senior congressional staff a unique educational forum to examine issues such as the U.S.-ROK military alliance, energy policy, bilateral and multilateral trade agreements, and social issues ranging from gender equality to demographic change. CSGK is responsible for organizing seminars, arranging meetings, and inviting experts during the study tour. FMC is solely responsible for all invitations to and communications with study tour participants, as well as managing the study tour budget.

The Korea Society, a private, nonprofit, nonpartisan, 501(c)(3) organization, awards annual grants to fund the year-round programming of the Congressional Study Group on Korea as part of their mission of promoting greater awareness, understanding, and cooperation between the people of the United States and South Korea. For this trip, the Korea Society provided a restricted grant for CSGK to organize this trip.

Dear Colleague:

On behalf of the Congressional Study Group on Korea (CSGK) and the Association of Former Members of Congress (FMC), it gives us great pleasure to invite you and your spouse to participate in our 4<sup>th</sup> Annual U.S. Congressional Member Study Tour to South Korea. **The 2022 Study Tour will take place from July 2<sup>nd</sup> to July 9<sup>th</sup>, and will visit Seoul.**

The Korean peninsula is currently one of the most dynamic regions in Asia and with the upcoming Korean Presidential election and incoming Administration, discussions about American foreign policy on vital issues ranging from a nuclear North Korea to U.S.-ROK cooperation to fight COVID-19 and climate change, and economic cooperation moving forward will be a few of the important roundtable topics. These regional and global issues surrounding the Korean peninsula reflect the policy concerns that Members of Congress must confront in their efforts to further advance U.S. interests in the region. Within this context, our 2022 U.S. Congressional Member Study Tour provides a timely opportunity for U.S. lawmakers, Korean legislators, and other meeting partners to discuss and reflect on issues relating to:

- Security (North Korea, U.S.-ROK-Japan trilateral security cooperation, cybersecurity, Quad)
- Regional Relations (China, Japan, Russia, Southeast Asia),
- Trade and the Economy (KORUS, FDI, tariffs),
- Timely Topics (US-ROK relations, demographic change, energy policy, ROK's incoming Presidential Administration)

Since our inaugural Study Tour in 2018, The Congressional Study Group on Korea has taken over a dozen Members of Congress to South Korea. Each delegation had the pleasure of experiencing South Korean politics and society, and we will continue our tradition of meeting with Cabinet Ministers, municipal governors, and leaders from business and academic communities, as well as university students, leading cultural figures, and civil society members. Please find the itinerary of our most recent delegation (July 2021) enclosed for your reference.

Business-class airfare, lodging, ground transportation, and scheduled meal costs will be paid for by FMC, a congressionally-chartered, 501(c)(3) non-profit organization, in partnership with the Korea Society. We have funding for eight Members and spouses but please understand that no congressional staff/assistants are permitted to participate in this trip. Please note that participation is available on a first-come, first-served basis for a diverse, bipartisan delegation. This privately-sponsored travel will be reported to the House Ethics Committee and is not part of the Mutual Educational and Cultural Exchange Act (MECEA).

Given the evolving nature of travel restrictions and public health guidelines both here in Washington, D.C. and in Seoul, FMC will be taking steps to mitigate risks relating to disease spread and maintain flexibility in all planning. All participants wishing to participate in this program will be required to show proof of full vaccination against COVID-19 one month prior to departure. In addition, all participants will need to test negative from a PCR test within three days of the departure date to qualify for a quarantine exemption upon arrival in South Korea. It is expected throughout the Study Tour that all participants fully comply with any safety or health precautions deemed necessary or requested by FMC staff, local authorities, or other program participants. Safety measures will include but are not limited to COVID-19 testing, social-distancing, wearing masks, hand-washing, and other behaviors that mitigate the spread of airborne or surface-spread illness. Should a Study Tour during the week of July 4<sup>th</sup> recess be deemed inopportune or unfeasible, we will explore other possible dates later in the year.

We hope that you will join us for the continuation of this vital transpacific dialogue. Should you have any questions, please have your staff contact Mr. David Sim, Program Officer of the Congressional Study Group on Korea, at 202-222-0972 or [dsim@usafmc.org](mailto:dsim@usafmc.org). Thank you very much for your kind consideration.

Best wishes,

The Hon. Charles Boustany (R-LA, 2005-2017)  
President, FMC

The Hon. Donna Edwards (D-MD, 2008-2017)
