## U.S. House of Representatives

COMMITTEE ON ETHICS

Washington, DC 20515

December 22, 2022

The Honorable Donald Beyer, Jr.  
U.S. House of Representatives  
1119 Longworth House Office Building  
Washington, DC 20515

Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your and your spouse's proposed trip to United Kingdom,<sup>1</sup> scheduled for January 12 to 17, 2023, sponsored by Association of Marshall Scholars.

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also report all travel expenses totaling more than the reporting threshold from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. That reporting threshold is currently \$415 but is set to adjust in 2023. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House Members may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$415, but set to adjust in 2023] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

---

<sup>1</sup> Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or [ohsstaff@mail.house.gov](mailto:ohsstaff@mail.house.gov). House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

ASSOCIATION OF  
**MARSHALL  
SCHOLARS**

**2023 US - UK Legislative Exchange Program**  
**January 12-17, 2023**  
**United Kingdom**

**Sponsor's interest in the subject matter of the trip:**

The Legislative Exchange is off-the-record and not for attribution. It is a multi-party and transatlantic educational program for legislators.

The Association of Marshall Scholars works to strengthen US-UK ties and also the Marshall Scholarship. Historically, the transatlantic alliance has served as a lynchpin for liberal democracy, prosperity and global peace. A valuable thread of this relationship has been the Marshall Scholarship, an educational programme strengthening international exchange and advancement in nearly every field of human endeavor.

The Association supports members of the United States Congress meeting with members of Parliament and British Government through a bipartisan exchange that includes briefs from a wide array of experts, scholars and private sector leaders, and discussions on issues of critical concern to both countries.

**Sponsor's role in organizing and/or conducting the trip:**

The Legislative Exchange is fully organized and coordinated by the staff of the Association. The staff arrange all logistics and set up all individual meetings that take place between the Members of Congress and their UK counterparts. The only event of the trip that is arranged by an external entity is the site visit to the Government Communications Headquarters (GCHQ) due to security concerns, but they were arranged at our request. The visit to GCHQ is organized directly by the Director's Office. In addition, the luncheon that will take place in the House of Lords is only for Members of Congress and Members of Parliament due to security restrictions in Parliament. During the trip, four Association staff members will accompany the Members at all times.

# ASSOCIATION OF MARSHALL SCHOLARS

Members of Congress invited to participate in the Association of Marshall Scholars' Legislative Exchange Program were selected based on their areas of expertise and committee assignments. Member's interests and assignments correlate to the programming content that is designed to educate Members on the current state of affairs related to each topic. Several Members also have established relationships with members of the UK Delegation that will participate in the program, which the program is designed to help strengthen and expand upon.
