Ethics Form Addendum

4. House Members/Staff and explanation as to why they are invited

U.S. Representative Lori Chavez-DeRemer, Chief of Staff Jihun Han

Rep. Chavez-DeRemer sits on several key committees that oversee policies integral to the equipment manufacturing industry - the U.S. House Agriculture Committee and the U.S. House Transportation and Infrastructure Committee. She also has two equipment manufacturers from Oregon's 5th District exhibiting at the show: STANLEY Infrastructure and Okada America.

U.S. Representative Bill Huizenga, District Director Trevor TenBrink

Rep. Huizenga's position in the U.S. House Financial Services Committee is important to the equipment manufacturing industry as it navigates policies under the jurisdiction of the Committee that include SEC oversight and overall monetary policy. He also has several equipment manufacturers from Michigan's 4th District exhibiting at the show: ROSTA US, Eaton's Vehicle Group, Mann+Hummel, Dana Incorporated, as well as Kawasaki Precision Machinery (which is district-adjacent).

U.S. Representative Mariannette Miller-Meeks

Rep. Miller-Meeks sits on the U.S. House Energy and Commerce Committee which oversees policies important to the equipment manufacturing industry such as energy and technology. She also has several equipment manufacturers from Iowa's 1st District exhibiting at the show: Cemen Tech, Inc., CNH America, Deere, Ring-O-Matic, Sears Seating, Slabach Enterprises, Terex, Thunder Creek Equipment, Vermeer, and Weiler.

U.S. Representative Mike Lawler

Rep. Lawler sits on the Foreign Affairs committee which interacts with industrial and agricultural interests globally. He represents New York's 17th District and therefore represents Curtis Instruments, which is located in Mt. Kisco. Curtis provides integrated EV systems for industrial, off-highway, construction and agricultural vehicles and equipment. Commercial EVs will be widely rolled out at the show among many of the major exhibitors. Overall, it would be an educational tour with conversations with execs at each exhibit – from Caterpillar's Operator Stadium to Komatsu's Smart Quarry/Construction Technology display.

12. For each sponsor required to submit a sponsor form, describe the sponsor's interest in the subject matter of the trip and its role in organizing and/or conducting the trip:

The Republican Main Street Partnership is a coalition of conservatives who get things done. This March, we are excited to be sending four Members of Congress to CONEXPO-CON/AGG, the largest construction trade show in North America. Held in Las Vegas, the convention brings together industry leaders in asphalt, aggregates, concrete, earthmoving, hauling, lifting, trucking, and more. Sending

Members of Congress ensures that our elected officials get firsthand knowledge about the latest technology and innovation in the construction sector.

15. Provide the reason for selecting the location of the event or trip

CONEXPO-CON/AGG is the international gathering place for the construction industries, focusing on construction, aggregates, and ready-mixed concrete. The event features exhibits of the latest technologies and innovations in equipment, products, and services, plus extensive industry-targeted education. It takes place every three years in Las Vegas, Nevada. More than 1,000 education sessions take place for contractors, business owners, construction material producers, and end-users to obtain cutting-edge information for today's challenging economy and business model. Hundreds of industry meetings, including annual conventions of industry associations, are also held in conjunction with the show.

18. Total Lodging Expenses per Participant

CONEXPO-CON/AGG is the international gathering place for the construction industries, focusing on construction, aggregates, and ready-mixed concrete. It is the largest trade show in the Western Hemisphere. Las Vegas, Nevada will host close to 130,000 visitors for the event. Hundreds of industry meetings, including annual conventions of industry associations, are also held in conjunction with the show. Hotel room rates are therefore at a premium. The timing of the trip coincides with the trade show, which starts on March 14 and concludes on March 18.
