The Honorable Earl L. "Buddy" Carter
U.S. House of Representatives
2432 Rayburn House Office Building
Washington, DC 20515

Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your and your spouse's proposed trip to Canada,¹ scheduled for June 27 to July 1, 2023, sponsored by Center Forward.

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House Members may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

12. Sponsor's interest in the subject matter and role in organizing the trip: Center Forward's International Issues Conference is being convened to bring together a bipartisan group of pragmatic policymakers and influencers from various industries and organizations to focus on common-sense solutions. Center Forward's organizational mission is to provide centrists the information they need to craft common-sense solutions and provide support in turning those ideas into results. Center Forward brings together Members of Congress, not-for profits, academic experts, trade associations, corporations, and unions to find common ground.

Center Forward is the sole organizer of the trip. Center Forward is planning the conference and is responsible for the organization and execution of the event logistics as well as the programming content. Discussion topics will include trade and foreign direct investment, healthcare and tech innovation, AI, data privacy, and the strengthening of economic ties between the two countries' governments and business communities. Participants are expected to include policymakers, congressional staff and advocate groups as well as business leaders and academic researchers.

15.b.2) Provide the reason for selecting the location of the event or trip:

Montreal was selected for this trip to provide U.S. lawmakers, policymakers, and business leaders an opportunity to engage with Canadian business and political leaders on issues affecting both the American and Canadian economies. As the two countries remain deeply intertwined and each have undergone significant political shifts, Canada continues to be a major business hub with many major U.S. companies setting up headquarters in the country. This small, bipartisan delegation will focus on finding ways to increase shared economic growth and prosperity while attaining a greater understanding of the ways in which Canadian leaders are addressing the challenges facing their nation. This visit will develop dynamic domestic and international programming to continue building the vital relationship that already exists between the two countries.
