The Honorable Susan Wild
U.S. House of Representatives
1027 Longworth House Office Building
Washington, DC 20515

Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your and your child's proposed trip to Nepal,¹ scheduled for August 25 to September 3, 2023, sponsored by Cooperative for Assistance and Relief Everywhere, Inc. (CARE), and Humanity United. We note that this trip includes two days at your personal expense.

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House Members may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

Representative Susan Wild
1027 Longworth House Office Building

Dear Representative Wild:

We are pleased to approach you with a special opportunity to join us on a Learning Tour to Nepal taking place during the August recess from August 25th – September 1st (inclusive of travel time). This trip will specifically focus on the root causes of labor migration, human trafficking, and forced/bonded labor, and how U.S. investments are empowering communities to access safe and dignified social and economic opportunity in Nepal.

As you may know, CARE has been leading [Learning Tour trips](#) with members of Congress all over the world since 2009. The Learning Tour aims to take you off the beaten path to spend time in communities directly benefiting from U.S. investments. We will prioritize time in the field, visiting program sites that allow you to meet with community members and local organizations. With our extensive experience in conducting Congressional education trips and strong connections within the communities you will visit, we are able to venture into particularly remote and challenging contexts. The trip will feature a wide array of implementing partners beyond CARE for you to get a deeper understanding of the work being done. Throughout the trip, you will have a chance to understand both the successes and the challenges facing communities in Nepal, often articulated directly by the program participants themselves. Our goal is to present a comprehensive view of what interventions supported through U.S. investments can accomplish, and the challenges that remain.

Nepal has made significant progress in recent decades in addressing its long-standing challenges with poverty and political instability. Still, a weak domestic job market is pushing millions of Nepalis to seek employment abroad. During this tour we aim to understand the struggles faced by vulnerable populations, such as migrant workers, human trafficking survivors, marginalized castes and ethnic groups, adolescent girls vulnerable to child marriage, survivors of gender-based violence, and survivors of child labor. The tour will highlight the efforts made by community-based organizations to promote positive change by providing information on livelihood skills training, quality education, rescue and rehabilitation services for trafficking victims, and forums for adolescent girls and manual laborers to advocate for their rights.

You will return from the Learning Tour with a comprehensive understanding of the challenges faced by vulnerable communities, as well as the ways in which the United States is investing to save lives, protect livelihoods, and foster resilience for the future.

We sincerely hope that you can join us on this transformative journey. To allow sufficient time for planning, we kindly request that you indicate your interest by Friday, July 07, 2023. Should you require any additional information or have specific preferences to tailor this opportunity to your needs and availability, please do not hesitate to reach out to Rasik Winfield in CARE's Washington, D.C. office, at 706-424-6163 or by email at rasik.winfield@care.org.

Sincerely,

Rachel Hall

CARE and CARE Action Now Structure Explained

CARE, a 501(c)(3) organization, is a leading international humanitarian organization fighting global poverty that places special focus on working alongside poor women who, equipped with the proper resources, can assist whole families and entire communities escape poverty through improved basic education, prevent the spread of HIV, increase access to clean water and sanitation, and expand economic opportunities and the protection of natural resources. CARE also delivers emergency aid to survivors of war and natural disasters, and helps people rebuild their lives.

CARE established CARE Action Now in October, 2007 as a related but separately incorporated 501(c)(4) organization. Served by a mostly independent Board of Directors, CARE Action Now undertakes a variety of programs and activities in furtherance the organizations' comparable missions, most notably directly influencing policymakers through public awareness campaigns, briefings, reports, meetings, testimony and other areas based on CARE's experience of working with poor people around the world over more than 60 years. The two organizations share facilities and resources, allocating the costs between them based upon use, as is common in the nonprofit sector. CARE provides periodic funding to CARE Action Now using a written grant mechanism to support the range of its advocacy and lobbying activities. CARE Action Now is increasingly raising funds independent of CARE. This is a common structure for related nonprofit organizations, where a 501(c)(3) organization uses some of its limited funding on lobbying to support a related 501(c)(4) rather than doing the lobbying directly itself.

CARE serves as common paymaster for both organizations, so that all shared employees receive one paycheck from CARE for services provided to either CARE or CARE Action Now. CARE Action Now provides to CARE its allocable share of salary, benefits, and payroll taxes. All staff time that qualifies as "lobbying activity" under the Lobbying Disclosure Act that is conducted by staff registered as lobbyists for CARE Action Now is charged to CARE Action Now under this arrangement, although those employees may also perform non-lobbying services for CARE. CARE Action Now treats its reimbursement payments to CARE as expenditures for salary and related items on its books.

This relationship which is consistent with customary practice leads us to conclude that CARE has properly completed this form, including that it does not employ or retain lobbyists. However, we include this additional information in the interests of full transparency so that the committee may make this determination for itself.
