MONDAY, APRIL 1

U.S. participants depart the U.S.

TUESDAY, APRIL 2:

U.S. participants arrive in Bellagio, Italy throughout the day.

7 - 9 PM: Working Dinner

Seating is arranged to expose participants to a diverse range of views and provide the opportunity for a meaningful exchange of ideas. Scholars and lawmakers are rotated daily.

WEDNESDAY, APRIL 3:

8 - 9 AM: Breakfast

9 - 9:15 AM: Introduction and Framework of the Conference

This conference is organized into roundtable conversations, working lunches and pre-dinner remarks. This segment will highlight how the conference will be conducted, how those with questions will be recognized, and how responses will be timed to allow for as much engagement as possible.

Speaker:

Charlie Dent, *Executive Director and Vice President, Aspen Institute Congressional Program*

9:15 - 11:15 AM: Roundtable Discussion

Artificial Intelligence 101

In this session, AI industry experts will cover the basics of Artificial Intelligence (AI), including the underlying technology, the history of AI and Machine Learning, current use cases, and what the future may look like.

Speakers:

Raffi Krikorian, *Chief Technical Officer, Emerson Collective*

Alondra Nelson, *Harold F. Linder Professor of Social Science, Institute for Advanced Study*

11:15 - 11:25 AM: Break

11:25 AM – 1:15 PM: Roundtable Discussion

Geopolitics of Artificial Intelligence

Perhaps more than any other technology, the global competition around AI is both a matter of national security as well as an economic and innovation race. This session will provide an overview of AI from a global perspective, highlighting security risks and international policies.

Speakers:

Klon Kitchen, *Managing Director, Beacon Global Strategies*

Eva Maydell, *Member of the European Parliament*

1:15 - 2 PM: Working Lunch

Discussion continues between members of Congress and experts on geopolitics of artificial intelligence with Klon Kitchen and Eva Maydell.

2 - 5 PM: Individual Discussions

Scholars will be available to meet individually with members of Congress for in-depth discussion of ideas raised in the morning sessions, including Raffi Krikorian, Alondra Nelson, Klon Kitchen, Eva Maydell, David Rhew.

5 - 6:15 PM: Pre-Dinner Remarks

New Frontiers: AI and Healthcare

The intersection of AI and healthcare represents a new frontier in medical innovation, promising transformative advancements across diagnosis, treatment, and patient care. Artificial intelligence applications in healthcare range from predictive analytics and personalized medicine to robotic surgeries and drug discovery. Machine learning algorithms analyze vast datasets, enabling early detection of diseases, optimizing treatment plans, and improving overall healthcare outcomes. However, this technological frontier comes with ethical and regulatory challenges, including privacy concerns, data security, algorithmic bias, and the need for transparent decision-making. Members of Congress will learn about how AI's ability to process and interpret complex medical information can accelerate research and development but also surface structural inequities.

Speaker:

David Rhew, *Chief Medical Officer, Microsoft*

7 - 9 PM: Working Dinner

Seating is arranged to expose participants to a diverse range of views and provide the opportunity for a meaningful exchange of ideas. Scholars and lawmakers are rotated daily. Discussions will focus on the role of AI in medicine.

THURSDAY, APRIL 4:

8-9 AM: Breakfast

9 - 11:15 AM: Roundtable Discussion:

Deepfakes and Democracy: the Looming Collision of AI and Elections

In 2024, almost one billion people around the globe will vote in national elections. As malicious actors continue their assault on democratic processes worldwide, AI tools can be weaponized to wrongly influence people. In this session, experts will lay out specific threats enabled by AI, including deep fakes, microtargeting of voters, and automated content distribution. The panelists will review current and potential guardrails to keep democracy on track.

Speakers:

Chris Krebs, *Chief Intelligence and Public Policy Officer, SentinelOne*

Vivian Schiller, *Vice President and Executive Director, Aspen Digital, Aspen Institute*

11:15 - 11:30 AM: Break

11:45 AM - 1:15 PM: Roundtable Discussion:

The Good News: AI and Innovation in Education, Healthcare, and Climate

The integration of artificial intelligence brings promising prospects for innovation in various critical sectors. **In education**, AI is revolutionizing personalized learning experiences, tailoring educational content to individual needs and optimizing teaching methodologies. It opens up new avenues for adaptive learning systems, equipping students with the skills necessary for the evolving job market. **In healthcare**, AI applications are enhancing diagnostic accuracy, streamlining administrative tasks, and accelerating drug discovery processes. **In climate change**, AI is playing a pivotal role from optimizing energy consumption to facilitating predictive modeling for environmental changes. This panel will help Members of Congress uncover how to ensure that AI-driven innovations benefit society and promote inclusive, equitable access to these technologies.

Speakers:

Vilas Dhar, *President and Trustee, Patrick J. McGovern Foundation*

Anna Makanju, *Vice President, Global Affairs, OpenAI*

1:15 - 2 PM: Working Lunch

Discussion continues between members of Congress and scholars on addressing the looming collision of AI and elections.

2 - 5 PM: Individual Discussions

Scholars will be available to meet individually with members of Congress for in-depth discussion of ideas raised in the morning sessions, including Chris Krebs, Vilas Dhar, Vivian Schiller, and Anna Makanju.

5 - 6:10 PM: Pre-Dinner Remarks

Building AI We Can Trust

New techniques have significantly improved the traditional, costly, and inefficient way to create and deploy AI models. This offers exciting new possibilities for increasing innovation, efficiency, and productivity. However, with the benefits come also additional risks besides those already considered in traditional machine learning models, and questions about the safety, development, deployment, and use of generative AI. The Members of Congress will learn about the latest techniques to build governance into the heart of the AI lifecycle (from data to models and applications), align AI models with values, identify and mitigate hallucination and other risks, address biases, and build AI guardrails. The discussion will include how AI is being used to advance scientific discovery, as well as initiatives to accelerate progress and increase participation and the broad diffusion of the benefits of AI through open innovation.

Speaker:

Darío Gil, *Senior Vice President and Director of Research, IBM*

7 - 9 PM: Working Dinner

Seating is arranged to expose participants to a diverse range of views and provide the opportunity for a meaningful exchange of ideas. Scholars and lawmakers are rotated daily. Discussions will focus on AI 's role in innovation and democracy.

FRIDAY, APRIL 5:

8 - 9 AM: Breakfast

9 - 11:15 AM: Roundtable Discussion

AI and the Future of Labor Market

There are mixed perceptions about AI's role in a new labor market: AI will open up new labor markets and improve employee satisfaction or lead to an epic loss of jobs.

However, everyone agrees that AI will change the nature of work and workers. This panel will uncover how companies are approaching these opportunities and risks.

Speakers:

Athina Kanioura, *Executive Vice President, Chief Strategy and Transformation Officer, PepsiCo*

Mike Haley, *Senior Vice President, Research, Autodesk*

11:15 - 11:25 AM: Break

11:25 AM - 1:15 PM: Individual Discussions

Scholars will be available to meet individually with members of Congress for in-depth discussion of ideas raised in the morning sessions, including Athina Kanioura and Mike Haley.

1:15 - 2 PM: Working Lunch

Discussion continues between members of Congress and experts on policy takeaways from the conference.

2 - 5 PM: Policy Reflections for Members of Congress

All attendees can remain in the meeting room; however, this session is only for Members of Congress to discuss ideas and policies. This time is set aside for Members of Congress to reflect on what they learned during the conference and discuss their views on implications for U.S. policy.

7 - 9 PM: Working Dinner

Seating is arranged to expose participants to a diverse range of views and provide the opportunity for a meaningful exchange of ideas. Scholars and lawmakers are rotated daily. Discussions will focus on policy takeaways from the conference.

The Honorable Greg Murphy

**U.S. House of Representatives
Washington, DC 20515-0306**

Dear Representative Murphy,

I would like to invite you and Wendy to save the date for our bipartisan, bicameral congressional conference on ***Artificial Intelligence: The Promise and the Peril*** in **Bellagio, Italy, April 1-6, 2024**, including travel dates. Please get back to us with your interest to attend the conference **by COB Tuesday, January 23, 2024**. These conference spots fill up quickly, so please RSVP as soon as possible. This invitation does not guarantee your participation in the conference.

Artificial Intelligence and technological innovation have become another avenue for global power competition. Rapid digitalization and development of technology pose significant opportunities and challenges for U.S. global competitiveness, while the government has not yet championed federal policies to address anticipated repercussions, such as economic impact and labor displacement, ethical and social considerations, national security, data governance, regulatory frameworks, and international collaboration. Members of Congress will engage in round-table discussions and informal conversations with invited experts to better understand: (1) what artificial intelligence is and what it means to regulate it; (2) how AI affects American citizens' daily lives; and (3) what steps should be taken to pioneer regulatory frameworks. Members will have a unique opportunity to focus on the area and holistically think about their role in advancing and gauging America's tech innovation.

Attendance is by invitation only, no outside observers, no lobbyists, no congressional staff, and no media. All conference sessions are off-the-record. No foreign governments are accepted to fund the Aspen Institute Congressional Program. As required by the House and Senate ethics rules, we will provide congressional participants with ethics private sponsor forms completed and signed.

Travel expenses, including business class airfare, meals and lodging will be paid for by the Aspen Institute; no expenses for entertainment or recreation are paid for in compliance with ethics rules.

The Congressional Program is part of the Aspen Institute, Inc. a nonprofit organization founded in 1950. The Congressional Program was created to promote leadership on public policy by bringing together legislators from both political parties with internationally renowned scholars for high level discussions and analysis. Since our program's inception, more than 523 members of Congress have participated in the 156 domestic and international conferences.

We hope you can join us for this important conference.

Sincerely,

Charlie Dent

The Honorable Gregory F. Murphy
U.S. House of Representatives

Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your and your spouse's proposed trip to Italy,¹ scheduled for April 1 to 6, 2024, sponsored by Aspen Institute, Inc., and the Rockefeller Foundation.

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House Members may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest
