Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your and your spouse's proposed trip to Las Vegas, Nevada, scheduled for January 9 to 12, 2025, sponsored by Consumer Technology Association. We note that this trip includes one day at your personal expense.

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest

Consumer Technology Association (CTA) is the sole sponsor of this trip and its interest in the CTA's annual trade show and conference for CES 2025. CTA educates U.S. policymakers to ensure the innovation economy is protected from laws and regulations that delay, restrict or ban the development of technologies in all our sectors. All year round they host policy sessions and roundtable discussions on leading issues in technology.

Historically, the Leaders in Technology (LIT) Program has brought over 200 elected and appointed government guests who experience firsthand the innovative consumer technology industry. LIT program participants interact with cutting-edge technology and discuss the policy issues that govern emerging technologies as part of the Innovation Policy Summit (IPS). IPS topics for CES 2025 will include artificial intelligence, digital health, self-driving vehicle technology, and more! The goal of IPS will be to discuss technology as an equalizing force. As CES sole sponsor of the LIT program, CTA issues the invitation, organizes all facets of the conference, books travel and plans for their overnight accommodations of the invitee for their attendance and participation in the Leaders in Technology Program (LIT) at CES 2025.

#15-2

This location has been selected based on the needs of the trade show to accommodate the number of guests that participate from all over the world. It provides the space and resources needed for all exhibitors showcasing their technology at CES and space for the Leaders in Technology (LIT) to accommodate their Leaders in Technology lodging and access to the CES floor to tour the West & East Halls to be steeped in the latest innovation while also having the opportunity to participate in several IPS sessions hosted by thought leaders on leading issues related to technology throughout the programming.

Leaders in Technology

House Staffers Privately Sponsors Trip Forms Attachments Consumer Technology Association (CTA) LIT 2025

U.S. House Congressional elected leaders and Congressional staff are invited to participate based on their role as, Members of Congress, Congressional Chief of Staffs, Chief Counsel, Legislative Directors and Assistants and Committee Staff, who participate in committees such as Commerce, Science and Technology, Judiciary, and Transportation.

The Leaders in Technology (LIT) Program at CES has historically had over 200 elected and appointed leaders from federal, state, and local government participate in the Leaders in Technology program (LIT) at CES. The Leaders in Technology Program (LIT) at CES allow these public policy makers and officials, and their staff, to interact with cutting-edge technology and discuss the policy issues that govern emerging technologies. It will provide invited staff an opportunity to experience and learn about new technologies like self-driving vehicles, cryptocurrency, trade and cybersecurity, Wi-Fi in daily life, and attend high level discussion.
