#5: USIEA offered travel to accompanying relatives for members only. Representatives Franklin, Mooleenar, Walberg and Strong are all being offered to bring an accompanying family member on the trip.

#13(c): Business class is selected for the international flights due to the length of the flights, and the tour begins immediately upon arrival in Israel. Both boat & helicopter are charter. Charter transportation options are intentionally selected to provide the safest and most time-efficient travel throughout the program. The use of a helicopter enables Members of Congress to attend all scheduled meetings across the country within a single day, which would not be feasible using ground transportation alone.

In addition, the helicopter component serves an important educational purpose, as viewing Israel by air allows participants to better understand the country's size, topography, and geographic relationship to surrounding nations—key elements of the program's geopolitical education.

Similarly, the use of a boat is chosen for efficiency and to maximize the educational value of the itinerary. Traveling by boat allows participants to complete the full educational program in the most effective manner. For example, it is not possible to travel around the Sea of Galilee by bus within the same timeframe as travel by sea.

#15(b)(2): The fact finding mission to Israel will evaluate proposed and applied peace initiatives and their effects on the people groups in the region.

#16: Lodging costs differ per person due to different rates in single vs. double rooms.

The Honorable Scott Franklin
U.S. House of Representatives
2301 Rayburn House Office Building
Washington, DC 20515

Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your and your spouse's proposed trip to Israel,¹ scheduled for February 13 to 22, 2026, sponsored by U.S. Israel Education Association.

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also report all travel expenses totaling more than \$525 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House Members may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$525] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.
