12. The Congressional Study Group on Korea (CSGK), established in 2018, is one of four legislative exchange programs conducted by the U.S. Association of Former Members of Congress (FMC). CSGK aims to create constant channels of communication and dialogue between U.S. legislators and their counterparts in South Korea through year-round roundtables in Washington, in addition to annual study tours. It offers both Members of Congress and senior congressional staff a unique educational forum to examine issues such as the U.S.-ROK military alliance, energy policy, bilateral and multilateral trade agreements, and social issues ranging from gender equality to demographic change. CSGK is responsible for organizing seminars, arranging meetings, and inviting experts during the study tour. FMC is solely responsible for all invitations and communications with study tour participants, as well as managing the study tour budget.

The Korea Society, a private, nonprofit, nonpartisan, 501(c)(3) organization, awards annual grants to fund the year-round programming of the Congressional Study Group on Korea as part of their mission of promoting greater awareness, understanding, and cooperation between the people of the United States and South Korea. For this trip, the Korea Society provided a restricted grant for CSGK to organize this trip.

15. b. 2) Seoul is the political and financial hub of South Korea where the delegation will meet with high-level government officials, corporate representatives, journalists, think tank experts, and university students to discuss issues ranging from South Korea's history and politics to society and the economy. Site visits to multinational companies based in Seoul will also allow the delegation to discuss issues concerning trade, investments, and technology and innovation.

Dear Representative,

On behalf of FMC's Congressional Study Group on Korea (CSGK), it gives us great pleasure to invite you to participate in our 7<sup>th</sup> annual U.S. Congressional Member Study Tour to South Korea. **The 2026 Study Tour will take place March 28<sup>th</sup> through April 3<sup>rd</sup> and will visit Seoul and nearby sites.**

Korea remains one of the United States' closest and most important allies in the Indo-Pacific. With a rising China as an economic and military superpower, and the development of North Korean nuclear capabilities, Korea is a vital partner for addressing policy concerns that Members of Congress must confront in their efforts to further advance U.S. interests in the region. Within this context, our 2026 U.S. Congressional Member Study Tour provides a timely opportunity for U.S. and Korean lawmakers and other meeting partners to discuss and reflect on issues relating to:

- Domestic Politics (National Assembly and Presidential)
- Security (North Korea, U.S.-Japan-South Korea trilateral cooperation, cybersecurity),
- Regional Relations (China, Russia, North Korea, Taiwan),
- Trade and the Economy (FDI),
- Global Challenges (wars in Europe and the Middle East),
- Timely Topics (artificial intelligence, demographic change)

Since our inaugural Study Tour in 2018, The Congressional Study Group on Korea has taken approximately 40 Members of Congress to South Korea. We will continue our tradition of meeting with national and local government officials, business and academic leaders, students, cultural figures, and civil society members. Please find the itinerary of our most recent delegation enclosed for your reference.

Business-class airfare, lodging, ground transportation, and scheduled meal costs will be paid for by FMC, a congressionally chartered, 501(c)(3) non-profit organization, in partnership with The Korea Society. We have funding for six to eight Members and a limited number of spouses, but please understand that no congressional staff/assistants are permitted to participate in this trip. While participants are allowed to arrive early or extend their visit at their own expense, they are expected to attend all official programs throughout the duration of the Study Tour. Participation is available on a first-come, first-served basis for a bipartisan delegation. This privately sponsored travel will be reported to the House Ethics Committee and is not part of the Mutual Educational and Cultural Exchange Act (MECEA). Please note that trip dates may be subject to change if deemed inopportune or unfeasible.

We hope that you will join us for the continuation of this vital transpacific dialogue. Should you have any questions, please have your staff contact Ms. Olivia Truesdale, Program Manager, at 202-222-0976 or [otruesdale@usafmc.org](mailto:otruesdale@usafmc.org). Thank you very much for your kind consideration.

Best wishes,

Peter M. Weichlein, Esq.

March 26, 2026

The Honorable Mark Pocan  
U.S. House of Representatives  
1026 Longworth House Office Building  
Washington, DC 20515

Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your and your spouse's proposed trip to South Korea,<sup>1</sup> scheduled for March 28 to April 3, 2026, sponsored by Former Members of Congress and the Korea Society.

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also report all travel expenses totaling more than \$525 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House Members may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$525] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

---

<sup>1</sup> Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or [ohsstaff@mail.house.gov](mailto:ohsstaff@mail.house.gov). House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest  
Chairman
