The Honorable Mike Haridopolos
U.S. House of Representatives

Dear Representative Haridopolos,

I would like to invite you and Stephanie to our bipartisan, bicameral health care retreat in **New York City, New York** from **June 5-7, 2026**. Designed specifically for Members of Congress, the convening will feature focused and forward-looking discussions around some of the most pressing domestic health challenges facing the United States. Please get back to us with interest to attend the conference **COB Friday, April 3, 2026**. These conference spots fill up quickly, so we may have to move you to a waitlist if we don't hear back in time. This invitation does not guarantee your participation in the conference.

This gathering will provide an opportunity to step back from the day-to-day pace of Washington and engage thoughtfully with fellow lawmakers, leading practitioners, policy experts, and innovators on issues central to the well-being of American families and communities. We plan to address health care affordability, promising models of care delivery, and the evolving role of technology in our health care system with a solutions lens.

The conference is designed to encourage candid, solution-oriented dialogue across party lines, grounded in evidence and practical experience, with a particular focus on actionable ideas that can inform legislative priorities in the months ahead. Your voice and leadership would add tremendous value to these conversations, and we hope you will join us for what promises to be a substantive and constructive exchange on the future of healthcare in America. For this event, we are proud to partner with the [Commonwealth Fund](#), a non-partisan, private health care foundation.

Conference attendance is by invitation only. No outside observers, no lobbyists, no congressional staff, and no media are allowed to participate. All conference sessions are off-the-record. No foreign governments are accepted to fund the Aspen Institute Congressional Program. As required by the Senate and House ethics rules, we will provide congressional participants with completed and signed ethics private sponsor forms.

Travel expenses, including business class travel fares, meals, and lodging will be paid for by the Aspen Institute; no expenses for entertainment or recreation are paid for in compliance with ethics rules.

The Congressional Program is part of the Aspen Institute, Inc. a nonprofit organization founded in 1949. The Congressional Program was created to promote leadership on public policy by bringing legislators together from both political parties with internationally renowned scholars for high level discussions and analysis. Since our program's inception, more than 639 members of Congress have participated in our 167 domestic and international conferences.

The Commonwealth Fund is a private, non-partisan foundation founded in 1918. The Fund is focused on our health system's most pressing issues by engaging in and supporting survey research, policy and data analysis, and international comparisons to promote a thriving, successful health care system in the United States.

We hope you can join us for this important conference.

Sincerely,

Charlie Dent
