Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Uruguay,¹ scheduled for August 19 to 24, 2026, sponsored by Panamerican Exchange, Inc. We note that this trip includes one day at your personal expense.

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also report all travel expenses totaling more than \$525 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House Members may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$525] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Michael Guest

CONGRESO
PANAMERICANO

PANAMERICAN
CONGRESS

CONGRESSO
PAN-AMERICANO

MONTEVIDEO 2026

INVITATION

Dear Representative Jesús García,

It is our honor to invite you to participate in the **Third Panamerican Congress**, to be held in Montevideo, Uruguay, from **August 21–23, 2026**.

At a time when the nations of the Americas face shared challenges that transcend borders — including climate resilience, migration pressures, public security, economic opportunity, and democratic governance — the need for effective hemispheric coordination has never been greater.

The Panamerican Congress brings together legislators and public leaders from across North, Central, and South America and the Caribbean to exchange ideas, build trust, and advance practical cooperation grounded in democratic institutions, the rule of law, and respect for national sovereignty. Our aim is simple but urgent: to strengthen collaboration across the hemisphere in ways that improve the lives, stability, and security of our citizens.

The Congress has grown rapidly into a dynamic hemispheric forum. The inaugural gathering in **Bogotá in 2024** convened legislators and public leaders from across the Americas to begin building a shared agenda and relationships of trust. The **Mexico City Congress in 2025** expanded participation to more than 100 leaders from 12 countries, deepened policy collaboration, and strengthened networks that continue to drive cross-border cooperation today.

The **2026 Montevideo Congress** will build on this momentum and mark the most ambitious convening to date. With delegates and special guests expected from more than 14 countries, the meeting will emphasize turning dialogue into coordinated action, strengthening democratic resilience, expanding economic opportunity, and enhancing regional cooperation on shared priorities. New working sessions and cross-national policy exchanges are designed to produce practical collaboration that continues long after the Congress concludes.

Participation by Members of the United States Congress is especially vital in today's geopolitical environment.

The United States plays a central role in hemispheric trade, security cooperation, democratic governance, and innovation.

Constructive engagement by U.S. legislators helps ensure that regional efforts are effective, inclusive, and grounded in shared democratic values. Your presence would signal a renewed commitment to partnership across the Americas and help strengthen the collaborative frameworks needed to address challenges that no nation can solve alone.

Uruguay offers an ideal setting for this work. Known for its strong democratic traditions, institutional stability, and commitment to human rights and social inclusion, Montevideo provides a welcoming environment for thoughtful dialogue and constructive engagement.

Your participation would contribute valuable insight and perspective to discussions with colleagues from across the hemisphere. Together, we aim to advance solutions that reinforce democratic resilience, expand opportunity, and strengthen cooperation among the peoples of the Americas.

If you are interested in attending this high-level meeting, please confirm your participation by **March 19, 2026**. For questions regarding participation or logistics, please contact Gerardo Bonilla at gerardo.bonillachavez@panamericancongress.org.

We would be honored to welcome you to Montevideo as we work together toward a more secure, prosperous, and cooperative hemisphere.

With warm regards,

David Adler & Giorgio Jackson
