The Honorable Julie Johnson
U.S. House of Representatives
221 Cannon House Office Building
Washington, DC 20515

Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your and your spouse's proposed trip to Cambodia,¹ scheduled for August 22 to 29, 2026, sponsored by the HALO Trust (USA), Eleanor Crook Foundation, and the HALO Trust.

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also report all travel expenses totaling more than \$525 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House Members may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$525] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Dear Representative Julie Johnson,

The HALO Trust (USA) is pleased to invite you to attend a Congressional Delegation visit August 22-29th focused on humanitarian demining, malnutrition, and health issues in Siem Reap and Phnom Penh, Cambodia.

The purpose of this Congressional delegation is to educate participants about the challenges of malnutrition, food insecurity, and other key health issues in Cambodia, the presence and impact of landmines and other explosive remnants of war, and the ways in which U.S. demining programs support food security and prevent malnutrition in the area and worldwide. Members of the delegation will visit an active HALO demining project near Siem Reap to see how these operations are conducted and will have the opportunity to engage with the U.S. Army Strategic and Low Intensity Conflict Demining Program. Attendees will see various programs to address hunger and health concerns, including a clinic with malnutrition programming and a laboratory for malaria research. Participants will hear from leading organizations in the malnutrition space, such as WFP and UNICEF, will connect with the U.S. Embassy in Cambodia, and will have the opportunity to discuss these issues with representatives from the Cambodian Government.

Meals, lodging, and business class airfare for you and a spouse, relative, or senior staff member, such as Chief of Staff or Legislative Director, will be provided, in accordance with Ethics Committee guidance.

Given the limited space on this upcoming trip, we respectfully ask that you let us know as soon as possible if you are interested in attending. Thank you for your interest in these important topics, and we hope you will be able to attend this educational visit.

Sincerely,

Kristen Stevens
Head of Congressional Affairs & Strategic Engagement

Demining and Malnutrition in Cambodia Itinerary

Siem Reap and Phnom Penh, Cambodia

August 22nd-29th, 2026

Primary Sponsor: The HALO Trust (USA)

Additional Sponsors: The HALO Trust, Eleanor Crook Foundation

MISSION GOALS: The primary purpose of this Congressional delegation is to educate participants about the challenges of malnutrition and key health issues in Cambodia, the extent and impact of landmine and unexploded ordnance (UXO) contamination, and the ways in which U.S. demining programs support food security and prevent malnutrition in the area and worldwide.

LOCATION: The purpose of travel to Cambodia is to see one of the world's largest humanitarian demining operations, supported by the U.S. State Department and the U.S. Army Strategic and Low Intensity Conflict Demining Program.
