The Honorable Linda Sánchez
U.S. House of Representatives
2309 Rayburn House Office Building
Washington, DC 20515

Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Mexico,¹ scheduled for September 17 to 20, 2026, sponsored by Tequila Regulatory Council (CRT).

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also report all travel expenses totaling more than \$525 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House Members may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$525] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

The first morning (Friday, September 18th) started with a working breakfast, tour, and briefing at the Consejo Regulador de Tequila (CRT) headquarters. A presentation was given on CRT's mission and how it protects tequila's Denomination of Origin. The tour consisted of the CRT lab to see the certification process, chemical analysis, and traceability procedures firsthand. After the working breakfast, the delegation went to Casa Jalisco for a meeting with Jalisco Governor Jesús Pablo Lemus Navarro and his cabinet, the state secretaries of Economy, Tourism, and Agriculture, and the State Coordinator of Economic Development. During the meeting we discussed trade and investment between Jalisco and the U.S. and the tequila industry's economic importance to the state.

That same afternoon, the delegation went on a walking cultural tour of downtown Guadalajara where we visited Hospicio Cabañas and the Degollado Theater. Here we learned more about the heritage of Guadalajara and the tequila industry. The day ended with a dinner hosted by CRT with their board members and state government representatives to recap the meetings we had that day and what we learned.

The second day (September 19th) was focused on seeing tequila production start to finish. First, we visited an agave field where farmers demonstrated cultivation and harvest requirements and CRT staff explained the agave monitoring and authorization process. At the agave field, we had the opportunity to harvest agave plants. After, we toured three distilleries representing different production sizes: Tequila Cascahuín (small), Tequilera Tap (medium), and Destilería Leyros (large). At distillery we witnessed the manufacturing process and CRT's batch-certification and inspection system that determines tequila exports to the U.S. The day ended with a dinner at Destilería Leyros with CRT board members, state officials, and company representatives to discuss the visit and future collaboration with the Tequila Caucus.
