David,

It was great talking with you this morning and I am delighted that you will be joining us for the annual energy conference. It will be like old times! Well, not maybe as old the John Myers days but at least as old as the early IEA days.

You will be speaking from 10:15 a.m. to 10:45 a.m. on Friday, September 21 under the heading Report from Washington. Dave, I won't tell you what should go into those remarks. There are so many hot topics before the Congress that by the time that September rolls around I know that you will have plenty to bring to us. I would like to have you go for twenty minutes and then leave 10 minutes for Q & A.

Remember also that I would like to invite you to have dinner with the board on Thursday evening following our President's Reception. The reception runs from 5:30 to 7:00 p.m. with dinner to follow at 7:15 p.m.

As an aside you will be interested to know that the governor will be speaking to our group from 8:15 to 9:00 a.m. on Friday followed by the Consumer Counselor Susan Macey and the IURC Chairman David Hardy. Following Hardy...and a short break...you will be the next speaker of the morning.

I will send you a complete program and itinerary as other aspects of the program come together.

Again, Dave, I can't thank you enough for working this out. We will, of course, cover all travel and overnight expenses. Kerry Waite will be your contact in this office for purposes of necessary audiovisual equipment or other speaking aides you might request. She will also work with you on travel – either advance or reimbursement – whichever your choose.
