About *Surviving Inside Congress*:

"What a useful book. If I were new to the Hill or wanted to land my first job, *Surviving Inside Congress* would be the first book I'd pick up. It's an in-depth practical guide to how the Hill operates – from how to get hired to how power and seniority really work for those who've made it."

Ari Fleischer, former White House Press Secretary (2001-2003)

"The book is perhaps most valuable for its understanding of the new challenges that legislative staff must face and its in-depth look into the ever-changing and increasingly rapid realm of Congressional communication."
