Washington, DC 20515

Dear Mr. Roseme:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Haiti, scheduled for December 14 to 18, 2014, sponsored by Management Sciences for Health.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than $375 from a single source on the “Travel” schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts “of minimal value [currently $375] tendered as a souvenir or mark of courtesy” by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

1 We note that the U.S. Department of State issued a warning against travel to Haiti on December 4, 2014. http://travel.state.gov/content/passports/english/alertswarnings/haiti-travel-warning.html. Travel Warning United States Department of State, Bureau of Consular Affairs. You may wish to contact the State Department regarding the safety of your proposed trip.
Mr. Jean Roseme

Jean Roseme  
Legislative Correspondent  
Office of Rep. Wilson  

Dear Jean:

Management Sciences for Health (MSH) is proud to sponsor a congressional staff study tour to see firsthand the impact of U.S. health investments in Haiti since the January 2010 earthquake. As a congressional staffer active on foreign affairs, global health, and Haiti, we sincerely hope you will join us.

The approaching five year anniversary of the Haitian earthquake has brought the country’s rebuilding efforts to the forefront of international development conversations once again. Unfortunately, much of the post-earthquake development dialogue has focused on the setbacks and delays of large-scale infrastructure and rebuilding projects without considering sectors such as health that have made relative progress. Greater awareness is needed among U.S. decision makers and the press in order to disaggregate the good from the bad and to recognize the health progress being made in partnership with the Haitian Ministry of Public Health and Population.

This health- and impact-focused study tour will allow you to meet with USAID and State Department officials, Haitian government officials, as well as local civil society, NGO and private sector leaders to better understand Haiti’s progress in health. By touring both U.S.- and internationally-funded projects and meeting with local implementers you will receive a broad understanding of the results achieved and the challenges that remain to build a strong and sustainable national health system.

The study tour will take place December 14-18, 2014, including travel. We are working in coordination with the House Committee on Ethics rules. We do hope you can join us.

The House Ethics deadline is November 14, 2014. Please RSVP by November 14, 2014 to Filmona Hailemichael, MSH Policy and Advocacy Manager at 703-667-3732 or by email hailemichael@msh.org. Upon confirmation, you will receive a more detailed itinerary to file along with the necessary Ethics Committee paperwork.

Thank you for considering this opportunity.

Sincerely,
