PRIMARY TRIP SPONSOR FORM ADDENDUM

Question 4: Provide names and titles of ALL House Members and employees you are inviting. For each House invitee, provide an explanation of why the individual was invited (include additional pages if necessary):

See attached invitation list. This Congressional Institute sponsored retreat focuses on the important roles of Legislative Directors and Communications staff in congressional offices. Therefore, the invitation to this retreat is being extended to legislative directors and the most senior communications staffer in House Majority personal offices and committee offices as well as policy and communication staff in leadership offices.

Question 12: For each sponsor required to submit a sponsor form, describe the sponsor's interest in the subject matter of the trip and its role in organizing and/or conducting the trip:

The purpose of the Congressional Institute (a 501(c)4 organization) is to promote public education about Congress and to hold educational conferences for Members of Congress, staff and others. The Congressional Institute is the sole organizer and conductor of this event. The Congressional Institute is dedicated to helping Congressional offices better serve their constituents and to otherwise support and further the Member's legislative and representational roles. Legislative Directors and Communications Directors play essential parts in these, and other important aspects and functions, of personal, committee, and leadership offices. This retreat is designed to strengthen professional relationships among Legislative Directors and senior Communications staff, educate them on policy issues and best practices, and encourage the exchange of ideas with colleagues.

Question 18: Total expenses for each participant:

The estimated lodging rate and per participant food/refreshment expense figure for this event (and provided on this form) do not include the separate costs to the Congressional Institute to rent conference/banquet space large enough to accommodate this large event with appropriate audio/visual capabilities necessary to conduct our program. Dividing these conference and banquet room rental costs by the number of participants estimated to attend this event, the estimated figure would be \$208.
