Dear Ms. Moxley:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to France,¹ scheduled for March 24 to 28, 2018, sponsored by the Global Women's Innovation Network.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$390 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$390] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments filed with the Committee, and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ We note that the U.S. Department of State (State Department) has issued a travel advisory concerning travel to France, available at <https://travel.state.gov/content/travel/en/international-travel/International-Travel-Country-Information-Pages/France.html>. You may wish to contact the State Department regarding the safety of your proposed trip.

Ms. Sarah Whiting Moxley

I participated in meetings discussing a variety of topics. These include –

- A presentation from the highest ranking woman at INTERPOL, where she discussed the challenges of this role as an American and a woman in a cooperative, international policing agency. Of particular interest was the conversation about data sharing between the different countries with different opinions on what is considered private information.
- An overview of American businesses in France by the American Chamber of Commerce in France.
- Tour of the US Embassy and discussion of US's relationship with France.
- Meeting with staff members of the National Assembly to discuss the new government under President Macron.
- A conversation with staff of the OECD, the most relevant part of the discussion was around other governments' information technology upgrades to improve their citizen services, which is a conversation I am having in my job.
- Tour of a startup incubator and discussion of financial apps and how they are working with the banking industry to bring them to market.

8. As a senior professional staff member on the Information Technology Subcommittee on the Oversight and Government Reform Committee, I handle the emerging technologies portfolio and how the government uses and interacts with it. These meetings are an opportunity to discuss how other governments are approaching the challenges and opportunities emerging technologies bring. These meetings also provide the companies' and entrepreneurs' perspective in working with the foreign governments and the challenges domestic companies face in this realm. This is particularly helpful since emerging technologies are a global issue and any uses, regulations and rules the United States engages in, have effects worldwide.

Question 12— With Honorary Co-Chairs Senator Shelley Moore Capito (R-WV), Senator Maggie Hassan (D-NH), Congresswoman Martha Roby (AL-02) and Congresswoman Debbie Wasserman Schultz (FL-23), GlobalWIN is a bipartisan 501(c)(3) organization that provides a dynamic forum for women who are passionate about innovation. We have built and continue to expand this powerful network of executives and thought leaders in academia, government, and business, who work in innovation-driven fields. GlobalWIN provides an important forum for female leaders to grow personally and professionally, while contributing to key policy debates.

GLOBALWIN PROGRAMMING: GlobalWIN highlights the important role of women in innovation through three programming silos:

1. *Monthly Policy Events & Annual Innovation Luncheon*: GlobalWIN features leaders in academia, government, and business, who have made significant contributions in STEM and related fields to educate our audience on policy issues associated with global innovation and strategies for addressing them.

2. *Career Development*: GlobalWIN provides opportunities and support for women, both entering into and advancing within innovation fields, through continuing educational opportunities and mentoring programs.

3. *Educational Trips & Global Partnership Building*: Through educational trips, GlobalWIN builds cooperative partnerships with like-minded organizations, such as the European Network for Women in Leadership, based in Paris, and the 30 Percent Club chapter in Dublin. GlobalWIN aims to foster global cooperation among women on the key issues related to innovation, technology, and economic growth.

Each year, GlobalWIN hosts one international trip, which combines all silos of GlobalWIN programming. Our trip to Paris will bring together a group of bipartisan House staff that work on issues related to telecom, commerce, judiciary and innovation for three days of substantive programming. During our stay, our delegation will discuss important policy issues related to their field of work by participating in roundtables, expert panels, and meeting with Members of the National Assembly and their staff. Furthermore, GlobalWIN's House Staff Delegation will interact with companies at the forefront of innovation, female leaders of industry, and other senior executives. Throughout the trip, our Congressional staff delegates will connect with peers from across the aisle supporting GlobalWIN's mission to foster bipartisanship and cooperation, and provide an opportunity for personal network-building.

GlobalWIN is organizing and financially supporting/sponsoring this trip, including travel logistics, meetings, speakers, and panel discussions. GlobalWIN is the primary sponsor of this trip.

Question 15b(2). – As a hub for commerce, innovation, entrepreneurial activity, and increasing political role in the EU, Paris, France was chosen as the location for GlobalWIN's 2018 international trip. Also, there is availability for a direct flight from Washington, D.C. Finally, GlobalWIN's previous trip to France in 2012 and relationship with the French Embassy in Washington, DC, has allowed for great programming and partnership opportunities.
