Mr. Virgil A. Miller  
Office of the Honorable Cedric Richmond  
420 Cannon House Office Building  
Washington, DC 20515

Dear Mr. Miller:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Belgium and Germany,¹ scheduled for July 1 to July 6, 2018, sponsored by the German Marshall Fund of the United States and Software.org.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than $390 from a single source on the “Travel” schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts “of minimal value [currently $390] tendered as a souvenir or mark of courtesy” by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments filed with the Committee, and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ We note that the U.S. Department of State (State Department) has issued a travel warning concerning travel to Belgium, available at https://travel.state.gov/content/travel/en/international-travel/International-Travel-Country-Information-Pages/Belgium.html; and Germany, available at https://travel.state.gov/content/travel/en/international-travel/International-Travel-Country-Information-Pages/Germany.html. You may wish to contact the State Department regarding the safety of your proposed trip.
If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Susan W. Brooks

Dear Mr. Miller:

On behalf of The German Marshall Fund of the United States and Software.org: the BSA Foundation, we cordially invite you to participate in the 2018 Transatlantic Technology Congressional Delegation (TTCD) Staff Study Tour. TTCD will take place July 2-6, 2018, in Brussels, Belgium, and Munich, Germany.

The TTCD presents a unique opportunity for senior Congressional staff to better understand how the “digitalization of everything” is transforming our polities, economies, and societies. This rapid technological change also greatly affects ties between the United States and Europe, with the internet now providing the backbone for $1 trillion in annual bilateral trade. The study tour will enable staff to engage directly with stakeholders who are integral to the growing transatlantic digital space.

The Brussels programming will take place on July 2nd and 3rd. Participants will meet representatives of the European Commission and Parliament as well as industry leaders and other stakeholders to discuss U.S. and EU approaches toward the digital transformation in our economies. The Munich programming will take place on July 4th and 5th. Industry representatives will provide an in-depth analysis of the current challenges facing software companies as well as demonstrate the technologies that will shape our future. Additionally, participants will engage with state and local leaders on the policies and initiatives being enacted around technological and digital innovations.

For TTCD inquiries, please contact Reta Jo Lewis, Director of Congressional Affairs at The German Marshall Fund, at rjlewis@gmfus.org, or Software.org Executive Director Chris Hopfensperger at chris@software.org. We look forward to hosting you and your colleagues as we examine the critical role that technology plays in shaping transatlantic relations.

Sincerely,

Karen Donfried
