**Congressional Staff Network for Workforce and Economic Security Issues  
August 28, 2018 – August 30, 2018 Site Visit to Detroit, Michigan**

**Question #4 House Staff:**

- Anne Decesaro, Staff Director Human Resources Subcommittee, Committee on Ways and Means
- Kelsey Fetzer, Legislative Assistant, Rep. Jack Bergman
- Alex Huang, Legislative Assistant, Rep. Brenda Lawrence
- Amy Jones, Director of Education and Human Services Policy, House Education and Workforce Committee
- Robin Juliano, Professional Staff Member, House Appropriations Committee
- Heather Painter, Legislative Fellow, Rep. Seth Moulton
- Alexander Payne, Policy Advisor, House Education and Workforce Committee
- James Redstone, Professional Staff Member, House Education and Workforce Committee
- Emily Slack, Professional Staff Member, House Education and Workforce Committee
- Lakeisha Steele, Legislative Assistant, Rep. Suzanne Bonamici
- Eva Vrana, Legislative Assistant, Rep. John Moolenaar

**House staff have been invited as a result of their work on education and workforce development issues.** All have responsibility over these federal issues in their offices. The site visit will highlight the successes and challenges of education, workforce and poverty programs in Detroit.

**Question #7 Reason for Selecting Location:**

JFF selected Detroit, Michigan for this site visit because of the revitalization of the city and economy and their serious approach to equity. Detroit has undergone significant changes in the past decade, now the city is rebuilding, not only physically but it's economy. This visit will highlight Detroit's commitment to innovative K-12, post-secondary and workforce models that promote skill development and poverty alleviation. The visit will shed light on implications for K-12, higher education and workforce development policy, specifically on: CTE, Pre-apprenticeship and apprenticeship programs, career pathway approaches and strategies for supporting today's most vulnerable learners.

**Question #12 Role of Sponsor:**

Jobs for the Future (JFF) selects sites and topics of interest around which to base site visits and forums, considering congressional staff interest, the quality of programming, and whether or not these programs have a relationship to workforce development, education and poverty alleviation policy, specifically with a lens toward equity. JFF develops and executes the agenda; arranges logistics for the trip; and communicates with the staff. Lumina Foundation and The Joyce Foundation provide grants to Jobs for the Future to convene the Congressional Staff Network on Workforce and Economic Security Issues.

**Purpose of the Trip and Mission of the Sponsor.** JFF is interested in the development of education, training and supportive programs and policies that expand opportunities for low income and disconnected youth and adults to attain the education, training and credentials necessary to find good jobs and family sustainable careers. JFF's work is informed by research, analysis, and best practice. The purpose of this trip is to examine ~~high quality and innovative education and workforce training programs that focus on the~~ economic needs of the city, its employers and its people. Staff will see strategies the city is implementing to help inhabitants meet the skill needs of the region's critical industries, they will talk with students, teachers, state and local officials and employers who are involved in the development and in carrying out these programs. In addition, our funders, Lumina Foundation and The Joyce Foundation are interested in increasing pathway opportunities starting in high school through career, ensuring all populations have access to postsecondary educational attainment and supportive services through high quality and innovative approaches that meet national, state, and local economic needs.

**History Carrying out Site Visits.** Jobs for the Future has carried out the Congressional Network on Workforce Development and Economic Security for 10 years. As part of that work we have held numerous DC-based forums and conducted multiple site visits where senior congressional staff have the opportunity to see high quality workforce programs and learn from experts and practitioners on the ground, about the impact of federal policy in their fields of responsibility. Our visits have included programs in: Charlotte, NC; Bridgeport, CT; Cincinnati, OH; Madison, WI; Philadelphia, PA; Detroit, MI, Wichita, KS, Nashville, TN, Seattle, WA, Eastern KY and Fredericksburg, VA. The purpose of these trips (and the Network) is to provide in-depth learning opportunities for staff on workforce, education, and economic security issues. The Joyce Foundation has funded JFF's work with the Network for the past 10 years and this is Lumina Foundation's first year funding the Network.

**Question #18 Good Faith Estimates for House Staff Travel and Meal Expenses:**

**Transportation:** Round trip coach class commercial airfare from DCA (DC) → DTW (Detroit) = \$350.00 per person. On the ground transportation, via chartered coach class bus service for two days in Detroit = \$75.00 per person. Total transportation expenses come out to roughly = **\$425.00 per person.**

**Lodging:** Lodging at the Siren hotel = \$126.00 per night x 2 nights = **\$258.00 per person.** Lodging expenses will equal the government per diem for Detroit, MI in August.

**Meals:** Meals for three days of travel = **\$135.00 per person.** Meal expenses will not exceed per diem rates in Detroit, MI in August.
