Re: The Aspen Institute 2019 Socrates Program Emerging Governance Leaders Seminar

Dear Chairman Deutch,

This letter is submitted in connection with The Aspen Institute 2019 Socrates Program Emerging Governance Leaders Seminar, to which House of Representatives staff have been invited. We understand that the Committee on Ethics, which is charged with reviewing and approving privately-funded, officially-connected travel by Members and staff of the House, may consider the Foundation to be a “source” of funds associated with The Aspen Institute’s study trips that must be identified under House rules.

The William and Flora Hewlett Foundation (the “Foundation”), a non-profit foundation established in 1967, made a grant to The Aspen Institute to support the Socrates Program and its Emerging Governance Leaders Seminar series (Grant #2018-8044). Please note that the William and Flora Hewlett Foundation is aware of the study trips, the participants, and the agenda. However, there is no agreement, written or oral, between the Foundation and The Aspen Institute whereby the Foundation may direct the activities of the Socrates Program, including the conduct of the study trips, or cause the selection of any invited congressional participant. The Aspen Institute exercises control over that selection process and makes the selection completely independent from the Foundation.

Furthermore, please note that the Foundation is not a registrant under the Federal Lobbying Disclosure Act (“LDA”), does not retain or employ a registered federal lobbyist to lobby on its behalf, and has not received funds from any lobbyist or LDA registrant. Moreover, the Foundation has not accepted any source funds earmarked for The Aspen Institute or any congressional travel.

If we can provide any additional information, please contact me at 650-234-4771 or [ktsadick@hewlett.org](mailto:ktsadick@hewlett.org).

Sincerely,

Kristy Tsadick  
*Deputy General Counsel*

#4. Please provide names and titles of ALL House Members and employees you are inviting.

This was an open application process. The House employees invited (listed below) are junior congressional staff. The final participants were selected because they were bipartisan, emerging leaders equipped to convene and engage in non-partisan dialogue on leadership and the role of congress.

Historical Tour of Wye

The Aspen Institute Wye campus is a site imbued with historical moments in American political discourse and policy decisions – from early days as the home of William Paca, a signer of the Declaration of Independence and the third governor of Maryland, to more recent moments as the site for negotiations between Israel and the Palestine Authority. This historical tour will connect the seminar to place and embody the rich history of American discourse and governing in Washington and beyond.
