Office of the Honorable Elaine G. Luria  
534 Cannon House Office Building  
Washington, DC 20515

Dear Mr. Gerstell:  

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Idaho Falls, Idaho, scheduled for July 21 to 22, 2019, sponsored by Foundation for Nuclear Studies.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than $390 from a single source on the “Travel” schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

If you have any further questions, please contact the Committee’s Office of Advice and Education at extension 5-7103.

Sincerely,

Attachment 2 – Question 12:

The Foundation for Nuclear Studies, a 501(c)(3) nonprofit, provides information and educational opportunities for policymakers and the general public about nuclear science and technology, with the objective of promoting sound national policy.

In pursuit of its mission, the Foundation sponsors a highly regarded congressional briefing series with forums on a broad spectrum of issues related to nuclear technology, ranging from medical isotopes to the transportation of nuclear materials. The events attract high-quality speakers and seek to provide a balanced presentation of differing perspectives.

In an effort to expand our programming, the Foundation is embarking on this trip as part of our ongoing educational site tour series, which will provide congressional staff with firsthand knowledge of working nuclear plants and research facilities. Through our briefing series on the events in Japan, the Foundation discovered that even staffers with a background in nuclear fields lack firsthand experience with nuclear plants and demonstrated a strong interest in being able to tour a facility. This trip should provide those staffers with relevant experience to make better informed policy decisions as they perform their various roles on Capitol Hill.

The Foundation selected Idaho Falls, ID because it is the location for the Idaho National Laboratory (INL), which is considered to be the nation’s leading center for nuclear energy research and development. INL works in each of the strategic goal areas of the Department of Energy, which includes: energy, national security, science and environment. The reason for traveling to Idaho Falls, ID is due to the city having the closest airport to INL’s desert sites. However, traveling to Idaho Falls also offers an opportunity to explore their research and education campus, which maintains academic partnerships with Boise State University, Idaho State University, University of Idaho and University of Wyoming.

The Foundation for Nuclear Studies is the sole sponsor of this trip and is planning, executing and financing all aspects of the trip.
Attachment 3 – Question 15b:

FNS selected Idaho Falls, ID for this trip because it is home to the Idaho National Laboratory. The trip will give staff an opportunity to tour a research facility and its various divisions that support nuclear science and technology.

Office of Congresswoman Luria
Washington, DC

Dear Jonathan Gerstell,

I would like to invite you to attend The Foundation for Nuclear Studies (FNS) Educational Staff Tour of the Idaho National Laboratory (INL) in Idaho Falls, Idaho, from **Sunday, July 21 to Tuesday, July 23, 2019**. The tour will adhere to all federal ethics requirements.

The Foundation for Nuclear Studies, as a 501(c)(3) nonprofit organization, effectively promotes sound national policy on nuclear science and technology by providing information and educational opportunities for policymakers, their staffs and the general public.

This tour is a continuation of our programming series, which calls for discussing nuclear issues and analyzing the technical and practical issues associated with nuclear technologies. This tour is structured to bring Congressional staffers together with nuclear industry experts and executives for the purposes of understanding key issues affecting energy policy. **Monday, July 22, 2019** will provide full days of educational briefings and examining the daily functions of INL sites. Items on the agenda will include presentations from Idaho Falls Mayor Rebecca Casper and Idaho Falls Power General Manager Bear Prairie and tours of several reactors, facilities, and laboratories.

FNS will cover costs relating to the trip, including airfare, hotel expenses and group meals. We are consulting with the relevant ethics committees to ensure compliance, and will provide paperwork for submission prior to the 30-day House and Senate Ethics deadline. Please respond to Arianne Price at arianne@helenmilby.com prior to **Wednesday, May 15, 2019** if you can attend.

Sincerely,

[Signature]
