Mr. Jesse Garza  
Office of the Honorable Sean Duffy  
502 2nd Street  
Hudson, WI 54016

Dear Mr. Garza:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Canada, scheduled for July 21 to 27, 2019, sponsored by United States Association of Former Members of Congress.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than $390 from a single source on the “Travel” schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts “of minimal value [currently $390] tendered as a souvenir or mark of courtesy” by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

Please be aware that the Committee’s review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Sergeant at Arms (SAA) for a safety and security briefing prior to your departure. SAA may be reached at (202) 226-2044 or ohssstaff@mail.house.gov. House travelers should also register for the U.S. State Department’s Smart Traveler Enrollment Program at https://step.state.gov.
If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Theodore E. Deutch

The Hon. Rob Merrifield. Merrifield, the Special Representative of the Province of Alberta to the United State of America. Prior to this, he was the Member of Parliament for Yellowhead. He was first elected in 2000 and subsequently re-elected in 2004, 2006, 2008 and 2011. In 2012, Merrifield was given a mandate from Prime Minister Stephen Harper to engage the United States Congress on issues relevant to Canadian interests. He has actively engaged members of both the U.S. House of Representatives and Senate on issues such as the Keystone XL Pipeline, mandatory Country of Origin Labelling and Buy American legislation. During his time working as a congressional liaison for the Government of Canada, from 2011-2014 Merrifield was also the Chair of the House of Commons Standing Committee on International Trade and a member of the House of Commons Board of Internal Economy, which is the governing body of House of Commons administration. Merrifield was appointed to Cabinet in 2008 as the Minister of State for Transport by Prime Minister Stephen Harper. He served in Cabinet until 2011. As Minister, his accomplishments included revitalizing Marine Atlantic with two new ferries, initiating Canada Post's postal transformation and overseeing the rollout of Transport Canada's Alberta and Saskatchewan infrastructure funds as part of Canada's Economic Action Plan. Other successes included facilitating the tripling of the capacity of Ridley Terminal in Kitimat, B.C., to 12 million tonnes, allowing the crown corporation to see a profit; increasing the flow-through efficiency at Canadian airports and decreasing the cost of security as the Minister responsible for the Canadian Air Transport Security Authority; overseeing the significant refurbishing of the VIA Rail fleet; re-establishing safeguard protocol at the Royal Canadian Mint; and, introducing the Fair Rail Freight Service Act, which rebalanced the relationship between the shippers and the railway companies. In addition, during his time in Cabinet, Merrifield held a seat on the Treasury Board of Canada. Prior to his appointment to Cabinet, Merrifield served as the Chair of the House of Commons Standing Committee on Finance and was the Chair of the Canada-United States Inter-Parliamentary Association. He also served on the House of Commons Standing Committee on Health in many capacities including Chair, Official Opposition Senior Health Critic and Vice-Chair. Merrifield was raised on a dairy farm outside of Whitecourt, Alberta. After meeting his wife Brenda at college, he took over the family farm and has since passed the farm's operations on to his son, Chad.
