Explanation of why the individuals were invited: The congressional staffers were invited to participate on the farm tour because they manage the agriculture portfolio for their respective Representatives.

Entry B: Sponsor's Interest in Subject Matter & Role in Organizing

Interest in Subject Matter: The mission of the NASDA Foundation is to advance agriculture to shape a changing world. NASDA Foundation works to help further emerging agricultural industries such as the hemp industry and value-added agriculture production through education and training. This tour helps the NASDA Foundation further its mission of educating key agricultural stakeholders, congressional staffers who manage agriculture portfolios for their respective Representatives, on the emerging issues of hemp and value-added production.

Role in organizing: NASDA Foundation is the primary sponsor of this farm tour. NASDA Foundation is the sole funder of this trip. NASDA Foundation managed the logistics for the trip,

including inviting the congressional staff to attend, booking flights and hotels, booking bus for local travel, booking hotel space, and organizing meals. NASDA Foundation also invited all of the speakers and coordinated the site visits. NASDA Foundation worked with the Kentucky Department of Agriculture to identify potential site visits and speakers. Kentucky Department of Agriculture (KDA) staff are also included as speakers on the farm tour as noted in the detailed agenda. See attached agenda for more information on KDA staff participation in the tour.

Entry C: Meals

On Day 1 of the tour (8/20/2019), meals will include lunch at a local restaurant (\$12.05/person) and dinner at the Louisville Expo (\$20/person). Breakfast is provided at the hotel as part of the lodging fee. Snacks will be provided on the bus amounting to \$5/person. The total for Day 1 for meals per person is \$37.05. On Day 2 of the tour (8/21/2019), meals will include lunch at the Blue Grass Stockyards (\$15/person). Breakfast is provided at the hotel as part of the lodging fee. Snacks will be provided on the bus amounting to \$5/person. The total for Day 2 for meals per person is \$20.

Entry D: Location

Kentucky was selected as the location of the farm tour because it provides unique opportunities for congressional staffers to learn about the hemp industry and value-added agriculture production at the state level. Kentucky and the Kentucky Department of Agriculture are pioneers in the hemp industry when it comes to production and regulation. Kentucky Department of Agriculture has launched the first of its kind Industrial Hemp Research Pilot Program. The exposure to the hemp industry in Kentucky will allow congressional staffers to learn about the challenges and successes of regulating the hemp industry from the perspective of farmers, processors, researchers and state regulators. In terms of value-added agriculture production, Kentucky is also a leader offering diverse types of production, including sustainable cattle production, artisanal beverages, clothing and industrial products.

Entry E: Hotel

The cost of the hotel per day includes the nightly rate (\$122) plus 16.07% tax (\$19.61) for a total of \$141.61. This hotel was selected because it is located near the Louisville International Airport and easily accessible to congressional staffers flying into that airport. The hotel also provides a government rate which fits within the GSA per diem allocation for government employees. In addition, the hotel provides a free shuttle to and from the Louisville International Airport.

2019 Congressional Farm Tour

Detailed Agenda

The two-day farm tour will focus on various agricultural commodities produced in Kentucky; hemp and value-added agriculture. The first day will focus on the life cycle of a hemp plant from plant to product. The second day will focus on the diversity of value-added agriculture in Kentucky.

Dear Mr. Lovell:

On behalf of the National Association of State Departments of Agriculture (NASDA) Foundation, it's my pleasure to invite you to participate in the 2019 Congressional Farm Tour in Louisville, Kentucky. This year's tour will take place from August 20-21, 2019. You have been selected to participate on this tour because of your work on agriculture issues for Congresswoman Rosa DeLauro.

NASDA Foundation is the only educational and research organization that directly serves the nation's state departments of agriculture. We are a 501(c)(3) nonprofit organization that works in partnership with state departments of agriculture to conduct research, outreach and training to advance agriculture.

The purpose of the farm tour is to educate congressional staff members about emerging issues in the agricultural industry. This year's tour will focus on two major agricultural industries: hemp and value-added agriculture. The tour will teach participants about innovative hemp research taking place at universities, hemp processing for diverse products, and state regulations related to hemp.
