Mr. Eric Amidon
Office of the Honorable Lee Zeldin
2441 Rayburn House Office Building
Washington, DC 20515

Dear Mr. Amidon:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Namibia, Botswana, and Zambia,¹ scheduled for August 18 to 27, 2019, sponsored by Conservation International, with financial support from the Gordon and Betty Moore Foundation.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$390 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$390] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Sergeant at Arms (SAA) for a safety and security briefing prior to your departure. SAA may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Primary Trip Sponsor Form Addendum

12. For each sponsor required to submit a sponsor form, describe the sponsor's interest in the subject matter of the trip and its role in organizing and/or conducting the trip:

Founded in 1987, Conservation International (CI) has worked with partners to protect more than 1.5 billion acres of the most critical landscapes and seascapes around the world. Today, the ties between conservation and security are clear. The world is less safe when criminals profit from stealing and poaching its wildlife and natural resources. Shortages of freshwater, food, and other natural resources lead to instability and conflict. Educating our guests on the need of targeted U.S. investment in international conservation and how these efforts contribute to America's long-term foreign policy objectives and enhance U.S. security. CI is the organizing/conducting trip sponsor.

15. b. The trip involves events that are arranged specifically with regard to congressional participation

2) Provide the reason for selecting the location of the event or trip:

Last year Congress passed the Defending Economic Livelihoods and Threatened Animals (DELTA) Act, legislation that specifically targets preservation of the Okavango Delta and the waterways and migrating wildlife that depend on it. Now law, the DELTA Act authorizes the U.S. Government to provide assistance for resource management and to combat illegal poaching and wildlife trafficking - deemed by Congress as national security threats to the United States. This trip will give senior Congressional staff a ground-level perspective on how the DELTA Act will help stabilize and preserve this large, remote and critically important region.

16. Reason(s) for Selecting:

Each specific lodge was chosen based on security concerns on the ground and proximity to those sites most important to accomplishing the educational purposes of the trip. Lodging close to these sites is quite limited and the chosen lodges were the best options available in close proximity to the sites that also permitted the group to stay together in a safe and secure hotel. Additional detail provided where appropriate in the table below:

Name, nightly cost, and reasons for selecting each hotel or other lodging facility:

Hotel Name: Avani Resort City: Livingstone, Zambia Cost Per Night: \$201.60

Reasons for Selecting: Best option available to keep the group together in the same location for security and proximity.

Hotel Name: Cresta Mowana Safari Resort City: Kasane, Botswana Cost Per Night: \$382.95

Reasons for Selecting: Selected due to location of the Elephant Protection Initiative and availability in Chobe National Park during peak season.

Hotel Name: Lianshulu Bush Lodge City: Lianshulu, Namibia Cost Per Night: \$192.00

Reasons for Selecting: Availability in the Kavango-Zambezi (KAZA) Transfrontier Conservation area and to keep the group together in the same location for security and proximity.

Hotel Name: Capture Africa Mobil Camp City: Okavango, Botswana Cost Per Night: \$659.00

Reasons for Selecting: It is important to stay in the Okavango Delta to showcase the conservation work within the region. Accommodations in the Okavango delta are expensive due to the rural and remote nature of the area. The group will be staying in canvas tents at this site to keep the costs as low as possible
