ONE HUNDRED SIXTEENTH CONGRESS

U.S. House of Representatives

COMMITTEE ON ETHICS

September 26, 2019

Ms. Ritika Robertson
Office of the Honorable Ken Buck
2455 Rayburn House Office Building
Washington, DC 20515

Dear Ms. Robertson:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to South Korea,1 scheduled for October 5 to 11, 2019, sponsored by United States Association of Former Members of Congress, with financial support from The Korea Society.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than $390 from a single source on the “Travel” schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts “of minimal value [currently $390] tendered as a souvenir or mark of courtesy” by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

---

1 Please be aware that the Committee’s review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Sergeant at Arms (SAA) for a safety and security briefing prior to your departure. SAA may be reached at (202) 226-2044 or ohstaff@mail.house.gov. House travelers should also register for the U.S. State Department’s Smart Traveler Enrollment Program at https://step.state.gov.
If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

12. The Congressional Study Group on Korea (CSGK), established in 2018, is one of four legislative exchange programs conducted by the U.S. Association of Former Members of Congress (FMC). The Study Group aims to create constant channels of communication and dialogue between American legislators and their counterparts in South Korea through regular roundtables in Washington, DC, throughout the year in addition to trips such as the 2019 U.S. Senior Congressional Staff Study Tour to Korea. FMC’s Congressional Study Group on Korea is responsible for organizing the seminar program, arranging meetings, and inviting expert speakers to the study tour. FMC is solely responsible for all invitations to and communications with trip participants, as well as the budget for the trip.

The Korea Society, a private, nonprofit, nonpartisan, 501(c)(3) organization, awards grant monies to fund the year-round programming of The Congressional Study Group on Korea as a part of their mission of promoting greater awareness, understanding, cooperation between the people of the U.S. and Korea.

15 b. 2) Seoul is the financial and political hub of South Korea, and the delegation will meet with high-level government officials, journalists and issue experts on issues ranging from security, trade and economy. The delegation will also visit the DMZ, Korean Demilitarized Zone, to learn the history and prospect between North Korea and South Korea relationship, a pertinent issue for the U.S. national security. Visits to plants of multinational companies such as CJ, will allow the delegation to discuss innovation and technology issues.

Busan is the second largest city in South Korea, and is home to industry and military bases. The purpose of visit is to learn about economic, trade and security issues and the visit will provide a “regional” experience (meetings with Mayor of Busan and Chairman of Busan Metropolitan City Council) and local government’s perspectives beyond the central government in Seoul.
