Dear Kathleen Heffernan:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Miami, Florida, scheduled for October 10 to 11, 2019, sponsored by The Everglades Foundation, Inc. We remind you that, because the trip sponsor employs a federal lobbyist, you may participate in officially-connected activity on one calendar day only.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$390 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Theodore E. Deutch

Dear Sir or Madam:

The Everglades Foundation (Foundation) is requesting key House Congressional Staff (Staff) handling environmental issues affecting the greater Everglades region to join us on a one-day tour of the Everglades. The primary objective of this tour is to benefit federally owned or managed lands including: Everglades National Park, Loxahatchee National Wildlife Refuge, and the Florida Keys National Marine Sanctuary. The Foundation staff along-side federal and environmental partners (see agenda for cited individuals) will educate Staff about the science and engineering behind the policies affecting Everglades restoration, the world's largest restoration project. Staff will be given an overview of the progress made and the future restoration needs. The Foundation has successfully hosted similar, two-day Staff trips for several years. This year, different from previous years, the Foundation has a federal lobbyist on retainer. To accommodate the trip while staying within Ethics regulations, we have shortened trip programming to one day.

The Foundation requests Staff to stay for two-nights. Because of the vast area and number of habitats effected by the Everglades restoration project, it is essential for Staff to visit all sites on the agenda to obtain a holistic understanding of the restoration impacts on Florida's ecosystem and economy. We are combining two days of events into one, the programming begins at 8:30 a.m. on October 10th ending the same day at 6:45 p.m. at earliest (see agenda). The last flight on October 10th from Miami to Washington, DC is at 7:35 p.m. It is not reasonably possible for the Staff to arrive at the airport in time for this flight. We request a second night stay, so the Staff can complete the tour on the evening of the 10th and leave at 6:15 a.m. on the 11th. We investigated other dates for flight options; however, there are no flights within our available travel dates that leave past 7:35 p.m.

I appreciate your review of our request to allow Staff to stay two nights for this one-day educational experience. Feel free to contact Dr. Kristie Wendelberger directly with any questions that may help your review. She can be reached at: kwendelberger@evergladesfoundation.org or 305-281-3061.

**The Everglades Foundation
Congressional Educational Briefings and Site Visits
October 9th – 11th, 2019**

Overview:

This is an intensive one-day trip to the greater Everglades ecosystem for key congressional staff handling environmental issues affecting this region. Currently, the federal government, working with the State of Florida, is undertaking the world's largest ecosystem restoration project. One of the primary objectives is to benefit federally owned or managed lands, including Everglades National Park, Loxahatchee National Wildlife Refuge, and the Florida Keys National Marine Sanctuary. A wide range of federal agencies have jurisdiction over various components of this initiative, including: the Department of Interior, the U.S. Army Corps of Engineers, the Environmental Protection Agency, and the Fish and Wildlife Service.

The purpose of these briefings and the accompanying site visits to federal lands and waters is to provide an overview of the progress made and the future restoration needs of federal holdings like Everglades National Park and Big Cypress National Preserve.

Confirmed Congressional Staff Participants:

Walker Barrett, Deputy Chief of Staff and Legislative Director, Congressman Michael Waltz
Courtney Fogwell, Legislative Director/Deputy Chief of Staff, Congresswoman Debbie Mucarsel-Powell
