Dear Ms. Blazek:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Niger,¹ scheduled for October 5 to 12, 2019, sponsored by United Nations Foundation, with financial support from World Food Program USA.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$390 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$390] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Sergeant at Arms (SAA) for a safety and security briefing prior to your departure. SAA may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

UNF and WFP USA Learning Trip to Niger
Answers to Primary Trip Sponsor Form Questions 4, 12, and 15b2

4. Names and titles of all House invitees and explanation of why the individual was invited:

The following individuals have been invited to participate in this humanitarian learning trip to Niger because they work directly on issues related to U.S. foreign policy, U.S.-UN relations, humanitarian aid, international development, and/or U.S.-Africa relations.

Reyn Archer, Chief of Staff
Rep. Jeff Fortenberry

Katy Crosby, Professional Staff Member
House Foreign Affairs Committee

Thomas Rice, Legislative Director
Rep. Michael McCaul

Kelliann Blazek, Counsel
Rep. Chellie Pingree

Clay Boggs, Legislative Director
Rep. Norma Torres

Chris Farrar, Professional Staff Member
House Foreign Affairs Committee

12. Description of the sponsor's interest in the subject matter of the trip and its role in organizing and/or conducting the trip:

The United Nations Foundation (UNF) works to educate all Americans, including the U.S. Congress, on the importance of a strong U.S.-UN relationship, with a particular emphasis on UN humanitarian operations. This learning trip provides an opportunity for congressional staff to observe the hunger and malnutrition alleviation work the World Food Program is undertaking in Niger and explore its connection to long-term sustainable development throughout the Sahel. UNF is partnering with WFP USA to sponsor this trip, but is handling all outreach to congressional staff and is the primary contact for planning purposes.

World Food Program USA (WFP USA) is a U.S.-based non-profit organization dedicated to building support within the U.S. for the United Nations World Food Programme (WFP). World Food Program USA works with U.S. policymakers, corporations, foundations, and individuals to help provide financial and in-kind resources and develop policies needed to alleviate global hunger. WFP USA provided UNF with a grant to help fund this learning trip and is assisting with its organization.

15b2. Provide the reason for selecting the location of the event or trip:

Populations in Niger—a landlocked, low-income country in West Africa—are vulnerable to chronic food insecurity and malnutrition, regional conflict, resultant displacement, and recurrent shocks like disease

outbreaks and floods. Approximately 2.3 million people across the country require emergency assistance to meet their basic needs and millions more experience transitory shortages during the lean season. That means that nearly 20 percent of Niger's population is unable to its regular food needs—a troubling statistic that rises to nearly 30 percent during periods of poor rainfall.

The causes are diverse, including inadequate agricultural production, security constraints, and high demographic growth. Beyond that, epidemics and conflict in three neighboring countries are aggravating the situation. In the Lake Chad Basin, prolonged conflict perpetuated by Boko Haram and the Islamic State of Iraq and Syria-West Africa has internally displaced more than 100,000 people in Niger and prompted nearly 120,000 Nigerian refugees to flee into Niger's Diffa Region as of May 2019. More than 30,000 Nigerian refugees were also sheltering in Niger's Maradi Region as of July 2019, having fled a recent surge in violence in northwestern Nigeria. These development have deepened local food insecurity and endangered host communities, refugees, and humanitarian workers.

The World Food Programme and USAID are working in Niger to alleviate these hunger and malnutrition conditions and carry out critical resilience-building activities by supporting smallholder farmers, investing in crisis preparedness measures, building capacity within the Ministry of Education to deliver school meals, and addressing the ongoing refugee situation and its impact on food insecurity. This trip will be an opportunity to see these efforts in action and gain valuable, firsthand updates on the humanitarian and political situation in Niger. While in-country the delegation will conduct site visits and meet with the WFP leadership team, U.S. Embassy leadership team, USAID personnel, Nigerien authorities, humanitarian workers, and members of civil society, providing the delegation with a wide-range of experiences that demonstrate how WFP is working together with the U.S. to promote stability and long-term sustainable development in Niger and beyond.
