Employee Post-Travel Disclosure Form

This form is for disclosing the receipt of travel expenses from private sources for travel taken in connection with official duties. This form does not eliminate the need to report privately-funded travel on the annual Financial Disclosure Statements of those employees required to file them. In accordance with House Rule 25, clause 5, you must complete this form and file it with the Clerk of the House, B-81 Cannon House Office Building, within 15 days after travel is completed. Please do not file this form with the Committee on Ethics.

NOTE: Willful or knowing misrepresentations on this form may be subject to criminal prosecution pursuant to 18 U.S.C. § 1001.

1. Name of Traveler: Joshua Izaak

2. a. Name of Accompanying Relative: OR None
   b. Relationship to Traveler: □ Spouse □ Child □ Other (specify): ________

3. a. Dates: Departure: 10/6/19 Return: 10/7/19
   b. Dates at Personal Expense, if any: ____________________________ OR None

5. Sponsor(s), Who Paid for the Trip: Global Health Council, American Society for Tropical Medicine and Hygiene, & PATH & Global Health Technologies Coalition

6. Describe Meetings and Events Attended: Meet with senior officials at CDC to learn about the agency’s global health programs and toured CDC labs.

7. Attached to this form are each of the following, signify that each item is attached by checking the corresponding box:
   a. □ a completed Sponsor Post-Travel Disclosure Form;
   b. □ the Primary Trip Sponsor Form completed by the trip sponsor prior to the trip, including all attachments and the Grantmaking or Non-Grantmaking Sponsor Forms;
   c. □ page 2 of the completed Traveler Form submitted by the employee; and
   d. □ the letter from the Committee on Ethics approving my participation on this trip.

8. a. I represent that I participated in each of the activities reflected in the attached sponsor’s agenda. Signify statement is true by checking the box: □
   b. If not, explain: ____________________________

I certify that the information contained on this form is true, complete, and correct to the best of my knowledge.

Signature of Traveler: ____________________________ Date: 10/22/19

I authorized this travel in advance. I have determined that all of the expenses listed on the attached Sponsor Post-Travel Disclosure Form were necessary and that the travel was in connection with the employee’s official duties and would not create the appearance that the employee is using public office for private gain.

Name of Supervising Member: Nanette Diaz Barragan Date: 10/22/19

### MONDAY, OCTOBER 7TH, 2019

<table>
<thead>
<tr>
<th>TIME</th>
<th>SESSION</th>
<th>LOCATION</th>
</tr>
</thead>
</table>
| 7:00 am  | Working breakfast: Innovating to save lives: a look at CDC's end-to-end product development to prevent, detect, and respond to global health challenges. The dialogue will introduce staffers to some of the different ways CDC develops and leverages technologies in the global health space. The dialogue will provide an overview of how CDC develops diagnostic tests to identify infections in low-resource settings, test technologies such as new bednet prototypes to prevent the spread of malaria, use real-time data and surveillance systems to see a map of active Ebola cases around the world, and support PEPFAR to combat the spread of HIV/AIDS.  
- Emily Conron, Global Health Technologies Coalition  
  Hotel check-out; staffers to bring luggage to CDC | Emory Conference Center Hotel: 1615 Clifton Rd, Atlanta, GA 30329 |
| 8:00 am  | Departure for CDC                                                                                                                                   |                                              |
| 8:15 am  | Arrival at CDC; leave luggage at concierge desk                                                                                                  | Visitor's Center, Building 45               |
|          | - Ms. Randy Katsoyannis, Senior Program Analyst  
  - Mr. Thomas Mampilly, Lead, External Relations and Strategic Partnerships                                                                   |                                              |
American Society of Tropical Medicine and Hygiene, Global Health Council, and PATH/Global Health Technologies Coalition Welcomes Congressional Staff Delegation to CDC
