Mr. Adam Stewart
Office of the Honorable Rob Bishop
123 Cannon House Office Building
Washington, DC 20515

Dear Mr. Stewart:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Israel,¹ scheduled for February 14 to 22, 2020, sponsored by Rebuilding Alliance.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$390 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$390] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Theodore E. Deutch

Leadership Learning Mission to Jerusalem and the West Bank**

**With financial support provided by Rebuilding Alliance, an American 501(c)3 organization
and the Rotary Club of Woodside/Portola Valley Foudation (also a 501(c)3 org)
February 14-22nd, 2020
Detailed Agenda**

MISSION GOALS: The overall goal of this Leadership Learning Mission is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy the benefits of equal rights, and how U.S. policy and aid can support those aspirations.

RELEVANCE TO OFFICIAL DUTIES: The Leadership Learning Mission offers Congressional foreign policy staff the opportunity to further their understanding of this region of the world and to better understand the implications of American policies in the region. This fact-finding trip will:

- Provide participants with an understanding of the history of the Israeli-Palestinian conflict leading to the current conditions;
- Consider the implications and impact of Israeli control of building and planning rights in Jerusalem and the West Bank and explore successful ways to prevent the demolition of Palestinian homes, schools, and neighborhoods;
- Visit public, private, and U.N. schools in West Jerusalem, East Jerusalem, and the West Bank to understand the challenges they are facing and learn about joint efforts to address those challenges; and
- Show what the termination of all US aid means for the health and education of Palestinian children.

LOCATION: The purpose of travel to Jerusalem and the West Bank is to give Congressional Foreign policy staff the opportunity to see the evolving facts on the ground and to attend on-site meetings, where possible, to hear from Palestinians and Israelis working to safeguard human rights.

OF NOTE: This is an accompaniment tour in which Congressional staff are joined by constituents. Green Olive Collective is the tour operator selected by Rebuilding Alliance to implement this agenda.

		This presentation is relevant to the mission of the trip and the Congressional Staff’s official duties because it is providing the Staff with the base of information that they will need and draw upon throughout the remainder of the trip.
		Presenter: Itamar Shapira, LLM tour leader from Green Olive Tours
		Location: Jerusalem’s Haas Promenade, Daniel Yanofsky Street, Jerusalem, Israel
		<i>The entirety of allotted time will be covering officially-connected activity.</i>
10:00	10:30	Transportation by minibus to Sieff & Marks Middle and High School

		Presenter: Donna Baranski-Walker, Exec. Director of Rebuilding Alliance
		<i>The entirety of allotted time will be covering officially-connected activity.</i>
10:30	10:50	Participants will have a guided tour of this West Jerusalem school, the first of five school tours on our trip. This tour is useful to Congressional Staff because it provides a first-hand understanding of similarities and differences between the West Jerusalem and East Jerusalem schools, and offers them the opportunity to ask questions of a principal who is working to bridge the divide.
		Tour Guide: Yoram Haim, Principal
		Location: Sieff & Marks Middle and High School, Herzl Blvd 137 Jerusalem

10:50	11:50	Discussion with the Principal, staff, and students. 		This presentation is relevant to the mission of the trip and the Congressional Staff's official duties because it provides a strong base of information regarding both a program that the principal is a part of that focuses on one particular well-considered request for intervention on behalf of an East Jerusalem neighborhood and also a number of programs that the school is part of, that advance the peaceful aspirations of all.
		Presenter: Yoram Haim, Principal and the staff and students of the Sieff & Marks Middle and High School
		Location: Sieff & Marks Middle and High School, Herzl Blvd 137 Jerusalem

		One hour of the entire drive is a substantive presentation that will provide Congressional staff with the basis from which to better understand the new U.S. policy declaring Israel's settlements to be legal and the impact of that policy on an evolving campaign within Israel to annex portions of the West Bank and E. Jerusalem. They will have received maps in their information packet and this presentation will allow them to see some of places described on their maps and hear about the history of those places.
		Presenter: Itamar Shapira, LLM tour leader from Green Olive Tours
		<i>The entirety of allotted time will be covering officially-connected activity.</i>
12:50	13:20	Tour of the famous Khan al Ahmar Tyre School. This is the second of five schools we will visit on our trip. The Tyre School serves 150 children from four villages yet demolition orders have been issued to this and most Palestinian schools in Area C.
		This tour offers Congressional Staff a first-hand understanding of similarities and differences between the Jerusalem schools and this school in the West Bank's Area C (the 62% of the West Bank temporarily administered by the Israeli military, per the Oslo Accords).
		Tour Guide: Eid Jahalin, Spokesperson for Khan Al Ahmar
		Location: The Tyre School, Khan al Ahmar Village
		<i>The entirety of allotted time will be covering officially-connected activity.</i>
13:20	13:30	Short walk to the tent where lunch is served. Lunch will be prepared by Khan al Ahmar Women's Association, and served by young men of the village. Joining us for lunch is Rabbi Jeremy Milgrom, an early member of Rabbis for Human Rights who is a good friend of the Bedouin who

		live in this area, and Angela Godfrey Goldstein, co-director of the non-governmental organization, Jahalin Solidarity.
13:30	14:00	An overview of the village's situation, including the history of the village and time for Q/A. In September 2018, the Supreme Court of Israel rejected an appeal by the residents of the village to stop the planned demolition of their village. Without fair consideration of the village's own master plan, the Supreme Court decision approved demolition of the village and the forced relocation of its residents. This presentation will describe the history of the village and their values. With the help of professional planning services provided by an Israeli planning group, the village developed their own master zoning plan the presentation will show how the village's why allowing the village to build their future in accordance with their own zoning plan would be beneficial to all both in the village and for the neighbors too.
		This presentation is important because Congressional staff will begin to learn what this community values, the impact that forced relocation would have on them.
		Presenter: Eid Jahalin, Spokesperson for Khan Al Ahmar
		Location: Visitor's tent, Khan al Ahmar Village
		<i>The entirety of allotted time will be covering officially-connected activity.</i>
14:00	14:15	A rabbi's personal perspective on his own commitment to Al Khan Al Ahmar and the diverse communities that have come together to defend the rights of the families who live there.
		This presentation will help Congressional staff understand a commitment that stretches across boundaries.
		<i>Presenter: Rabbi Jeremy Milgrom</i>
		Location: Visitor's tent, Khan al Ahmar Village
		<i>The entirety of allotted time will be covering officially-connected activity.</i>
14:00	14:45	Overview of Bedouin issues, especially relating to displacement of Bedouin in the Jerusalem Periphery using maps, and discussion of worldwide advocacy underway to keep Khan Al Ahmar Village not only to stop demolition but to also recognize their master plan.
		This presentation will help Congressional staff understand why the international community views this issue as crucial for keeping options open for peace.
		Presenter: Angela Godfrey Goldstein, co-founder Jahalin Solidarity
		Location: Visitor's tent, Khan al Ahmar Village
		<i>The entirety of allotted time will be covering officially-connected activity.</i>
14:45	15:00	Transportation by minibus up the hill to Kfar Adumim, an Israeli Settlement
15:00	16:00	Discussion with one of the settler-advocates. Kfar Adumim is a mixed religious-secular Israeli settlement in the West Bank. It is located in the Judean Desert, on the southern bank of the Wadi Qelt valley, about 2 miles northeast of the settlement town Ma'ale Adumim, directly above the neighboring Palestinian Bedouin village of Khan al Ahmar.

		This presentation is important because it provides Congressional staff with an in-person introduction to a thoughtful effort by the settlers to care about their neighbors.
		Presenter: Ezra Korman, a resident of Kfar Adumim Settlement and a member of the 'good neighbor' group of settlers

		Breakfast
8:15	10:00	Overview of the realities of prolonged military occupation as drawn from the testimonies of children, parents, and the Israeli military.
		This presentation will provide important context for the Congressional staff so to better understand the rationale for the Israeli Army's arrest and incarceration of Palestinian children, and the impact on the children themselves.
		Presenter: Adv. Gerard Horton, Military Court Watch

		Location: Conference room at the Gloria Hotel
		<i>The entirety of allotted time will be covering officially-connected activity.</i>
10:00	10:30	Transportation by minibus to Ofer Military Prison and Court
10:30	12:45	Observation of the court proceedings for cases of Palestinian child prisoners. Military Court Watch (MCW)'s work is guided by the basic principle that children detained by the Israeli military authorities are entitled to all the rights and protections guaranteed under international law. Further, and in accordance with the principle that no State is permitted to discriminate between those over whom it exercises penal jurisdiction, there is no legal justification for treating Palestinian and Israeli children differently under Israel's military and civilian legal systems. In accordance with these principles, MCW advocates, and where appropriate, litigates, to ensure that all children that come in contact with the military legal system are treated fairly and in accordance with the law.
		Because the key goal of this LLM is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy equal rights, it is important for Congressional staff to observe this separate, unequal form of juvenile justice.
		Tour Guides: Gerard Horton, Military Court Watch
		Location: Ofer Military Court, just outside the Palestinian town of Beitunia

12:45	13:15	Transportation by minibus to Retro restaurant in Beit Hanina, East Jerusalem
13:15	13:30	Lunch at Retro restaurant in Beit Hanina, East Jerusalem
13:30	15:00	Transportation by minibus to Palestinian Susiya, southern Hebron Hills.
15:00	15:15	Overview of the history of the Palestinian village of Susiya. In 2013, the Sub-Committee for Planning and Licensing of the Civil Administration's Supreme Planning Council rejected the village's proposed master plan stating that the "women and children would be better off living somewhere else." In 2015, Israel's High Court decided that the Palestinian Village of Susiya can be demolished before its case is even heard, and the case is still pending. We'll hear their story and learn of their aspirations to see the recognition of their master plan and live and build their future on their land without fear of demolition.
		A key goal of this LLM is to consider the implications and impact of Israeli control of building and planning rights in Jerusalem and the West Bank and explore ways to prevent the demolition of Palestinian homes, schools, barns, and neighborhoods.
		Presenters: Nasser Nawaja, spokesperson of the Village Council
		Location: inside the tent home of the spokesperson for the Palestinian village of Susiya in the South Hebron Hills

		<i>The entirety of allotted time will be covering officially-connected activity.</i>
15:15	16:15	Walking tour of the Palestinian village of Susiya. Having heard the history of the village and learned their argument for approval of their master plan, it is time to see what the center of the village looks like. In 2016, the Washington Post called this "a ramshackle village with squalid tents" — but that's not because they want to live this way. Though their ownership of their land is not in question, their master plan was denied by the Israeli Civil Administration's Regional Housing Council for spurious reasons and their appeal is still pending before the Israeli High Court. It is important to note that the Regional Housing Council is made up of Israeli settlers without any Palestinian representation, and, also the Oslo Accords state that Israeli Administration of Area C was only temporary, to be transferred to Palestinian administration 18 months after the establishment of the Palestinian Legislative Council.
		Tour guides: Aysar Nawaja (16) and Ahmad Nawaja (11). Both boys have flown to Washington DC to present a briefing to Congress describing what peace means to each of them. Aysar raises ducks, chickens, turkeys, and pigeons and is keenly interested in animal husbandry. Following her meeting with Aysar in 2015, Senator Diane Feinstein began her correspondence with Prime Minister Netanyahu, https://www.feinstein.senate.gov/public/index.cfm/press-releases?ID=2E7437D1-FBA4-4052-B9F6-6EAE38611203 . The Senator wrote, "I fear that a decision to demolish the village and remove families from their own land will be judged as utterly inconsistent with Israel's core values. If Israel retains a desire to be a Jewish, democratic state, it must treat Palestinians with the same dignity and human rights as Israel's citizens."
		<i>The entirety of allotted time will be covering officially-connected activity.</i>
16:15	18:15	Transportation by minibus, return to The Gloria Hotel
18:15	19:00	Rest at the Gloria Hotel.
19:00	20:00	Supper and debrief at the Gloria Hotel with Rami Elhanan and Bassam Aramin
20:00	22:00	Personal reflections on the loss of one's child to violence. The Parents Circle Families Forum is a grassroots organization of Palestinian and Israeli families who have lost immediate family members due to the conflict. The PCFF operates under the principle that a process of reconciliation is a prerequisite for achieving a sustained peace. The Parents Forum organizes an annual ceremony in Tel Aviv and our guests will describe how that memorial proceeded.
		This presentation is a way for Congressional Staff to understand the immense value of 'third way' diplomacy and explore how U.S. policy and aid can support the peaceful aspirations of both societies.
		Presenters: Rami Elhanan co-director of the Parents Circle Families Forum, and Arab Aramin, son of the co-director of the Parents Circle Families Forum
		Location: a private conference room at the Gloria Hotel

		<u>Tuesday, Feb. 18th: UNRWA (Shuafat), Issawiya neighborhood, Jerusalem's Old City</u>
7:45	8:45	Breakfast at the Gloria Hotel
8:45	9:15	Transportation by minibus to Shuafat Refugee Camp in East Jerusalem
9:15	10:00	This presentation will describe the scope and scale of UN Relief and Works Agency for Palestinian Refugee (UNRWA)'s food, education, and emergency operations in the West Bank, Jordan, Lebanon, Syria, Israel, and Gaza. House staff will learn about the refugee crisis as a whole, and hear of the consequences of President Trump's decision to cut over \$300Mil of annual US funding to UNRWA. There will be time for questions and answers.
		A major change in U.S. policy took place in 2018 when the President chose to impound funds allocated by Congress to pay for food, education, and medical care provided by UNRWA to nearly 5.5 million Palestinian refugees. In addition, all funding for Palestinian aid was cut, both for food and medical aid projects implemented by Non-Governmental Organization contractors under contract to USAID, and direct aid to the Palestinian Authority, with the exception of funding for Palestinian security cooperation with Israel in the West Bank. This presentation is relevant to the House staffs' official duties because here they will hear about the significant impact this decision has had for UNRWA in Jerusalem and throughout the region. Recently, the foreign aid spending legislation which passed the House 207-120 and the Senate 71-23 in December, included \$75 million in humanitarian and economic aid for the West Bank and Gaza alongside another \$75 million for security aid to support the Palestinian Authority (PA), however, it did not reinstate aid to UNRWA.
		Presenter: Allegra Pacheco, Senior Team Leader, Protection and Neutrality Office
		Location: Conference room at Shufat Health Center
		<i>The entirety of allotted time will be covering officially-connected activity.</i>
10:00	10:15	Overview of Shufat Refugee Camp from the roof of Shufat Health Center
		The Shufat Refugee Camp faces serious challenges. This is the only Palestinian refugee camp located inside Jerusalem or any other Israeli-administered area. Residents hold Jerusalem ID's and pay taxes to Israel. In 2012, this refugee camp was cited in a French study as a good example of urban renewal as East Jerusalem businesses began to relocate there. However, in November, 2017, the Jerusalem municipality demolished 18 storefronts and three gas stations in East Jerusalem's Shuafat refugee camp for not having the proper building permits. The demolitions in Shuafat — a refugee camp that lies on the Palestinian side of the Green Line but is in the greater Jerusalem footprint — were the most extensive since the construction of the security fence over a decade ago.
		This presentation is relevant to the House staffs' official duties because this overview will show the proximity of Shuafat to other Jerusalem neighborhoods.
		Presenter: Thaer Jalloud - Chief Area Officer, UNRWA – Jerusalem
		Location: the roof of the Shufat Health Center
		<i>The entirety of allotted time will be covering officially-connected activity.</i>

10:15	10:45	Protection Briefing: Life under occupation specifically focusing on protection issues for children in and out of school. although this is a Jerusalem neighborhood, city services including community policing and garbage pick-up are minimal.
		This presentation is relevant to the House staffs' official duties because they are required to advise on policy decisions that impact peace and security. How the neighborhood of Shuafat is treated impacts the peace and security of Jerusalem.
		Presenter: Romain Estebe, Protection and Neutrality Officer
		Location: a conference room inside the Shufat Health Center
		<i>The entirety of allotted time will be covering officially-connected activity.</i>
10:45	11:05	Walking tour in the Shufat Refugee Camp, from the health center to the Shuafat Girls' School
		The walking tour will help the travelers gain a sense of what life in an UNRWA-administered refugee camp is like. This can also be a time for one-to-one discussion with the UNRWA staff. This is related to the staff's official duties because U.S. policy is directly and severely impacting the services provided to Palestinian refugee camps.
		Leader: Thaer Jalloud
		Location: Shufat Refugee Camp
		<i>The entirety of allotted time will be covering officially-connected activity.</i>
11:05	11:25	Meeting with the School Parliament (children). This is the third school of five that we plan to visit on the Leadership Learning Mission. This tour is useful to Congressional Staff because it provides them with a first-hand understanding of what UNRWA schools are like, including the challenges they face.
		Facilitator: Thaer Jalloud
		Presenters: The girls who are the elected representatives of their school.
		Location: Shufat Girls' School
		<i>The entirety of allotted time will be covering officially-connected activity.</i>
11:25	11:50	Transportation by minibus to Issawiya Girls Comprehensive School
11:50	12:15	Participants will have a guided tour of the school, the fourth of five schools we will visit on our trip. This tour is useful to Congressional Staff because it provides them with a first-hand understanding of similarities and disparities between the West Jerusalem and East Jerusalem schools, and offers them the opportunity to ask questions.
		Tour Guide: Afaf Kadumi, Principal
12:15	13:15	Discussion with the Principal. Discussion will include an overview of the Parents' Strike and the impact of the August 30th Principals Together letter and subsequent efforts to negotiate a removal

		of police presence during school hours. Members of the Parents Club may join us for this discussion.
		This presentation is relevant to the mission of the trip and the Congressional Staff's official duties because it examines the response to a particular well-considered effort to provide the same safety and care to children in an East Jerusalem neighborhood as is experienced by all other children in Jerusalem.
		Presenter: Afaf Kadumi, Principal
		Location: Issawiya Girls Comprehensive School, Issawiya neighborhood, Jerusalem
		The entirety of allotted time will be covering officially-connected activity.
13:15	13:30	Transportation by minibus to Morduch Restaurant in Machne Yehuda market, Jerusalem
13:30	14:30	Lunch at Morduch Restaurant
14:30	14:50	Transit by street-car through West Jerusalem to the Old City
14:50	17:30	Guided walking tour of Old City, Jerusalem.
		This will include an overlook of the Wailing Wall, the Dome of the Rock and Al Aqsa Mosque, the Holy Sepulcher Church, and other significant religious, historical, and cultural sites and neighborhoods to help Congressional staffers and constituents begin to understand the varied aspirations of Palestinians and Israelis and provide a better understanding of what the New York Times calls, "a distinctly 20th-century story, with roots in colonialism, nationalism, and anti-Semitism."
		A major objective is to provide the Congressional Staff with an understanding of the history of the Israeli-Palestinian conflict leading to the current conditions and any discussion of that history must include the historical sites within the walls of the Old City of Jerusalem.
		Tour Guide: Itamar Shapira, Green Olive Cooperative
		Location: Old City of Jerusalem
		<i>The entirety of allotted time will be covering officially-connected activity.</i>
17:30	18:00	Walk back to the Gloria Hotel
18:00	18:45	Rest and free time.
18:45	19:00	Walk to Al-Ma'mal Foundation for Contemporary Art, New Gate, Old City (just up the street from our hotel)
		Al Ma'mal Foundation for Contemporary Art (Al Ma'mal), is a non-profit organization based in a former tile factory inside the Old City of Jerusalem. Since its inception in 1988, Al Ma'mal has constituted a cultural hub for art, cultural vibrancy & learning, through providing a diverse

		program of exhibitions, live music, public lectures and workshops. Taking the local community and the city's visitors as target audience, the foundation aims to create cultural and learning bridges between Jerusalem and the world, promoting its cultural and artistic scene and highlighting its presence as a complex, culturally rich, ageless city.								
19:00	20:00	Supper catered by the Al-Ma'mal Foundation for Contemporary Art								
20:00	21:30	A panel discussion about zoning and planning in the West Bank's Area C, including the Jordan Valley, and in Jerusalem. 12,500 demolition orders are pending against Palestinian homes, schools, barns, and water cisterns in so-called Area C and as far as we know, not even one demolition order has ever been reversed. With a trade war underway, the presentations will also include discussion of the Jordan Valley export crisis.								
		This presentation will provide important context for the Congressional staff so to better understand trends in Israeli law and the implications of recent changes in land law. Together we'll explore possible ways forward.								
		Presenters: (1) Ms. Nava Sheer, a mapping expert from Bimkom: Planners for Planning Rights (an Israeli human rights group); (2) Atty. Danny Seidemann, a leading Israeli expert on the politics of Jerusalem and how the city will fit into a two-state resolution; (3) Mr. Mohammad Khader, founder, Lausanne Trading Consultants

		<u>Wednesday, Feb. 19th: Wadi Hummus, Ramallah meeting, Jordan Valley, Al Aqaba Village</u>								
7:00	7:45	Early breakfast to-go								
7:45	8:00	Transportation by minibus to Sur Baher neighborhood of East Jerusalem, Wadi Humus district which is in Area A of the West Bank, but on the Jerusalem side of the Separation Barrier, just 3.5 miles downhill from the U.S. Embassy.								
8:00	8:30	The presentation by the Wadi Hummus town council will describe what happened on January 22nd when four homes and an apartment building in the West Bank's Area A were destroyed by the Israeli Army, just a day after a ruling by Israel's High Court. The presentation will include review of the court decision and maps, and exploration of what it would take to rebuild.								
		This presentation will provide Congressional staff with an opportunity to understand the challenges of building and planning in Palestinian neighborhoods when Israel asserts eminent domain near the Separation Barrier. This is relevant to the House staffs' official duties because U.S. intervention may help prevent this demolition from setting a precedent and also may be able to prevent the demolitions of Palestinian homes and neighborhoods in the future.								

		Presenter: Mohammed Hamada, chairperson of the Wadi Hummus Town Council
		Location: Offices of the Wadi Hummus Town Council
8:30	8:45	Walking tour along the road next to the Security Fence to the site of where one of the homes and the apartment building once stood and visit with the family to discuss their next steps.

11:00	13:00	Transportation by minibus to Al Aqaba Village in the north of the Jordan Valley, in the West Bank's Area C
13:15	14:30	Lunch for all prepared by Al Aqaba Rural Women's Association
		Location: Women's Center Room adjacent to the Kindergarten Building
14:30	15:00	Presentation of the history and challenges faced and facing the Palestinian village of Al Aqaba in the West Bank's Jordan Valley in so-called Area C. In 2004, the Israeli Army issued demolition orders against all the homes in Al Aqaba Village and also against the medical clinic, the mosque, and the kindergarten that was built from contributions by hundreds of Americans. In 2008, the Israeli High Court ruled in favor of the village stating that 'for the time-being, the center of the village will remain standing.' In addition to the kindergarten and conference center, the village is home to the Ibn Rush'd Library, a mosque with double minarets in the shape of a peace sign, a tea factory, a cheese factory, and most recently, many new homes built with village-issued building permits, the first in Area C. Israeli, Palestinian, and international peacemaker teams are invited to join us — RSVP's required.
		This presentation will show how a Palestinian village would thrive if their master plan was recognized — Al Aqaba is a great place to see what peace can look like.

		<p>Presenter: Haj Sami Sadek Sbaih, Mayor of Al Aqaba. From 1972 until 2002, Al Aqaba Village was used for live-fire training exercises by the Israeli Army. Mayor Haj Sami Sadeq was 16 years old when he became the first victim of that unfettered training program and has been in a wheelchair since that time. When the shooting happened, Israel provided emergency medical care and rehabilitation for many years within Israel so the mayor speaks fluent Hebrew. He deeply believes that no one, not on any side, should ever experience what has happened to him. He welcomes all who come in peace.</p>
		<p>Location: The Mayor's office on the ground floor of the Kindergarten Building</p>
		<p><i>The entirety of allotted time will be covering officially-connected activity.</i></p>
15:00	16:00	<p>Walking tour of Al Aqaba's kindergarten (the 5th school in our series), tea factory, community park, goat cheese factory, and past the homes that were finished without demolition orders. Rebuilding Alliance was instrumental in helping build the kindergarten and in 2011, we organized a design charette to help villagers design and build their own homes. Al Aqaba is the first Palestinian village to provide their own building permits for construction of homes in their village. Rebuilding Alliance worked with the Al Aqaba Housing Cooperative to launch the Rebuilding to Remain home construction finance program, and we crowd-funded affordable loans for the construction of three homes. The people of the village have continue to build in accordance with their village-issued building permits and a remarkable town has taken shape. This tour is relevant to the House staff's official duties because (1) it is important to see what a Palestinian village looks like when the village is allowed to thrive, (2) seeing this will allow House staff to consider how U.S. policy and aid can support the aspirations of Palestinian village who seek to stay on their land by preventing the demolition of Palestinian homes, schools, and neighborhoods, and (3) to hear from this important Palestinian leader who is working to safeguard human rights.</p>

16:00	16:45	<p>Transportation by minibus back to Bardala Village, through the Tayaseer Checkpoint, passing settlement outposts</p>
		<p>Presenters: Dafna Banai who is part of Machsom Watch, will join us on the bus to describe what we will be seeing in the Jordan Valley.</p>
		<p><i>The entirety of allotted time will be covering officially-connected activity.</i></p>
16:45	17:15	<p>Visit to Bardala to see the Israeli Army's destruction of a water pumping station for the village and its agriculture while installing a pumping station exclusively for settler agriculture within 50 yards of the damaged pump.</p>
		<p>This visit is relevant to the House staff's official duties because it is important for staff to see not only the positive example that Al Aqaba brings forward but also understand the very real challenges of most villages in the Jordan Valley. Bardala is also facing a serious water crisis while the settlement next door is fully green. This is amplified in drought years like 2019. Bardala is receiving demolition orders for building without an unattainable permit. Dafna and her colleagues are called to act as a peaceful presence when Israeli settlers threaten the shepherds and their families.</p>
		<p>Presenters: Dafna Banai who is part of Machsom Watch, will join us on the bus to describe what we will be seeing in the Jordan Valley.</p>

19:30	20:30	Dinner at Gloria Hotel	
20:30	21:45	Debriefing - a discussion with the lawyer who is representing Al Aqaba Village. This discussion is relevant because it is important to answer the staff's detailed questions about the places they saw in their visits. Facilitators: Adv. 7:00	7:20	Early breakfast	
7:20	9:00	Early transportation by minibus to " <i>Partners & Co, A Fine Space For Lawyers</i> " in Tel Aviv Presentation and discussion focused on the 'peaceful presence shifts' that West Jerusalemites are organizing at the request of the Palestinian families in East Jerusalem neighborhoods in the hope of documenting and possibly preventing the harassment the neighborhoods are experiencing or the demolition of their homes. This is relevant to the House staff's official duties because (1) it is important for them to understand the depth of the crisis in the East Jerusalem neighborhoods by hearing from those working to safeguard the neighborhoods; and (2) because intervention by Congressional offices in times of crisis can bring calm, safety, and may be able to re-establish fair law. Presenters: Dina Chizhik and Shaindy Ort Location: on the minibus <i>One hour of allotted time will be covering officially-connected activity.</i>	
9:00	10:15	An overview of the Israeli Legal System and recent changes in Israeli law	

		A key Israeli lawyer for at-risk Palestinian neighborhoods in both E. Jerusalem and Palestinian villages in the West Bank will meet with us to describe his efforts to assert fair rule of law. This is an opportunity for the travelers to ask questions about what we saw earlier in the week: East Jerusalem and Palestinian Area C planning issues, human rights, child detentions. Yesh Din – Volunteers for Human Rights is an Israeli organization registered as a non-profit in Israel. Yesh Din is subject to Israeli law and is served by a volunteer corps and by a professional staff, lawyers and human rights experts. Yesh Din was established in 2005 and has since worked to protect the human rights of Palestinians living under Israeli armed forces' occupation.

10:15	10:30	Transit by minibus or walking (optional) to Gisha Office, Derech Menachem Begin, Tel Aviv-Yafo
10:30	11:30	<p>Presentation: an overview of the challenges facing children and families in Gaza. Since the 1967 occupation of the West Bank and Gaza Strip, Israel's military has developed a complex system of rules and sanctions to control the movement of the 4.5 million Palestinians who live there. The Israeli human rights group, Gisha, whose name means both "access" and "approach," will describe the legal assistance and public advocacy they use to protect the rights of Palestinian residents. Because freedom of movement is a precondition for exercising other basic rights, Gisha's work has a multiplier effect in helping residents of the occupied territories access education, jobs, family members and medical care.</p> <p>This is relevant to the House Staffs' official duties because (1) it is important for them to understand the challenges that ordinary people are facing in Gaza; and (2) because intervention by Congressional offices can overcome barriers and assure calm, health, and safety.</p> <p>Presenter: Tania Hary, Executive Director of the Gisha Legal Center for Freedom of Movement</p> <p>Location: Gisha Office</p> <p><i>The entirety of allotted time will be covering officially-connected activity.</i></p>
11:30	13:30	The overall goal of this Leadership Learning Mission is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy the benefits of equal rights, and how U.S. policy and aid can support those aspirations. Because the World Bank is reporting that the Gaza economy is close to collapse, we want our delegates to hear directly from Non-Governmental Organizations (NGOs) in Gaza and from the UN to learn exactly what "close to collapse means" and to explore what action to take to ameliorate the malnutrition and hopelessness that will grow worse unless something changes. Rebuilding Alliance has worked with NGOs' in Gaza since 2003, many of which are affiliated with the UN Relief and Works Agency for Palestinian Refugees and Palestinian Non-Governmental Organizations. Rebuilding Alliance is currently working with four Palestinian NGOs in our program to send solar-powered lanterns to Gaza's children, and we've precleared and sent 35,600 lanterns through the blockade so far. We want to speak directly with people who live in Gaza. At present, the US Government

	bars US Government employees from travelling to Gaza, the area where over 2 million Palestinians live. Therefore, we are planning teleconference discussions with UNRWA Gaza Operations Director Matthias Schmale and the Gaza speakers many of whom are associated with Palestinian NGO's in Gaza.
	Israel's blockade of Gaza has continued for 12 years now producing immense suffering among the people who live there. A goal of our LLM is to show what the termination of all US aid means for the health and education of Palestinian children. Though we cannot bring our delegation there, we can talk with those who live there to get their assessment. This is relevant to the staff's official duties because Congress (1) has the ability to ameliorate suffering, (2) can intervene to lift the blockade to allow Gaza exports to reach U.S. markets and (3) can intervene to allow U.S. food to reach Gaza families.
	Here is the list of NGO and UN speakers we are inviting as speakers. In addition, we are inviting Israeli human rights activists and writer, Amos Gvirtz , to make an introduction and to stay with us to listen to the Gaza presenters. Amos' book, <i>Don't Say We Didn't Know</i> , is formulated with the understanding that on both sides of the Israeli – Palestinian conflict there are people who want the same thing: peace and protection of human rights.

		Presentation by Adalah – The Legal Center for Arab Minority Rights in Israel which is a human rights organization and legal center. Adalah’s mission is to promote human rights in Israel in general and the rights of the Palestinian minority, citizens of Israel, in particular (around 1.5 million people, or 20% of the population). This work also includes promoting and defending the human rights of all individuals subject to the jurisdiction of the State of Israel (e.g. Palestinian residents of the OPT). This presentation will discuss the status of minorities and will also address the recent announcement by the International Criminal Court that potential cases would be admissible before the ICC.							
		This is relevant to the House Staff's official duties because minority rights in Israel became more fragile with the passage of a 'Basic Law' in Israel stating that only Jewish Israelis are entitled to self-determination. It is important for them to understand the implications of this law on minorities in Israel.

7:30	8:00	Transportation by minibus to the U.S. Embassy in Jerusalem							
8:00	9:45	Meeting with Assistant DCM/PAU Chief Chris Hodges at the U.S. Embassy. This meeting will include a discussion about the State Department’s role in Jerusalem, the West Bank, and Gaza. Congressional staff and guests will have the opportunity to ask questions about the “on the ground” operating environment.							
		This is relevant to the House staff's official duties because the U.S. Embassy will present the official U.S. policy on the many topics of special interest to the delegation including the proposed American peace plan and also much of what we saw earlier in the week: East Jerusalem and Palestinian Area C planning issues, human rights, child detentions, Gaza aid, Israel security, the							

		confiscation of a portable school classroom from Susiya School, and the sudden blockade of exports of West Bank Palestinian dates and olive oil to neighboring countries.
		Presenter: Assistant DCM/PAU Chief Chris Hodges and other members of the U.S. Embassy team
		Location: U.S. Embassy annex, Jerusalem, Agron Road
9:45	10:15	Transportation by minibus to Bethlehem
10:15	11:15	Tour of the Church of the Nativity. This tour will provide valuable historical and cultural context. A major objective is to provide the Congressional Staff with an understanding of the history of the Israeli-Palestinian conflict leading to the current conditions and any discussion of that history must include some of the historical and religious sites. Tour guide: George Zeidan, recent Fullbright Scholar (USC) and co-founder of Right to Movement which is the group that started the Palestine Marathon, held annually in Bethlehem. Location: Church of the Nativity, Manger Square, Bethlehem <i>The entirety of allotted time will be covering officially-connected activity.</i>
11:15	11:30	Walk back to the bus (a tourist area, much like Jerusalem)
11:30	12:15	Transportation to Hebron
12:15	13:15	Walking tour of the Palestinian-access side of Hebron The issue of Palestinian homes being taken over by Israeli settlers is prevalent in Hebron. An understanding of the city will help the delegation learn what this means for Palestinian homeowners. A major objective is to provide the Congressional Staff with an understanding of the history of the Israeli-Palestinian conflict leading to the current conditions and any discussion of that history must include discussion of the historical sites and current conditions in Hebron. Tour Guides: Ret. Atty. Hisham Sharabati Itamar Shapira of Green Olive Cooperative will be assisting by conducting our tour in Jewish-only areas. Location: We will meet at the Christian Peacemaker Teams office, then walk through the market that is closed-down in central Hebron The walking tour will include a falafel sandwich light lunch in Hebron H1 area <i>The entirety of allotted time will be covering officially-connected activity.</i>
13:15	14:00	Our goal in visiting Hebron is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy the benefits of basic human rights. We will hear from the Christian Peacemaker Teams (CPT), a U.S. organization that brings Americans and internationals to live in Hebron at the invitation of local peacemaking communities that are confronting situations of conflict. CPT's mission is "to follow God's Spirit as it works through local

		peacemakers who risk injury and death by waging nonviolent direct action to confront systems of violence and oppression.”								
		A major objective is to provide the Congressional Staff with an understanding of the challenge the local peacemakers in Hebron are facing, including the challenges the Americans are facing in their efforts to provide a peaceful presence there, and why a peaceful presence is requested by Palestinian families who live there.								
		Presenters: Christian Peacemakers Teams (CPT)								
		Location: CPT Office near Shuhada street, Hebron								
		<i>The entirety of allotted time will be covering officially-connected activity.</i>								
14:00	14:15	Itamar brought snacks for us								
14:15	14:45	Transit by minibus to Jewish-only side of Hebron								
		Debriefing - a facilitated discussion of the day’s issues. What we experience in Hebron requires discussion because, as noted by the Jerusalem Post, "Hebron was once a model of Jewish-Muslim coexistence, but is now typified by a very strained ... relationship between its Israeli and Palestinian residents. The name Hebron in both Hebrew and Arabic – Hevron and al-Khalil – is derived from the root meaning “friend.” The city, holy to both Jews and Muslims, is believed to be the burial place of some of Judaism and Islam’s most consequential patriarchs and matriarchs.								
		A major objective is to provide the Congressional Staff with an understanding of this complex history — so this discussion will provide time for questions, answers, and more questions.								
		<i>The entirety of allotted time will be covering officially-connected activity.</i>								
14:45	15:15	Tomb of the Patriarchs, Jewish side (not accessible to Muslims), with Itamar								
		A major objective is to provide the Congressional Staff with an understanding of the history of the Israeli-Palestinian conflict leading to the current conditions and any discussion of that history must include some of the historical and religious sites. Please note: all muslims, including members of our delegation, will be denied entry.								
		Presenter: Itamar Shapira, Green Olive Tour Guide								
		<i>The entirety of allotted time will be covering officially-connected activity.</i>								
15:15	15:45	Shuhada restricted Jewish-only zone								
		To understand the division of Hebron, one should see what this Israeli settlement in downtown Hebron looks like.								
		A major objective is to provide the Congressional Staff with an understanding of the history of the Israeli-Palestinian conflict leading to the current conditions and any discussion of that history must include discussion of the historical sites and current conditions in Hebron, from both sides of the border lines.

Invited Offices and Why We Invited Them:

Last year, Rebuilding Alliance invited the foreign policy legislative aides from specific offices because the Members had signed a letter urging support for Palestinian human rights or they were on the House Foreign Affairs Committee, the Senate Foreign Relations Committee, or an Appropriations Committee. This time, we asked all Representatives and Senators to invite a member of their staff to join Rebuilding Alliance's Leadership Learning Mission to Israel and the West Bank. Each office is inviting the staff member for whom the trip will be most relevant to their official duties. In addition, constituents emailed a total of 418 requests, asking their Representative and Senators to invite their staff.

Here are the Congressional Offices that have expressed an intention to join the LLM 2.0

Further, and in accordance with the principle that no State is permitted to discriminate between those over whom it exercises penal jurisdiction, there is no legal justification for treating Palestinian and Israeli children differently under Israel's military and civilian legal systems. In 2008, the Israeli High Court ruled in favor of the village stating that 'for the time-being, the center of the village will remain standing.' In addition to the kindergarten and conference center, the village is home to the Ibn Rush'd Library, a mosque with double minarets in the

• **Dec. 19th, Thursday Gaza Day (and possible US Embassy morning)**

- **8:00-9:00 *Tentative Hold*** Meeting with the U.S. Ambassador and U.S. Embassy Staff. This meeting will include a discussion about the State Department's role in Jerusalem, the West Bank, and Gaza. Congressional staff and guests will have the opportunity to ask questions about the "on the ground" operating environment. Topics of special interest to the delegation include: East Jerusalem and Palestinian Area C planning issues, human rights, child detentions, Gaza aid and trade efforts and the possibility of sending U.S. food to Gaza to ease the malnutrition. RA is inviting lawyers for at-risk Palestinian neighborhoods in E. Jerusalem and for Palestinian villages in the West Bank to join our delegation for this visit as we are requesting US Embassy intervention to keep Palestinian villages safe from demolition and to de-escalate Israeli police violence.

- **Meet speakers from Gaza in Israel and via teleconference**

Our goal overall is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy the benefits of basic human rights. Because the World Bank is reporting that the Gaza economy is close to collapse, we want our delegates to hear directly from Non-Governmental Organizations (NGOs) in Gaza and the UN to learn exactly what "close to collapse means" and to explore what action to take to ameliorate malnutrition. Rebuilding Alliance has worked with NGOs in Gaza since 2003, many of which are affiliated with the UN Relief and Works Agency for Palestinian Refugees and Palestinian Non-Governmental Organizations. Rebuilding Alliance is currently working with four Palestinian NGOs in our program to send solar-powered lanterns to Gaza's children, and we've precleared and sent 27,000 lanterns through the blockade so far. We want to speak directly with people

who live in Gaza. At present, US Government employees are prohibited from travelling to Gaza. So we are planning as follows:

- Plan 1: Jerusalem. We have applied to bring our 13 speakers out of Gaza to meet with the team in Jerusalem and the UN team will also join us. Here is our list of NGO and UN speakers:
 1. Dr. Yasser abu-Jamei, Exec. Director, Gaza Community Mental Health Programme
 2. Dr. Sami Owaida, Child Psychiatrist, Gaza Community Mental Health Programme
 3. Najah Ayash, Exec. Director, Women's Project Center – Rafah
 4. Eid Shaqura, Exec. Director, Al Basma Club for the Disabled
 5. Iyad al-Igel, Exec. Director, Youth Vision Society
 6. Ziyad al-Abed, Exec. Director, El-Amal Rehabilitation Society
 7. Neveen abu-Naser, coordinator, Rebuilding Alliance
 8. Kareem Nasrallah, coordinator, Rebuilding Alliance
 9. Mohammed Mansour, photographer, Rebuilding Alliance
 10. Sana Latefa, photographer, Rebuilding Alliance
 11. Walid Rouke
 12. Walid's wife
 13. Omnia Mohammed, writer, We Are Not Numbers
 14. Matthias Schmale, UNRWA Gaza Operations Director

Note: UNRWA submitted these applications to the Israeli Government on Nov. 13th however because Israel's review process currently takes 55 days, diplomatic assistance is required to allow their permit to be reviewed in time to allow for their meeting with our delegation. As such, we have a back-up plan to bring our group to Ashkelon.

- Plan 2: Teleconference with the Gaza speakers from Palestinian NGOs if they are denied permits to enter Israel
- Plan 3: Visits in person and by teleconference
- Bring the UN staff and the few or only Gaza speaker(s) who receive exit permits to meet with us at a conference room at UNRWA headquarters in Jerusalem, and also have a teleconference with those who are not granted transit permits.

Here is the detailed agenda for the day:

- **8:00-9:00** Breakfast or US Embassy visit
- **9:30-10:00** Transit to UNRWA headquarters, Jerusalem
- **10:00-12:00** Teleconference at UNRWA headquarters, Jerusalem

- **12:30 -13:30** Discussion with Dina Chisik and Shaindy Ort who are arranging for students at Hebrew University to join us to describe their 'shifts' to provide a peaceful presence for Palestinian families and neighborhoods in East Jerusalem
- **13:30 Afternoon off for shopping or a day trip to the Dead Sea**
- **For those with energy, optional:**
 - **13:30-14:30** bag lunches on the bus, travel to Ashkelon
 - **14:30-15:30** Meeting with a spokesperson of the Regional Council of Israel's Shaar Ha Negev area, – but not within the Regional Council area so to remain in accordance with US State Dept. guidelines which state, "U.S. government employees must observe additional security requirements if traveling for any reason to ... within 7 miles of the Gaza demarcation line."

- **7:30-8:00** Transit to the US Embassy
- **8:00-9:00 *Tentative Hold*** Meeting with the U.S. Ambassador and U.S. Embassy Staff. - **10:00-11:15** Departure for Hebron
- **11:15-12:00** Christian Peacemakers Teams (CPT)- Our goal is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy the benefits of basic human rights. We chose to hear from CPT because CPT places teams at the invitation of local peacemaking communities that are confronting situations of lethal conflict. Their mission is "*to follow God's Spirit as it works through local peacemakers who risk injury and death by waging nonviolent direct action to confront systems of violence and oppression.*" Itamar Shapira of Green Olive Cooperative will be assisting by conducting our tour in Jewish-only areas.
