March 16, 2022

Mr. Ryan Morgan
Office of the Honorable Ilhan Omar
1730 Longworth House Office Building
Washington, DC 20515

Dear Mr. Morgan:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Honduras and Guatemala,¹ scheduled for March 19 to 27, 2022, sponsored by Witness for Peace, Institute for Policy Studies, CISPES Education Fund, Network in Solidarity with the People of Guatemala (NISGUA), and School of the Americas Watch Educational Fund.

This approval represents the Committee's determination that the proposed trip complies with relevant House rules, federal laws, and Travel Regulations promulgated by the Committee. You should engage in your own assessment of the risks and implications of engaging in travel during the current COVID-19 pandemic.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$415 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts “of minimal value [currently \$415] tendered as a souvenir or mark of courtesy” by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

If you have any further questions, please contact the Committee’s Office of Advice and Education at extension 5-7103.

Sincerely,

Theodore E. Deutch
Chairman

15b.2. Reason for selecting the location of the trip: The objective of the delegation is to hear directly from Central Americans about the impacts of US policies on migration. This is best served by visiting Central American countries and visiting grassroots organizations. The specific places in Honduras and Guatemala were picked because they allow us to connect with communities affected by US policies in the region. We also prioritized places where the organizers have strong relationships and can ensure the safety of the delegates.
