2437 Rayburn House Office Building
Washington, DC 20515

Dear Ms. Milenkevich:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Israel,¹ scheduled for May 27 to June 4, 2022, sponsored by Rebuilding Alliance.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$415 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$415] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Dear House Ethics Committee,

Rebuilding Alliance invited the following staff to all House and Senate offices: Chief of Staff, Legislative Director, Senior Staff for Foreign Policy, and Communications Director, a total of 2108 email invitations.

We invited them in this way because each of their official duties do indeed require insight and understanding regarding this region. This is the same list that Rebuilding Alliance has been inviting to meet with Israeli and Palestinian experts on Zoom briefings with constituents. We do such briefing about every month -- and these are not lobbying calls because this is never about legislation.

Congressional StaffDel Leadership Learning Mission to Jerusalem and the West Bank

With financial support provided by Rebuilding Alliance, an American 501(c)3 organization

May 28 - June 3, 2022

Detailed Agenda as Completed

MISSION GOALS: The overall goal of this Leadership Learning Mission is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy the benefits of equal rights, and how U.S. policy and aid can support those aspirations.

RELEVANCE TO OFFICIAL DUTIES: The Leadership Learning Mission offers senior Congressional staff the opportunity to further their understanding of this region of the world and to better understand the implications of American policies in the region, to better support constituents. This fact-finding trip will:

- Provide participants with an understanding of the history of Jerusalem, the West Bank, and Gaza leading to the current conditions;
- Consider the implications and impact of Israeli control of building and planning rights in East Jerusalem and the West Bank and explore successful ways to prevent the demolition of Palestinian homes, schools, water systems, and neighborhoods;
- Visit Palestinians and Israelis who work for peace and justice to understand the challenges they are facing, learn about their efforts including joint efforts to address those challenges, consider what Congress is uniquely able to do to support such efforts, and how this makes a difference; and
- Show how US aid benefits the health and education of Palestinian children.

LOCATION: The purpose of travel to Jerusalem and the West Bank is to give senior Congressional staff the opportunity to see the evolving facts on the ground, attend on-site meetings, and where possible, to hear from Palestinians and Israelis working together to keep neighborhoods standing and safeguard human rights.

Of Note: Holy Land Trust is the tour operator selected by Rebuilding Alliance to implement this fact-finding mission.

			<p><u>Sunday May 29, 2022: Bethlehem.</u></p> <p>Note: Many people anticipated that violence would erupt in Jerusalem due to the controversial flag march. Because the U.S. Embassy issued a Security Alert preventing U.S. employees from entering the Old City on Sunday, May 29th, Rebuilding Alliance changed our schedule to start our LLM 3.0 in Bethlehem instead of Jerusalem. We notified the House Ethics Committee and the U.S. Embassy's Regional Security Officer of this change, and asked if it would be possible for us to stay overnight in Bethlehem if safe return to our Jerusalem hotel was not possible. We received the following reply, "If there is an emergency situation and you need to change lodging, then that would likely be an exceptional circumstance and would be allowable. It would just need to be reflected on the post-travel paperwork."</p> <p>At 6pm Sunday, when our driver, who lives in East Jerusalem, expressed concern about our return to Jerusalem, we relocated to stay at the Manger Square Hotel in Bethlehem, just across from the Nativity Church and down the street from the office of our tour agency, Holy Land Trust.</p>
	Start Time	End Time	
	8:00	8:45	Breakfast
	9:00	9:05	Meet in the Saint George Hotel lobby to depart to first destination
	9:05	9:30	Transportation by mini bus to Bethlehem
1:15:00	9:30	10:45	Discussion with Holy Land Trust
			<p>What: Delegation begins the trip by learning about Rebuilding Alliance and our partner for this delegation, the Holy Land Trust., as well as getting to know one another. We also were introduced to the historical, political, and geographic issues in the area.</p> <p>Why: This information provides context and setting for what we will be learning throughout the week.</p> <p>Location: Holy Land Trust office, Old City Bethlehem</p> <p>Tour Guide: Elias D'eis, Executive Director of HLT and facilitator, Said Zarzar</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>
1:45:00	10:45	12:30	Tour of Rachel Tomb Area from Bethlehem side/ The Wall
			<p>What: A look at the wall and the area around Rachel's Tomb (inaccessible from the Bethlehem side), a site that is important for both Palestinians and Israelis but that is now almost entirely encircled by the wall- and accessible only to Israelis. This visit includes a walk along the separation wall and an introduction to the geo-politics of the Bethlehem area.</p> <p>Why: The separation wall has been called a security measure by some and a land grab by others. It has long been controversial due to its route- which cuts deep into Palestinian territory and separates Palestinian communities. One of the missions of this trip is to discuss barriers to peace and the separation wall has long been considered by the Palestinians to be an Israeli attempt to create more facts on the ground, and to include as much Palestinian land on the Israeli side as possible.</p> <p>Presenter: Said Zarzar, HLT Tour Guide</p>

			<p>Location: Bethlehem</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>
	12:30	13:15	Lunch at Memories of Bethlehem restaurant, Bethlehem
	13:30	14:15	Shopping at Local Souvenir Shop: Mitri Souvenir Shop, Bethlehem
	14:15	14:30	Transit to Church of the Nativity, Bethlehem
1:15:00	14:45	16:00	Visit the Church of Nativity, Old City of Bethlehem, Star Street area
			<p>What: Walking tour of the Old City area of Bethlehem- to include Manger Square and the Church of the Nativity. The Church of the Nativity is the oldest site continuously used as a place of worship in Christianity, and the basilica, dating back to 325/26 is the oldest major church in the Holy Land.</p> <p>Why: "This presentation is relevant to the mission of the trip and the Congressional staff's official duties because it meets one major goal of this trip: to provide participants with an understanding of the history of the region, which includes religious and historical.</p> <p>Location: Manger Square, Bethlehem</p> <p>Tour Guide: Sana Sansour</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity</p>
0:20:00	16:00	16:20	Drive to Al Walajeh Village
0:55:00	16:20	17:15	Meeting with Khader Al-Araj, head of Village Council, and Adv. Ibrahim Al-Araj, attorney
			<p>What: Al-Walajeh provides a unique introduction to the administrative and military "areas" of the West Bank- portions of the village are located in Areas B, and C. The village also is an example of the impact of vast settlement blocs on Palestinian villages in the area. Home demolitions are considered to be disruptive to the establishment of conditions that should lead to a future peace deal- and Al-Walajeh currently has large numbers of homes facing demolition.</p> <p>Why: This presentation is relevant to the mission of the trip and the Congressional staff's official duties because it addresses many of the issues that are seen to impact peace in the region: settlement takeover of Palestinian village lands, home demolitions, and discriminatory planning policies. Understanding these issues and seeing a village that is being impacted by them will give staff insight into the challenges faced by Palestinian communities on multiple fronts.</p> <p>Location: Al-Walajeh Village</p> <p>Presenter: Khader Al-Araj; Ibrahim Al-Araj</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>
0:45:00	17:15	18:00	Visit with Khaled Abu Khyara Family

			<p>What: The Abu Khyara family had their home demolished in recent years. Our partner in the planning of this delegation, the Holy Land Trust, funded and assisted in the rebuilding of the family's home.</p> <p>Why: One of the goals of this delegation is to discuss the remedies to some of the issues in the area, and how those remedies can lead to a longer lasting peace. Organizations that are rebuilding demolished homes are working towards that goal.</p> <p>Location: Al-Walajah Village</p> <p>Presenter: The Abu Khayra family</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity</p>
	18:00	18:05	Ruben Goddard, Jr. arrived at Ben Gurion airport and joined our team
	18:05	18:30	Transportation by mini bus to Manger Square Hotel, Bethlehem for check-in
0:30:00	18:45	20:00	Taxis to Dinner at Shepherd's Tent Restaurant, Beit Sahour
6:45:00	20:00		Overnight at Manger Square Hotel, Bethlehem
	Start Time	End Time	<u>Monday May 30, 2022: Jerusalem Area</u>
	8:00	9:00	Breakfast
	9:00	10:30	Free time in Bethlehem
0:30:00	10:30	11:00	Transit by Minibus to Haas Promenade
			<p>What: The drive between Bethlehem and Jerusalem provides the opportunity to see the block of settlements that separates the two areas, effectively cutting the Bethlehem area from Jerusalem- the city to which it has been connected for several thousand years. In our case it also offered a sense of what closure is like because the Bethlehem/Jerusalem checkpoint was entirely shut down. Our bus driver had to take an alternate route.</p> <p>Why: Settlement construction has been described as one of the main impediments to peace and to realizing a two state solution. Seeing the layout of settlements helps one understand how the future prospect of peace is impacted by the Gilo Settlement bloc.</p> <p>Where: Bethlehem-Jerusalem</p> <p>Presenter: Itamar Shapirra, LLM Guide</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>
0:30:00	11:00	11:30	Haas Promenade, view over Jerusalem

Any discussion of that history must include the historical sites in the Old City of Jerusalem.</p> <p>Tour Guide: Itamar Shapirra, LLM tour guide</p> <p>Location: Old City of Jerusalem</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>

0:45:00	12:00	12:45	<p>Al Aqaba Village Meeting</p> <p>What: This is the first Palestinian Village in Area C to issue its own building permits — and for the 12 years, no demolition orders were issued against the new homes — that changed in January, placing the whole village at risk of demolition and especially the homes under construction. The walking tour of Al Aqaba's kindergarten, tea factory, community park, goat cheese factory, and past the homes that were finished without demolition orders. Rebuilding Alliance was instrumental in helping build the kindergarten and in 2011, we organized a design charrette to help villagers design and build their own homes. Rebuilding Alliance worked with the Al Aqaba Housing Cooperative to launch the Rebuilding to Remain home construction finance program, and we crowd-funded affordable loans for the construction of three homes. The people of the village have continued to build in accordance with their village-issued building permits and a remarkable town has taken shape.</p> <p>Why: This tour is relevant to the House staff's official duties because (1) it is important to see what a Palestinian village looks like when the village is allowed to thrive, (2) seeing this will allow House staff to consider how U.S. policy and aid can support the aspirations of Palestinian village who seek to stay on their land by preventing the demolition of Palestinian homes, schools, and neighborhoods, and (3) to hear from this important Palestinian leader who is working to safeguard human rights.</p> <p>Note: Rebuilding Alliance continues to crowdfund and provide grants for the kindergarten in Al Aqaba as well as to the Al Aqaba Housing Cooperative Association for their home construction finance program.</p> <p>Tour Guide: Khaled Sawafta (Head of Village Council), Rawheya Alsbaiah (Chair of the Rural Women's Association), Hisham Sbaih (Chair of the Al Aqaba Cooperative Assembly for Housing the Displaced & Head of Agricultural Association)</p> <p>Location: Al Aqaba</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>

Last year, the Israeli Army confiscated the portable classroom and shade structures. Israeli settlers stole their water tanks. RA has partnered with Middle East Children's Alliance to bring this back</p> <p>Why: Staff will learn about the the issues impacting education for Palestinian children, particularly in remote and rural areas. They will also have the opportunity to be introduced to RA advocacy work to see the impact that the occupation has on education.</p> <p>Presenter: Principal Jafar Fuqha</p> <p>Location: Al Maleh Elementary School</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>

1:00:00	16:00	17:00	Meeting with Rabbi Arik Ascherman and Bedouin Shepherds in al-Auja
			<p>What: The Israeli settlement movement openly advocates for the creation of "agricultural settlements" to plunder or destroy Palestinian crops, and disrupt traditional shepherding to damage the food supply and threaten the farmers and herders to make them up and leave. Palestinians in this rural area face land, crop, and water theft and settler violence.</p> <p>Why: This is related to the mission of the trip and the Congressional staff's official duties because part of our mission is to meet with people and groups working to bring peace and security for all.</p> <p>Presenters: Rabbi Arik Ascherman, from Torat Tzedek, Bedouin shepherds</p> <p>Location: Al-Auja countryside</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>

			<p>What: Military Court Watch will introduce their work to the delegation, and prepare them with context and background information to their visit to Ofer Prison.</p> <p>Why: Because the key goal of this LLM is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy equal rights, it is important for Congressional staff to observe this separate, unequal form of juvenile justice.</p> <p>Presenters: Gerard Horton and Salwa Duiabis, Military Court Watch</p> <p>Location: Meeting room in the St. George Hotel, East Jerusalem</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>
0:30:00	10:00	10:30	Transportation by bus to Ofer Military Prison
2:00:00	10:30	12:30	<p>Observation of court proceedings</p> <p>What: Observation of court proceedings for cases of Palestinian child prisoners. Military Court Watch (MCW)'s work is guided by the basic principle that children detained by the Israeli military authorities are entitled to all the rights and protections guaranteed under international law. Further, and in accordance with the principle that no State is permitted to discriminate between those over whom it exercises penal jurisdiction, there is no legal justification for treating Palestinian and Israeli children differently under Israel's military and civilian legal systems. In accordance with these principles, MCW advocates, and where appropriate, litigates, to ensure that all children that come in contact with the military legal system are treated fairly and in accordance with the law.</p> <p>Why: Because the key goal of this LLM is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy equal rights, it is important for Congressional staff to observe this separate, unequal form of juvenile justice.</p> <p>Tour Guides: Gerard Horton, Salwa Duaibis, Military Court Watch</p> <p>Location: Ofer Military Court, just outside the Palestinian town of Beitunia</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>

0:30:00	15:45	16:15	Meeting with representatives from the NGO Gisha
			<p>What: Gisha is an organization that works to protect the freedom of movement of Palestinians, mostly those that live in Gaza.</p> <p>Why: This is relevant to the mission of the trip and the Congressional staff's official duties because one of the goals of our trip is to meet groups working towards peace. Meeting Israelis who work and advocate on behalf of Palestinians is part of this. The siege on Gaza has had a major impact on peace and security in the entire region.</p> <p>Presenter: Rebecca Lederkramer</p> <p>Location: Office of Gisha, Tel Aviv</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>
	16:15	16:30	Walking to the nearby law office of Adv. Michael Sfard
0:45:00	16:30	17:15	Meeting with Michael Sfard
			<p>What: Meeting with a prominent Israeli attorney that Rebuilding Alliance works with. One of the discussion topics will center on Palestinian civil society and the recent designation of 6 key Palestinian CSOs as illegal- this designation was made last October and still has not been seen as having any merit for most of the international community. Solutions for how to continue to support Palestinian civil society will be discussed. Both speakers will present an overview of history, policies, and what has led to the current crisis.</p> <p>Why: This is relevant to the mission of the trip and the Congressional staff's official duties because one of the goals of our trip is to meet groups working towards peace. Meeting Israelis who work and advocate on behalf of Palestinians is part of this. For peace and stability to be achieved, Palestinian civil society must be supported and strengthened.</p> <p>Presenter: Adv. Michael Sfard Yesh Din</p> <p>Location: Michael Sfard's Law Office in Tel Aviv</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>

This has brought humanitarian issues to the forefront- but also security issues. Discussing life in Gaza will allow staffers to see what is happening there, and how it impacts the prospect for peace and security for all in the region.</p> <p>Presenter: Heba Khozondar and Nesbah, RA staff in Gaza</p> <p>Location: Gisha Offices, Tel Aviv</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>

An understanding of the city will help the delegation learn what this means for Palestinian homeowners. The delegation will also visit the Ibrahimi Mosque and other historical sites of importance.</p> <p>Why: A major objective is to provide the Congressional Staff with an understanding of the history of the Israeli-Palestinian conflict leading to the current conditions and any discussion of that history must include discussion of the historical sites and current conditions in Hebron.</p> <p>Presenter: Tariq Tamimi, Founding Director, Hebron Chamber of Commerce and industry</p> <p>Location: Old City, Hebron</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>
0:45:00	11:00	11:45	<i>Transit from Hebron to Susiya</i>
0:45:00	11:45	12:30	<i>Overview of the history of the Palestinian village of Susiya</i>

			<p>What: Overview of the history of the Palestinian village of Susiya. In 2013, the Sub-Committee for Planning and Licensing of the Civil Administration's Supreme Planning Council rejected the village's proposed master plan stating that the "women and children would be better off living somewhere else." In 2015, Israel's High Court decided that the Palestinian Village of Susiya can be demolished before its case is even heard, and the case is still pending. We'll hear their story and learn of their aspirations to see the recognition of their master plan and live and build their future on their land without fear of demolition.</p> <p>Why: A key goal of this LLM is to consider the implications and impact of Israeli control of building and planning rights in Jerusalem and the West Bank and explore ways to prevent the demolition of Palestinian homes, schools, barns, and neighborhoods. Susiya is also an example of a place that is still standing today because of Congressional intervention.</p> <p>Presenters: Nasser Nawaja, spokesperson of the Susiya Village Council and B'Tselem Regional Staff, Fatma Nawaja - head of Susiya Rural Women's Association and Social Worker with Rebuilding Alliance</p> <p>Location: Inside the tent home of the spokesperson for the Palestinian village of Susiya in the South Hebron Hills</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>
	12:30	1:30	Lunch in Susya
	1:30	1:45	Transit by tour bus to village of At-Tuwani
1:15:00	1:45	3:00	At-Tuwani meeting w/ Youth of Sumud
			<p>What: At-Tuwani is one of only six villages in Area C granted a master plan by the Israeli Army (2013). As such, it should be safe from demolition — but five homes and a youth center are facing demolition orders. Youth of Sumud, founded in 2017, is a Palestinian grassroots human rights org that advocates principles of nonviolence in all community-building activities in the South Hebron Hills Region of the West Bank. The Youth of Sumud Center is an activities center and a guest house for Americans, Canadians, and Israelis. It serves as the main office of Youth of Sumud since settlers destroyed their building in nearby Sarura in June 2021.</p> <p>Why: A core goal of the trip is to bring staffers to visit Palestinians and Israelis who work for peace and justice, to understand the challenges they are facing, learn about their efforts including joint efforts to address those challenges, and consider what Congress is uniquely able to do to support such efforts.</p> <p>Location: Youth of Sumud Center, At-Tuwani</p> <p>Presenters: Sami Hureini, Youth of Sumud, co-Founder.</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>
0:30:00	15:00	15:30	Meet Nidal Younis, Masafer Yatta Village Council Head

		<p>What: At-Tuwani is also the gateway to the threatened Masafer Yatta region. Currently designated as Firing Zone 918. Despite having inhabited the area for generations, 12 villages are facing eviction and demolition in this area. These actions are widely perceived as a preliminary to Israeli seizure of the land. A pivotal court ruling in May allows the military to forcibly evict the residents.</p> <p>Why: A core goal of the trip is to consider the implications and impact of Israeli control of building and planning rights in the West Bank and explore successful ways to prevent the demolition of Palestinian homes, schools, water systems, and neighborhoods.</p> <p>Presenter: Nidal Younis, Head of Masafer Yatta Villages Council</p> <p>Location: At-Tuwani Youth of Sumud Center</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>
15:30	16:15	<p>Walk to the village of Rakeez (10 min); discussion.</p> <p>What: Rakeez is one of the 12 Masafer Yatta villages whose case will soon be decided by Israel's High Court. Demolition of their homes has meant that many families returned to living in caves. A young man from this village, Harun abu Aram, was shot by the Israeli military last year and remains paralyzed.</p> <p>Why: This discussion and visit is relevant to the mission of the trip and the Congressional staff's duties because the forced relocation of the villages of Masafer Yatta is illegal under international law. The case is gaining international attention with 2 Congressional letters having been sent to the U.S. Secretary of State urging intervention.</p> <p>Presenter: Nidal Younis, Head of Masafer Yatta Villages Council</p> <p>Location: Village of Rakeez</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>
1:45:00	16:15 18:00	<p>Transit by tour bus past Mufaqarra, and Khirbet Al Dale to Um Al Kheir Village</p> <p>What: The drive will provide a sense of the cost to these communities of the Firing Zone areas. The delegation then travels to the Palestinian Bedouin village of Umm Al Kheir, immediately adjacent to the Israeli settlement of Carmel.</p> <p>Why: This is relevant to the mission of the trip and the staff's official duties because it shows the challenges of settler incursion into village lands and the impact of discriminatory planning regimens.</p> <p>Presenter: Eid Suleiman, artist, activist, and staff of Rebuilding Alliance, a resident of Umm Al Kheir who presented to Congress in 2017 and 2018</p> <p>Location: Masafer Yatta</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>

Congressional staff and guests will have the opportunity to ask questions about the "on the ground" operating environment.</p> <p>Why: This 'off the record' discussion is relevant to the House staff's official duties because the U.S. Embassy will present the official U.S. policy on the many topics of special interest to the delegation including discussions we held earlier in the week: East Jerusalem and Palestinian Area C planning issues, human rights, child detentions, Gaza aid, Israel and Palestinian safety and security, prospects for return of confiscated portable school classrooms, and hope for peace agreements.</p> <p>Presenter: Desiree Baron, Jill Hutchings</p> <p>Location: U.S. Embassy annex, Jerusalem, 18 Agron Road</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity.</p>

1:00:00	10:30	11:30	Meeting with the family of journalist Shirin Abu Akhle, Beit Hanina
			<p>What: In recent weeks, the issue of journalist safety and threats to journalism in Israel and the West Bank have come to the forefront of news, even in the United States, as Shireen was killed by an Israeli soldier and she is an American citizen.</p> <p>Why: According to Reporters Without Borders, 35 journalists have been killed in the Occupied Palestinian Territories by the Israeli military since 2000. The U.S. State Dept. has visited the Abu Akleh family and offered condolences. A Congressional letter to the State Dept. and the FBI calls for an American investigation, since Israel announced they won't investigate further. Meeting with the family will give the delegation an opportunity to discuss what happened to Shireen, and also discuss the broader issue of journalism under attack in the area.</p> <p>Presenter: Anton Abu Akleh (Shireen's uncle)</p> <p>Location: Beit Hanina (East Jerusalem)</p>

1:00:00	12:00	13:00	Meeting Abu Khamees and residents of Khan al Ahmar
			<p>What: Khan Al Ahmar, a Bedouin community standing between Jerusalem and the E1 corridor/Maale Adumim settlement bloc, has long been threatened with forced displacement. This village, which predates the settlements around it, is one of the last Palestinian villages standing in the way of connecting the massive Maale Adumim settlement bloc to Jerusalem. Our meetings are with local leaders and residents to discuss the history of the area, the current legal standing of the court case filed against the community pressing for relocation, the recurring attacks by some of the settlers who live in the neighboring Kfar Adumim, and the efforts by other Kfar Adumim settlers to keep them safe.</p> <p>Why: E1 refers to the area between Jerusalem and the Maale Adumim- a massive bloc of settlements outside Jerusalem and in the West Bank. The small Bedouin community of Khan Al Ahmar has been at the center of court cases in Israel for years, with the State wanting the community evacuated, and moved elsewhere. They say it is for the community's own good, but the skeptics say it is to remove the final barrier to making Maale Adumim part of the Greater Jerusalem area and Israel proper. This area has received much international support from Europe and the U.S., that has helped keep it standing for now.</p> <p>Presenter: Eid Abu Khamees Jahalin</p> <p>Location: Khan Al Ahmar</p> <p><i>Assurance: The entirety of allotted time will be covering officially-connected activity</i></p>
	13:00	14:00	Lunch in Khan al Ahmar
1:00:00	14:00	15:00	Meeting with Dr. Danny Turner of Kfar Adumim
			<p>What: Meeting with a local leader from the settlement nearby to Khan Al Ahmar, Kfar Adumim</p> <p>Why: This is relevant to the mission of the trip because one of the things that our program is exploring is ways that various groups, from both sides, are able to come together to work towards peace. Contrary to the overriding narrative, there are some Israelis living in Israeli settlements who are working to help ensure that their Palestinian neighbors are able to stay on their land. Khan Al Ahmar, long a community facing court cases and potential displacement, is one such community. Some of the Israelis in Kfar Adumim speak out to keep Khan Al Ahmar standing.</p> <p>Presenter: Dr. Danny Turner</p> <p>Location: Khan Al Ahmar</p> <p><i>Assurance: The entirety of allotted time will be covering officially-connected activity</i></p>

1:30	15:00	16:30	Meeting with Mahmoud Salhiah

			<p>What: Mahmoud Salhiah and his wife Lital had their home in Sheikh Jarrah demolished in January. Rebuilding Alliance brought their case before Congressional staff to explain what it was that happened and possible remedies. The family now hopes to buy land in the town of Bayt Iqsa, overlooking historical Lifta and the village of Ein Karem (where Mahmoud's grandfather and his family lived before being expelled in 1948) and build a new home and work the land.</p> <p>Why: This is related to the mission of the trip because one the goals of the trip is to understand the impact of home demolitions on Palestinian communities- and to discuss the broader implications of actions such as home demolitions, and what impact they have on the possibility of peace and reconciliation.</p> <p>Presenter: Mahmoud Salhiah and guide Itamar Shapirra</p> <p>Location: a private home in Bayt Iqsa</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity</p>

	17:30	19:15	Farewell Dinner at Wahat al-Salam Restaurant
			<p>What: Farewell Dinner and time for reflection in this intentionally mixed Jewish/Palestinianin Community.</p> <p>Why: Wahat al-Salam – Neve Shalom (WAS- is a village of Palestinian and Jewish citizens of Israel dedicated to building justice, peace and equality in the country and the region. Situated equidistant from Jerusalem and Tel Aviv-Jaffa, the community was established in 1970 by Fr. Bruno Hussar on land of the Latrun Monastery. It is a model of equality, mutual respect and partnership that challenges existing patterns of racism and discrimination as well as the continued conflict. The community has established educational institutions based on its ideals and conducts activities focused on social and political change. Many of the village members work in peace, justice and reconciliation projects. It has a population of 70+ families and will grow to 150 families.</p> <p>Location: Wahat al-Salam/Neve Shalom (a village in Israel)</p> <p>Presenter: Donna Baranski-Walker (RA Executive Director), Elias D'eis (HLT Executive Director), Itamar Shapirra (LLM Tour Guide)</p> <p>Assurance: The entirety of allotted time will be covering officially-connected activity</p>
