Dear Ms. Sorrendino:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Seattle, Washington, scheduled for June 26 to 28, 2022, sponsored by Women’s High Tech Coalition. We remind you that, because the trip sponsor employs a federal lobbyist, you may participate in officially-connected activity on one calendar day only.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than $415 from a single source on the “Travel” schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

12. The Women’s High Tech Coalition is convening a one-day trip to Seattle to bring together pragmatic policy influencers from various tech-related organizations and the public sector to have an engaging discussion on tech policy. The mission of the Women’s High Tech Coalition is to promote the exchange of ideas among leaders in the public and private sectors whose focus is technology, innovation and the development of public policy related to technology.

The Women’s High Tech Coalition (WHTC) is the sole organizer of this trip. WHTC is planning the day and is responsible for the organization and execution of the day’s logistics and programming content. Participants are expected to include policymakers and business leaders from the tech sector.
