1110 Longworth House Office Building
Washington, DC 20515

Dear Ms. Galbreath:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Israel,¹ scheduled for August 13 to 21, 2022, sponsored by Rebuilding Alliance and Rotary Club Woodside Portola Valley Foundation.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$415 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$415] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

It has long been controversial due to its route- which cuts deep into Palestinian territory and separates Palestinian communities. Why: One of the missions of this trip is to discuss barriers to peace and the separation wall has long been considered by the Palestinians to be an Israeli attempt to create more facts on the ground, and to include as much Palestinian land on the Israeli side as possible. 		Description
13	16:45 - 17:30 Al Walajeh Village Council's tour of town	What: Al-Walajeh provides a unique introduction to the administrative and military "areas" of the West Bank, as portions of the village are located in Areas B, and C. The village also is an example of the impact of vast settlement blocs on Palestinian villages in the area. Home demolitions are considered to be disruptive to the establishment of conditions that should lead to a future peace deal- and Al-Walajeh currently has large numbers of homes facing demolition. Why: This presentation is relevant to the mission of the trip and the Congressional staff's official duties because it addresses many of the issues that are seen to impact peace in the region: settlement takeover of Palestinian village lands, home demolitions, and discriminatory planning policies. Understanding these issues and seeing a village that is being impacted by them will give staff insight into the challenges faced by Palestinian communities on multiple fronts. Location: Al-Walajeh Village Presenter: Khader Al-Araj (mayor) and Ibrahim Al-Araj (attorney for village). Assurance: The entirety of allotted time will be covering officially-connected activity.
14	17:30 - 18:15 Visit with Khaled Abu Khyara Family whose demolished home was rebuilt	What: The Abu Khyara family had their home demolished in recent years. Our partner in the planning of this delegation, the Holy Land Trust, funded and assisted in the rebuilding of the family's home. Why: One of the goals of this delegation is to discuss the remedies to some of the issues in the area, and how those remedies can lead to a longer lasting peace. Organizations that are rebuilding demolished homes are working towards that goal. Location: Al-Walajeh Village Presenter: The Abu Khayra family Assurance: The entirety of allotted time will be covering officially-connected activities.

The Israeli Settlement of Har Homa was built on private land on Abu Ghneim Mountain, displacing a beautiful forest. History: This is the Palestinian village that in 1989 during the first Intifada (uprising) chose a form of nonviolent tax resistance — neither filing nor paying their taxes because there's no representation." "No taxation without representation," said a statement from the organizers. "The military authorities do not represent us, and we did not invite them to come to our land." Location: Beir Sahour Village Presenter: Elias D'eis, our tour guide, is on the Beit Sahour Village Council Assurance: The entirety of allotted time will be covering officially-connected activity.

2 08:30-10:15: Presentation by Military Court Watch at Hotel	What: Military Court Watch will introduce their work to the delegation, and prepare them with context and background information to their visit to Ofer Prison. Why: Because the key goal of this LLM is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy equal rights, it is important for Congressional staff to observe this separate, unequal form of juvenile justice. Presenters: Gerard Horton and Salwa Duiabis, Military Court Watch Location: Meeting room in the Manger Square Hotel, Bethlehem Assurance: The entirety of allotted time will be covering officially-connected activity
3 10:15-11:00: Transportation by bus to Ofer Military Prison	1. To bring the passport/ID submitted to us; 2. No electronics are allowed into the court (cameras, phones, e.watches, iPads...etc.). There are toilets there but better to be prepared beforehand.
4 11:00-13:30: Observation of court proceedings	Observation of court proceedings What: Observation of court proceedings for cases of Palestinian child prisoners. Military Court Watch (MCW)'s work is guided by the basic principle that children detained by the Israeli military authorities are entitled to all the rights and protections guaranteed under international law. Further, and in accordance with the principle that no State is permitted to discriminate between those over whom it exercises penal jurisdiction, there is no legal justification for treating Palestinian and Israeli children differently under Israel's military and civilian legal systems. In accordance with these principles, MCW advocates, and where appropriate, litigates, to ensure that all children that come in contact with the military legal system are treated fairly and in accordance with the law. Why: Because the key goal of this LLM is to explore how the peaceful aspirations of all can be furthered when Palestinians and Israelis both enjoy equal rights, it is important for Congressional staff to observe this separate, unequal form of juvenile justice. Tour Guides: Gerard Horton, Military Court Watch Location: Ofer Military Court, just outside the Palestinian town of Beitunia Assurance: The entirety of allotted time will be covering officially-connected activity.

7	13:15-14:00: Lunch in Susya	
8	14:00-14:45: Overview of the history of the Palestinian village of Susiya walking tour	What: Overview of the history of the Palestinian village of Susiya. In 2013, the Sub-Committee for Planning and Licensing of the Civil Administration's Supreme Planning Council rejected the village's proposed master plan stating that the "women and children would be better off living somewhere else." In 2015, Israel's High Court decided that the Palestinian Village of Susiya can be demolished before its case is even heard, and the case is still pending. We'll hear their story and learn of their aspirations to see the recognition of their master plan and live and build their future on their land without fear of demolition. Why: A key goal of this LLM is to consider the implications and impact of Israeli control of building and planning rights in Jerusalem and the West Bank and explore ways to prevent the demolition of Palestinian homes, schools, barns, and neighborhoods. Presenters: Nasser Nawaja, spokesperson of the Susiya Village Council and B'Tselem Regional Staff, Fatma Nawaja - head of Susiya Rural Women's Association and Social Worker with Rebuilding Alliance Location: Rural Women's Center, Susiya Presenter: Fatma Nawaja, social worker and chair of Rural Women's Association (RA Staff), Assurance: The entirety of allotted time will be covering officially-connected activity.

Despite having inhabited the area for generations, 12 villages are facing eviction and demolition in this area. These actions are widely perceived as a preliminary to Israeli seizure of the land. A pivotal court case holds their fate in the balance. Why: A core goal of the trip is to consider the implications and impact of Israeli control of building and planning rights in the West Bank and explore successful ways to prevent the demolition of Palestinian homes, schools, water systems, and neighborhoods. Presenter: Nidal Younis, Head of Masafer Yatta Villages Council Location: At-Tuwani Youth of Sumud Center Assurance: The entirety of allotted time will be covering officially-connected activity.

11 15:30-16:45: At-Tuwani meeting w/ Youth of Sumud	What: At-Tuwani is one of only six villages in Area C granted a master plan by the Israeli Army (2013). As such, it should be safe from demolition — but five homes and a youth center are facing demolition orders. Youth of Sumud, founded in 2017, is a Palestinian grassroots human rights org that advocates principles of nonviolence in all community-building activities in the South Hebron Hills Region of the West Bank. The Youth of Sumud Center is an activities center and a guest house for Americans, Canadians, and Israelis. It serves as the main office of Youth of Sumud since settlers destroyed their building in nearby Sarura in June 2021. The Center for Jewish Nonviolence, in their Hineinu (We Are Here) program brings internationals to live for three months in the South Hebron Hills / Masafer Yatta and engage in solidarity activities in partnership with Youth of Sumud. Why: A core goal of the trip is to bring staffers to visit Palestinians and Israelis who work for peace and justice, to understand the challenges they are facing, learn about their efforts including joint efforts to address those challenges, consider what Congress is uniquely able to do to support such efforts. Presenters: Sami Hureini, Youth of Sumud, co-Founder, Sam Stein, Organizer, All That's Left Location: At-Tuwani Youth of Sumud Center Assurance: The entirety of allotted time will be covering officially-connected activity.

The delegation then travels to the Palestinian Bedouin village of Umm Al Kheir, immediately adjacent to the Israeli settlement of Carmel. Why: This is relevant to the mission of the trip and the staff's official duties because it shows the challenges of settler incursion into village lands and the impact of discriminatory planning regimens. Why: According to Reporters Without Borders, 35 journalists have been killed in the Occupied Palestinian Territories by the Israeli military since 2000. The U.S. State Dept. has visited the Abu Akleh family and offered condolences. 	Description
10 15:00-15:45 Meet Abu Khamis, spokesperson for Khan Al Ahmar	What: Khan Al Ahmar, a Bedouin community standing between Jerusalem and the E1 corridor/Maale Adumim settlement bloc, has long been threatened with forced displacement. This village, which predates the settlements around it, is one of the last Palestinian villages standing in the way of connecting the massive Maale Adumim settlement bloc to Jerusalem. Our meetings are with local leaders and residents to discuss the history of the area, the current legal standing of the court case filed against the community pressing for relocation, the recurring attacks by some of the settlers who live in the neighboring Kfar Adumim, and the efforts by other Kfar Adumim settlers to keep them safe. Why: E1 refers to the area between Jerusalem and the Maale Adumim- a massive bloc of settlements outside Jerusalem and in the West Bank. The small Bedouin community of Khan Al Ahmar has been at the center of court cases in Israel for years, with the State wanting the community evacuated, and moved elsewhere. They say it is for the community's own good, but the skeptics say it is to remove the final barrier to making Maale Adumim part of the Greater Jerusalem area and Israel proper. This area has received much international support from Europe and the U.S., that has helped keep it standing for now. Presenter: Eid Abu Khamees Jahalin Location: Khan Al Ahmar Assurance: The entirety of allotted time will be covering officially-connected activities.
11 15:45-16:45 Discussion w Dr. Dan Turner regarding Kfar Adumim	What: Meeting with a local leader from the settlement nearby to Khan Al Ahmar, Kfar Adumim Why: This is relevant to the mission of the trip because one of the things that our program is exploring is ways that various groups, from both sides, are able to come together to work towards peace. Contrary to the overriding narrative, there are some Israelis living in Israeli settlements who are working to help ensure that their Palestinian neighbors are able to stay on their land. Khan Al Ahmar, long a community facing court cases and potential displacement, is one such community. Some of the Israelis in Kfar Adumim speak out to keep Khan Al Ahmar standing. 15	18:45-19:45 Zoom Meeting with Dr. Yasser to discuss Gaza situation	What: We will meet, via teleconference, with RA staff and partner organizations that are based in Gaza to hear about his work and life, and the challenges faced with living under a prolonged siege. Yasser Abu-Jamei, a Palestinian Psychiatrist who obtained in 2012 MSc in Clinical Neuropsychiatry (with distinction) from Birmingham. In 2015 he received the award of best Alumnus achievement from the Said Foundation on his work in developing mental health sector in Gaza and the GCMHP crisis response plan after the 2014 war on Gaza. He also received the Alumnus of the year award from the University of Birmingham in 2016 and the Community Resilience Award from Rebuilding Alliance 2021. Dr Abu-Jamei is a member of the Task Force which developed the National Mental Health Strategy 2015-2019 in Palestine. In 2020, with a group of Palestinian mental health professionals he cofounded the Palestine Global Mental Health Network. He has large Interest in Capacity building programmes, neuropsychiatry, and advocacy and lobbying activities. He is certified as a Trainer of Trainers in the field of supervision and care for caregivers from the Free University of Berlin. Since January 2014, Dr Abu Jamei is the director general of Gaza Community Mental Health Programme, a leading mental health services provider in Palestine. He recently coauthored papers that looks into integrating public health and human rights approach into mental health in the Gazan context. Why: This is relevant to the mission and to the Congressional staff's official duties because Gaza has been under blockade for nearly 15 years now. This has brought humanitarian issues to the forefront- but also security issues. Discussing life in Gaza will allow staffers to see what is happening there, and how it impacts the prospect for peace and security for all in the region. Tour Guide: Itamar Shapira, LLM tour guide Location: Jerusalem-Ramallah Assurance: The entirety of allotted time will be covering officially-connected activity.
4 09:00-11:00 Meet with Right to Enter Group	What: The Government of Israel unilaterally denies entry or return to the West Bank and Gaza via the international Israeli borders at Ben Gurion Airport, Allenby Bridge, Sheikh Hussein Bridge, and Eilat. Most of those affected are Palestinian natives, spouses, children, parents and other close relatives of Palestinian ID holders. The policy affects entire families or individual members of families, like the father or the mother of minor children. As a result, families are torn apart, jobs or businesses lost and personal property becomes inaccessible. The practice applies to people with and without Palestinian or Arab origins, and to those with and without local family relations. In addition to families, effected groups include professionals and academics who are in the oPt for teaching, research, the arts, business, visiting or volunteering their services. Most of these individuals have never overstayed their visitor's visas or breached any visiting regulations. The Right to Enter Campaign emerged in response to an escalation of entry denials and restrictions in 2006. RTE has concentrated its efforts on monitoring developments on the issues of 40,000 families affected by the current Israeli policy that denies entry to foreign passport holders to the occupied Palestinian territory (oPt) and advocating on their behalf. Why: Rebuilding Alliance aims to explore how peace can be achieved through equal treatment of Palestinians and Israelis. These discriminatory laws and policies targeting foreigners, including American Palestinians should be of major concern to Congress because of the discrimination of a particular group of American citizens. The U.S is reviewing a request by the Government of Israel to participate in the US Visa Waiver program — this discriminatory policy is inconsistent with the terms and conditions of the US Visa Waiver program. 6 12:30-13:15 Meeting the family at Nedah's House	What: Due to heat, we will drive between sites. Rebuilding Alliance was instrumental in helping build the kindergarten and in 2011, we organized a design charette to help villagers design and build their own homes. Rebuilding Alliance worked with the Al Aqaba Housing Cooperative to launch the Rebuilding to Remain home construction finance program, and we crowd-funded affordable loans for the construction of three homes. The people of the village have continued to build in accordance with their village-issued building permits and a remarkable town has taken shape — but a January 2022 High Court decision put the whole village at risk. RA is continuing its work with the Housing Cooperative and is financing the completion of 8 homes currently, some which are under the threat of demolition where a case before the courts is pending. This meeting is with Nedah and his family, a family currently living in a home that has a demolition order, and a home RA helped build. Why: This home visit will allow Congressional staff to consider how U.S. policy and aid can support the aspirations of Palestinian village who seek to stay on their land by preventing the demolition of Palestinian homes, schools, and neighborhoods. Tour Guides: Rebuilding Alliance Engineer Roba Daraghmeh; Meeting with Nedah Location: Al Aqaba Assurance: The entirety of allotted time will be covering officially-connected activity. Additional information: What: This is the first Palestinian Village in Area C to issue its own building permits — and for the 12 years, no demolition orders were issued against the new homes — that changed in January 2022, with the demolition of one home, placing the whole village at risk of demolition. There are currently 3 structures under threat of demolition and an ongoing court case. Why: This visit and tour is relevant to the House staff's official duties because (1) it is important to see what a Palestinian village looks like when the village is allowed to thrive, (2) seeing this will allow House staff to consider how U.S. policy and aid can support the aspirations of Palestinian villages who seek to stay on their land by preventing the demolition of Palestinian homes, schools, and neighborhoods in Area C. Tour Guides: Eng. Roba Daraghmeh, Rebuilding Alliance Location: Al Aqaba Kindergarten Building Assurance: The entirety of allotted time will be covering officially-connected activity.
