## EMPLOYEE POST-TRAVEL DISCLOSURE FORM Original Amendment

This form is for disclosing the receipt of travel expenses from private sources for travel taken in connection with official duties. This form does not eliminate the need to report privately-funded travel on the annual *Financial Disclosure Statements* of those employees required to file them. In accordance with House Rule 25, clause 5, **you must complete this form and file it with the Clerk of the House, by email at [gifttravelreports@mail.house.gov](mailto:gifttravelreports@mail.house.gov), within 15 days after travel is completed.** Please **do not** file this form with the Committee on Ethics.

**NOTE: Willful or knowing misrepresentations on this form may be subject to criminal prosecution pursuant to 18 U.S.C. § 1001.**

1. Name of Traveler: Darian David

2. a. Name of Accompanying Relative: \_\_\_\_\_ OR None

b. Relationship to Traveler:  Spouse  Child  Other (specify): \_\_\_\_\_

COMMITTEE ON ETHICS

Washington, DC 20515

September 2, 2022

Ms. Darian David  
Office of the Honorable Carol D. Miller  
465 Cannon House Office Building  
Washington, DC 20515

Dear Ms. David:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Japan,<sup>1</sup> scheduled for September 10 to 17, 2022, sponsored by United States Association of Former Members of Congress.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$415 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$415] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

---

<sup>1</sup> Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or [ohsstaff@mail.house.gov](mailto:ohsstaff@mail.house.gov). House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Guided tour of the historic Kumamoto Castle, a symbol of the city recently finished with renovations following a devastating series of earthquakes in 2016. Discussion with a local guide will cover its history and role in the region, from feudal defense to modern landmark.

Kumamoto Castle is a hilltop Japanese castle located in Kumamoto, Kumamoto Prefecture. It has been an important fixture for the region, most famously hosting government soldiers during the Satsuma Rebellion in the Meiji Era. The castle keep is a concrete reconstruction built in 1960, but several ancillary wooden buildings remain of the original castle. Kumamoto Castle is considered one of the three premier castles in Japan, and thirteen structures in the castle complex are designated Important Cultural Property by the government of Japan. The castle is considered an important part of city and prefectural identity, and its reconstruction and renovation are seen as a prime example of utilizing a local landmark as a regional driver of growth and development.

Dear Colleague:

On behalf of the Congressional Study Group on Japan (CSGJ) and the Association of Former Members of Congress (FMC), it gives us great pleasure to invite you to participate in our Third Annual U.S. District Director Study Tour to Japan.

The 2022 Study Tour will take place from September 10 - 17 and will visit Tokyo and Fukuoka. Premium Economy airfare, lodging, ground transportation, and scheduled meal costs will be paid for by FMC, a congressionally-chartered, 501(c)(3) non-profit organization, in partnership with the generous support from the Japan-US Friendship Commission, created by Congress in 1975. We have funding for eight District Directors from the House. Participants are expected to attend all official meetings/programs throughout the duration of the Study Tour. Please note that participation is available on a first-come, first-served basis for a diverse, bipartisan delegation. This privately-sponsored travel will be reported to the House Ethics Committee and is not part of the Mutual Educational and Cultural Exchange Act (MECEA).

The Congressional Study Group on Japan (CSGJ) – a non-partisan, non-advocacy legislative exchange housed in the U.S. Association of Former Members of Congress (FMC), a congressional chartered 501(c)(3) non-profit organization– has more than twenty years of history conducting successful, high-level, discussion-driven study tours for Members of Congress and senior congressional staff, which complement an active calendar of year-round programs on Capitol Hill. Fervently non-partisan and non-advocacy, our model promotes an active, substantive discussion among all principals and the development of lasting working relationships based on mutual respect and understanding.

The Study Tour for District Directors provides an exciting new opportunity to build U.S.-Japan relationships at the regional and local levels of government and civil society, beyond the traditional Washington-Tokyo relationship. In 2018, the Congressional Study Group on Japan convened their successful inaugural trip for District and State Directors to Tokyo and Tohoku (Sendai and Fukushima). The 2019 Study Tour to Japan visited Tokyo and Okinawa. Together with a variety of leading officials and experts from academia, civil society, industry, the media, and government, you will have the opportunity to discuss topics of mutual concern and areas for cooperation, including:

#### LEADERSHIP:

**The Hon. Charles Boustany**, *President* | **The Hon. L.F. Payne**, *President-Elect*  
**The Hon. Ann Marie Buerkle**, *Vice President* | **The Hon. Donna Edwards**, *Vice President*  
**The Hon. Martin Frost**, *Immediate Past President*

#### EXECUTIVE TEAM:

**Peter Weichlein Esq.**, *Chief Executive Officer* | **Sabine Schleidt**, *Chief Operating Officer*  
**Lorraine Harbison**, *Programs Director* | **Patrick Egenhofer**, *Associate Director, Programs*

@usafmc

/meetfmc

- The semiconductor and technology industry
- Innovation and regulation in public health
- Aging society and immigration

During the trip, you will also have an opportunity to discuss other topics including issues surrounding security issues in the region, regional and bilateral trade, and the roles of the district offices in Japan.

Given the evolving nature of travel restrictions and public health guidelines both here in Washington, D.C. and in Japan, FMC will be taking steps to mitigate risks relating to disease spread and maintain flexibility in all planning, including adapting to the requirements set forth by the Government of Japan. All participants wishing to participate in this program will be required to show proof of full vaccination against COVID-19 one month prior to departure, and participate in testing as required by airlines and the government of Japan. It is expected throughout the Study Tour that all participants fully comply with any safety or health precautions deemed necessary or requested by FMC staff, local authorities, or other program participants. Safety measures will include but are not limited to COVID-19 testing, social-distancing, wearing masks, hand-washing, and other behaviors that mitigate the spread of airborne or surface-spread illness. Should a Study Tour during the selected week be deemed inopportune or unfeasible, we will explore other possible dates later in the year.

We hope that you will join us for the continuation of this vital transpacific dialogue. Should you have any questions, please have your staff contact Ms. Haruka Noishiki, Program Officer for the Congressional Study Group on Japan, at 202-222-0974 or [HNoishiki@usafmc.org](mailto:HNoishiki@usafmc.org). Thank you very much for your kind consideration.

Yours,

12. The Congressional Study Group on Japan is among the largest and most active parliamentary exchange programs between the U.S. Congress and the legislative branch of other countries. The Study Group creates constant channels of communication and dialogue between American legislators and their counterparts in the Japanese Diet through regular roundtables in Washington, DC throughout the year in addition to trips such as the 2022 U.S. Congressional District Director Study Tour to Japan. It offers both Members of Congress and senior congressional staff a unique educational forum to examine issues including the U.S.-Japan security alliance, energy policy, bilateral and multilateral trade agreements, and social issues such as women in the workforce and demographic change. FMC’s Congressional Study Group on Japan is responsible for organizing the program, arranging meetings, and inviting expert speakers to the study tour. FMC is solely responsible for all invitations to and communications with trip participants, as well as the budget for the 2022 U.S. Congressional District Director Study Tour to Japan.

The US Japan Friendship Commission awarded grant monies to fund programming of The Congressional Study Group on Japan as a part of their mission of promoting understanding between the U.S. and Japan. JUSFC is a U.S. federal government agency, and therefore is not included as an additional sponsor.

15. b. 2) **Tokyo** is the financial and political hub of Japan, and the delegation will meet with high-level government officials, journalists and experts on issues ranging from security, supply chain stability, to

energy policies. Additionally, through meetings with students and cultural figures as well as a visit to Meiji Shrine, participants will gain a holistic understanding of Japan's rich history, culture and religion.

**Fukuoka** is the hub of the southern Kyushu region in Japan and hosts critical manufacturing, a large portion of the Japanese automotive industry, and is Japan's only specially designated city for startups. The program in Fukuoka includes discussions with professors, researchers, industry experts, and local and regional government officials. District Directors will have a chance to get an inside look at startups, shear from executives in the semiconductor industry, and speak to individuals from one of Japan's largest foreign-born populations about their experiences in Japan.
