COMMITTEE ON ETHICS

Washington, DC 20515

September 28, 2022

Mr. Jonas Miller  
Office of the Honorable John Carter  
2208 Rayburn House Office Building  
Washington, DC 20515

Dear Mr. Miller:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Japan,<sup>1</sup> scheduled for October 1 to 8, 2022, sponsored by United States Association of Former Members of Congress and Sasakawa Peace Foundation USA.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$415 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$415] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

---

<sup>1</sup> Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or [ohsstaff@mail.house.gov](mailto:ohsstaff@mail.house.gov). House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

12. The Congressional Study Group on Japan is among the largest and most active parliamentary exchange programs between the U.S. Congress and the legislative branch of Japan. The Study Group creates constant channels of communication and dialogue between American legislators and their counterparts in the Japanese Diet through regular roundtables in Washington, DC throughout the year in addition to trips such as the 2022 Chief of Staff Study Tour to Japan. It offers senior congressional staff a unique educational forum to examine issues including the U.S.-Japan security alliance, energy policy, bilateral and multilateral trade agreements, and social issues such as women in the workforce and demographic change. FMC’s Congressional Study Group on Japan is responsible for organizing the program, arranging meetings, and inviting expert speakers to the study tour. FMC is solely responsible for all invitations to and communications with trip participants, as well as the budget for the 2022 Chief of Staff Study Tour to Japan.

Sasakawa Peace Foundation USA (SPFUSA) awards grant monies to fund the year-round programming of The Congressional Study Group on Japan as a part of their mission of promoting understanding between the U.S. and Japan. SPFUSA staff assists FMC in securing meetings in Tokyo and organizing logistics such as ground transportation in Japan.

**15. b. 2) Tokyo** is the financial and political hub of Japan, and the delegation will meet with high-level government officials, journalists and experts on issues ranging from security, women's status to energy policies. Additionally, through meetings with students and cultural figures as well as a visit to Meiji Shrine, participants will gain a holistic understanding of Japan's rich history, culture and religion.

**Hiroshima** is a fixture in the world of nuclear non-proliferation, and we have no doubt the insights the delegation will gather from the peace-driven municipal level approaches that the city brings. Beyond the legacy of nuclear weapons, Hiroshima prepares ahead of its 2023 G7 ground for international cooperation against the backdrop of culture and tradition, well represented by the Itsukushima Shrine on the Miyajima islands with a deep history of religion that has shaped Japanese society.

**Fukuoka** is a key example of a city revitalizing their local economy through innovative solutions. From smart city fixtures to mayoral leadership, the delegation will be exposed to a variety of different approaches that this unique intersection of the history of industry and innovation has pioneered.

August 30, 2022

Dear Colleague:

On behalf of the Congressional Study Group on Japan (CSGJ) and the Association of Former Members of Congress (FMC), it gives us great pleasure to invite you to participate in our Seventh Annual U.S. Congress Chief of Staff Study Tour to Japan.

The 2022 Study Tour will take place from **October 1-8** and will visit Tokyo, Fukuoka, and Hiroshima. Premium Economy airfare, lodging, ground transportation, and scheduled meal costs will be paid for by FMC, a congressionally-chartered, 501(c)(3) non-profit organization, in partnership with the generous support from Sasakawa Peace Foundation USA. We have funding for approximately eight Chiefs of Staff from the House. Participants are expected to attend all official meetings/programs throughout the duration of the Study Tour. Please note that participation is available on a first-come, first-served basis for a diverse, bipartisan delegation. This program constitutes privately-sponsored travel and will be approved by the House Ethics Committee.

The Congressional Study Group on Japan (CSGJ) – a non-partisan, non-advocacy legislative exchange housed in the U.S. Association of Former Members of Congress (FMC), a congressional chartered 501(c)(3) non-profit organization– has more than twenty years of history conducting successful, high-level, discussion-driven study tours for Members of Congress and senior congressional staff, which complement an active calendar of year-round programs on Capitol Hill. Fervently non-partisan and non-advocacy, our model promotes an active, substantive discussion among all principals and the development of lasting working relationships based on mutual respect and understanding.

The Study Tour for Chiefs of Staff provides an exciting new opportunity to build U.S.-Japan relationships at the regional and local levels of government and civil society, beyond the traditional Washington-Tokyo relationship. In 2019, the Congressional Study Group on Japan convened our successful inaugural trip for Chiefs of Staff to Tokyo and Osaka. The 2018 Study Tour to Japan visited Tokyo and Tohoku (Fukushima and Sendai). Together with a variety of leading officials and experts from academia, civil society, industry, the media, and government, you will have the opportunity to discuss topics of mutual concern and areas for cooperation, including:

- National and economic security in the Asia Pacific
- Front lines of innovation in technology, healthcare, and more
- Aging society and immigration

During the trip, you will also have an opportunity to discuss other topics including issues surrounding security issues in the region, regional and bilateral trade, and the roles of the representative offices in Japan.

Given the evolving nature of travel restrictions and public health guidelines both here in Washington, D.C. and in Japan, FMC will be taking steps to mitigate risks relating to disease spread and maintain flexibility in all planning, including adapting to the requirements set forth by the Government of Japan. All participants wishing to participate in this program will be required to show proof of full vaccination against COVID-19 one month prior to departure and participate in testing as required by airlines and the government of Japan. It is expected throughout the Study Tour that all participants fully comply with any safety or health precautions deemed necessary or requested by FMC staff, local authorities, or other program participants. Safety measures will include but are not limited to COVID-19 testing, social-distancing, wearing masks, hand-washing, and other behaviors that mitigate the spread of airborne or surface-spread illness. Should a Study Tour during the selected week be deemed inopportune or unfeasible, we will explore other possible dates later in the year.

We hope that you will join us for the continuation of this vital transpacific dialogue. Should you have any questions, please have your staff contact Ms. Haruka Noishiki, Program Officer for The Congressional Study Groups, at 202-222-0974 or [HNoishiki@usafmc.org](mailto:HNoishiki@usafmc.org). Over its long history, Shintoism has developed into a religion that has become truly unique in the world, adopting continental influences to combine with its own indigenous traditions.
