National Association of Counties (NACo)
2022 Federal Fellowship Program – Miami Dade County, Fla.
October 26-28, 2022

The National Association of Counties (NACo) is a 501(c)(4) national nonprofit that was formed in 1935 to serve and strengthen America’s counties. As an association of public elected officials, NACo is not a specific interest group but a major partner in our nation’s Federalism system of intergovernmental entities. The participants listed below play a critical role in this system, working for elected officials, congressional committees and federal agencies that appropriate funds or develop federal policy and regulations that affect counties. For many of these individuals, this trip will serve as their first opportunity to observe the critical programs and services that counties provide to our residents.
