The Honorable Scott Peters

Dear Colleague:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Egypt,¹ scheduled for November 9 to 13, 2022, sponsored by the Climate Solutions Foundation.

You must complete a Member/Officer Post-Travel Disclosure Form and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. You must also report all travel expenses totaling more than \$415 from a single source on the “Travel” schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House Members may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts “of minimal value [currently \$415] tendered as a souvenir or mark of courtesy” by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee’s review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department’s Smart Traveler Enrollment Program at <https://step.state.gov>.

Climate Solutions Foundation included these members due to their interest and commitment of the long-term goals of climate change. As a bipartisan organization we realize it is critical to the mission that we have representation of as many U.S. Congressional Leaders as possible to take part in COP27 and understand what is at stake. We found the experience for the Members that attended COP26 to be extremely beneficial.

Question # 15 A-2

COP27 is being held in Sharm El-Shiekh, Egypt and as a bipartisan Foundation we want to continue on the momentum in building programming opportunities around the larger events being offered at COP27 as we did in COP26 hosted in Glasgow, Scotland in the Fall of 2021. This will allow Climate Solutions Foundation (CSF) an opportunity to share ideas and showcase some of the finding related to climate change. In addition, we are planning to collaborate with other partners that are integral in the development of ideas enhancing the solutions to climate change like BOO seawater Desalination Plant. We found Climate Solutions Foundation's experience in participating in COP26 to be extremely valuable to the organization and the Members that participated as well as allies in the industry.

September 20, 2022

Congressman Scott Peters
California's 52nd Congressional District
U.S. House of Representatives
Via Email

Dear Congressman Peters,

The Climate Solutions Foundation (CSF) invites you to join us for a delegation trip to Sharm El-Sheikh, Egypt for programming surrounding COP27. Programming will begin in the morning on Friday, November 11th with two full days of tours of the BOO Seawater Desalination Plant and Ras Mohamed Nature Reserve, meetings with international government leaders and corporate leaders, and attendance at COP27, before departing Egypt on Sunday, November 13th to return to Washington, DC. Although we are in the planning stages of this trip, we are in the process of confirming meetings with climate organizations and executives to discuss pragmatic opportunities for collaboration and how technology and the reprioritization of energy sources will impact our future. Your work on these topics will be a great asset to our delegation.

In 2021, CSF brought Members of Congress to Glasgow for COP26. This rare opportunity provided them with the ability to interact with world leaders and international heads of organizations.

CSF was founded in 2019 as an educational, bipartisan 501(c)(3) non-profit organization. Our mission is to bring together ideologically diverse Members of Congress and their staff, global leaders, and corporate and trade executives to discuss climate science, economics, and policy. Foundation Co-Chairs Senator Mary Landrieu and Congressman Carlos Curbelo launched the Foundation in 2019 with a series of bipartisan, bicameral gatherings of Members of Congress, executives, and scientists at Senator Landrieu's dining room table with one purpose: to build trust within the climate change community that inspires collaborative efforts to advance the agenda on climate. Since then, CSF has expanded its programming to include educational trips, congressional staff briefings, a public climate summit with over 500 virtual attendees, and a congressional fellowship program set to launch this summer.

CSF offers to cover your business class fare air travel, ground transportation for your arrival and departure from Sharm El-Sheikh, and any ground transportation we arrange for your participation in COP27 programming. We will cover meal expenses related to the trip, in compliance with the rules under House ethics laws.
