Question 12. For each sponsor required to submit a sponsor form, describe the sponsor’s interest in the subject matter of the trip and its role in organizing and/or conducting the trip:

The American Accountability Foundation is a non-profit organization that produces original research relating to policymakers and policies to better inform leaders and the American people. AAF conducts extensive public records research, original investigations, and policy research for publication on its websites and through broadcast and print publications. The retreat offers an opportunity to share its expertise and experience with congressional oversight staff.

The Heritage Foundation’s mission is to formulate and promote public policies based on the principles of free enterprise, limited government, individual freedom, traditional American values, and a strong national defense. The Heritage Foundation recognizes that effective oversight of the Executive Branch is a necessary tool to inform public policy based on these principles.

The Conservative Partnership Institute’s mission includes creating an infrastructure to work with conservative Members of Congress, congressional staff, and conservative leaders to enhance their ability to articulate and advance conservative principles in the national’s capital.
The retreat offers an opportunity to train congressional staff to promote these conservative principles.

Both AAF, CPI, & THF jointly share responsibilities for booking travel, selecting speakers, organizing the panels, and inviting the various staff who should participate.
