**From:** Danielle Duffy <Danielle@soflagfoundation.org>  
**Sent:** Tuesday, January 17, 2023 10:14 AM  
**To:** Dantonio, David  
**Subject:** You're invited to join us for an Ag-Venture!  
**Attachments:** SFAF Staff Tour Itinerary\_Oct.2022.pdf

The South Florida Agricultural Foundation, Inc., a non-profit organization founded to increase public awareness of South Florida's agricultural industries – including sugarcane, citrus, sweet corn, rice, celery and other crops – through educational and stewardship opportunities, is sponsoring a congressional staff trip to our area on April 11-14. The purpose of this *Ag-venture* is to give staffers an opportunity to tour South Florida's agricultural industry gaining firsthand knowledge of its impact on Florida and the United States.

The Foundation would like to extend an invitation to you to participate in this upcoming trip. I have attached last October's itinerary as we are still working on April's, but you can also check out our website at [www.soflagfoundation.org](http://www.soflagfoundation.org), where you can see the educational opportunities staffers had on previous tours.

Tour participants depart from Ronald Reagan National Airport to Palm Beach International Airport where Foundation staff and a chartered bus will meet them. We'll kickoff the tour by traveling west to the Everglades Agricultural Area. There we'll have an ecological AIR BOAT TOUR on Lake Okeechobee, the heart of a number of Florida's water issues. Other stops during the tour will include citrus groves, sugarcane field operations and mill, and other vegetable planting and harvesting operations. The Foundation will cover the cost of all travel, lodging and meal expenses associated with the trip and will provide all necessary documentation for the Ethics Committee.

Florida is known as a premier tourist destination with its miles of sandy beaches, but few people know of its abundant agricultural interests and its vital role in food production. In the South Florida region, Palm Beach County alone generates nearly one-and-a-half billion dollars in total agricultural sales each year, ranking it among the top ten counties for highest agricultural revenue in the nation. While Florida has three million acres devoted to agriculture, Palm Beach County has more agriculture than any other county with 40% of its land actively farmed. Florida food is exported to 170 different countries to the tune of \$4 billion worth of food products.

We hope you will be able to join the Foundation on this fact-finding trip. We believe it will be a worthwhile experience and that you will gain a better understanding of the Florida agricultural industry and other ag-related issues that you work with on a daily basis.

Be assured that we will be following all CDC guidelines regarding Covid-19 virus precautions and protocols necessary to keep everyone safe and healthy.

Space is limited, and slots will be filled on a first come, first-served basis. Let us know if you would like to participate in this exciting *Ag-venture* and we'll put you at the top of our RSVP list. We'll forward the final itinerary shortly and will have all ethics forms to you prior to the due date of **March 13th**. Feel free to contact us at 202-431-9763 if you have any questions.

Hope to see you in April!
