As part of that mission, the ASPCA works to improve the lives of farm animals by supporting the transition to a more humane food system. The majority of animals raised for food in the U.S. are currently raised on conventional "factory farms," where they are denied the space or enrichments to carry out even their most basic natural behaviors. The ASPCA calls for a move away from these inhumane systems and toward higher-welfare and pasture-based farming. The purpose of this trip is to show House and Senate staff what these higher-welfare farming systems look like, how they differ from the conventional model that dominates our food system, and what can be done to support their growth and success into the future. Accordingly, the ASPCA has identified the three farms featured on this trip and organized all of the logistics required to facilitate the travel to and from the farms.

Dear Mr. Sevilla:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Lovettsville, Virginia, scheduled for May 19, 2023, sponsored by American Society for the Prevention of Cruelty to Animals. We remind you that, because the trip sponsor employs a federal lobbyist, you may participate in officially-connected activity on one calendar day only.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.
