Mr. Robin Chand
Office of the Honorable Rick Larsen
2163 Rayburn House Office Building
Washington, DC 20515

Dear Mr. Chand:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Japan,¹ scheduled for May 27 to June 3, 2023, sponsored by United States Association of Former Members of Congress and Sasakawa Peace Foundation USA.

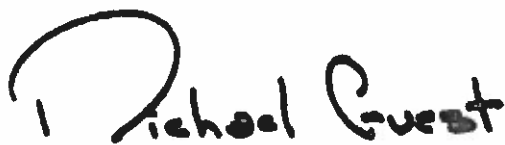

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Primary Trip Sponsor Form Addendum

4. This study tour is intended for current Chiefs of Staff at offices of current Members of the United States Congress; FMC invited Chiefs of Staff who have previously expressed interest in Japan and U.S.-Japan relations – in particular, security, energy, trade, and social issues – and serve on committees relevant to the trip's issue areas. Please find enclosed a list of all invitees.

12. The Congressional Study Group on Japan is among the largest and most active parliamentary exchange programs between the U.S. Congress and the legislative branch of Japan. The Study Group creates constant channels of communication and dialogue between American legislators and their counterparts in the Japanese Diet through regular roundtables in Washington, DC throughout the year in addition to trips such as the 2023 Chief of Staff Study Tour to Japan. It offers senior congressional staff a unique educational forum to examine issues including the U.S.-Japan security alliance, energy policy, bilateral and multilateral trade agreements, and social issues such as women in the workforce and demographic change. FMC's Congressional Study Group on Japan is responsible for organizing the program, arranging meetings, and inviting expert speakers to the study tour. FMC is solely responsible for all invitations to and communications with trip participants, as well as the budget for the 2023 Chief of Staff Study Tour to Japan.

Sasakawa Peace Foundation USA (SPFUSA) awards grant monies to fund the year-round programming of The Congressional Study Group on Japan as a part of their mission of promoting understanding between the U.S. and Japan. SPFUSA staff assists FMC in securing meetings in Tokyo and organizing logistics such as ground transportation in Japan.

15. b. 2) Tokyo is the financial and political hub of Japan, and the delegation will meet with high-level government officials, journalists and experts on issues ranging from security, women's status to energy policies. Additionally, through meetings with students and cultural figures as well as a visit to Sensoji Temple, participants will gain a holistic understanding of Japan's rich history, culture, and religion.

Okinawa is the southernmost collection of islands of the Japanese archipelago. Historically, it was also the site of the largest amphibious allied attack in the Pacific Theater during World War II. Both sides lost a total of approximately 160,000 troops, while nearly 150,000 Okinawan civilians perished, resulting in a loss of an estimated 300,000 lives. Today, Okinawa is a bridge in the US – Japan security alliance, hosting 32 United States military bases occupying approximately 25% of the island's area. Here, the senior staff delegation will meet with American and Japanese government and military officials. The delegation will have the opportunity to visit the Marine Corps Air Station at Futenma as well as their Japanese counterparts at the Japan Air Self-Defense Force Naha Air Base, getting to the heart of regional security cooperation and questions of burden to local communities. Additionally, meetings with professors and students will offer insightful perspectives on the impacts of American military involvement, since 1945, and how the Okinawan society has evolved in the post-World War II world.

Additional Sponsor Form Addendum: Sasakawa Peace Foundation USA

4. Sasakawa Peace Foundation USA only receives a grant from the Embassy of Japan to fund the Japan-U.S. Military Program (JUMP). That is the only funding Sasakawa Peace Foundation USA receives from a foreign government, and it is only for this JUMP program. No Embassy of Japan funding is ever put towards the grant for the U.S. Association of the Former Members of Congress.

Dear Colleague:

On behalf of the Congressional Study Group on Japan (CSGJ) and the Association of Former Members of Congress (FMC), it gives us great pleasure to invite you to participate in our Eighth Annual U.S. Congress Chief of Staff Study Tour to Japan.

The 2022 Study Tour will take place from May 27 – June 3 and will visit Tokyo and Okinawa. Premium Economy airfare, lodging, ground transportation, and scheduled meal costs will be paid for by FMC, a congressionally chartered, 501(c)(3) non-profit organization, in partnership with the generous support from Sasakawa Peace Foundation USA. We have funding for approximately eight Chiefs of Staff from the House. Participants are expected to attend all official meetings/programs throughout the duration of the Study Tour. Please note that participation is available on a first-come, first-served basis for a diverse, bipartisan delegation. This program constitutes privately sponsored travel and will be approved by the House Ethics Committee.

The Congressional Study Group on Japan (CSGJ) – a non-partisan, non-advocacy legislative exchange housed in the U.S. Association of Former Members of Congress (FMC), a congressional chartered 501(c)(3) non-profit organization– has more than twenty years of history conducting successful, high-level, discussion-driven study tours for Members of Congress and senior congressional staff, which complement an active calendar of year-round programs on Capitol Hill. Fervently non-partisan and non-advocacy, our model promotes an active, substantive discussion among all principals and the development of lasting working relationships based on mutual respect and understanding.

The Study Tour for Chiefs of Staff provides an exciting new opportunity to build U.S.-Japan relationships at the regional and local levels of government and civil society, beyond the traditional Washington-Tokyo relationship. In 2022, the Congressional Study Group on Japan successfully brought Chiefs of Staff back to Japan with a trip to Tokyo and Fukuoka. Together with a variety of leading officials and experts from academia, civil society, industry, the media, and government, you will have the opportunity to discuss topics of mutual concern and areas for cooperation, including:

- The U.S.-Japan security alliance
- Transpacific trade conditions
- Aerospace cooperation
