Question 12. For each sponsor required to submit a sponsor form, describe the sponsor's interest in the subject matter of the trip and its role in organizing and/or conducting the trip:

Each tour sponsor is directly involved in the production and/or distribution of biodiesel, renewable diesel, and/or sustainable aviation fuel or is involved in the production of biofuel feedstock. The tour provides participants with a better understanding of the environmental and economic impacts of biodiesel, renewable diesel, and sustainable aviation fuel and supports each sponsor's efforts to create a positive legislative environment. Each of the 11 sponsors listed here has made financial contributions to the tour and has been part of organizing and/or conducting the tour.

Clean Fuels Alliance Foundation works closely with the Clean Fuels Alliance America to address issues affecting the nation -- cleaner air, greater economic development for rural communities, and enhanced national security through energy independence. Organized in 1994, the Foundation's mission is to accomplish outreach, education, research, and demonstration activities for the advancement of biodiesel and its co-products to improve rural economic development, national security, air quality and the environment. **The Foundation is the primary tour sponsor and has overall responsibility for planning, organizing, and implementing the tour**.
