Ms. Shir Attias
Office of the Honorable Lois Frankel
2305 Rayburn House Office Building
Washington, DC 20515

Dear Ms. Attias:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Israel,¹ scheduled for June 23 to July 9, 2023, sponsored by Israel Policy Forum. We note that this trip includes seven days at your personal expense.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.

Because the trip may involve meetings with foreign government representatives, we note that House employees may accept, under the Foreign Gifts and Decorations Act (FGDA), gifts "of minimal value [currently \$480] tendered as a souvenir or mark of courtesy" by a foreign government. Any tangible gifts valued in excess of minimal value received from a foreign government must, within 60 days of acceptance, be disclosed on a Form for Disclosing Gifts from Foreign Governments and either turned over to the Clerk of the House, or, with the written approval of the Committee, retained for official use.

¹ Please be aware that the Committee's review of the proposed trip does not extend to either the security situation in the destination country or security related to foreign travel in general. We recommend you contact the Office of House Security (OHS) for a safety and security briefing prior to your departure. OHS may be reached at (202) 226-2044 or ohsstaff@mail.house.gov. House travelers should also register for the U.S. State Department's Smart Traveler Enrollment Program at <https://step.state.gov>.

If you have any further questions, please contact the Committee's Office of Advice and Education at extension 5-7103.

Sincerely,

Strategic Overlook: Land Swaps and the Settlement Movement
In this session we will examine the site of Israel's earliest settlements following the 1967 Six Day War, and focus on its current disposition between Israel settlements and Palestinian villages that are both under direct Israeli administration. We will also discuss the role that the area's settlements have played in the U.S.-brokered peace process in formulating the idea of land swaps to facilitate a permanent-status agreement between the two sides.

ISRAEL POLICY FORUM

April 10, 2023

Shir Attias
Legislative Assistant
The Honorable Lois Frankel
2305 Rayburn House Office Building
Washington, D.C. 20515

Dear Shir,

We are pleased to invite you to join a delegation of congressional staff to Israel and the West Bank for an educational trip sponsored by Israel Policy Forum. The trip will arrive in Israel on June 24 and depart on July 1—totaling seven days on the ground.

Israel Policy Forum aims to offer an educational experience that will deepen your knowledge of Israel's complex security needs given the realities on the ground and the current dynamics of the Israeli-Palestinian conflict. The trip will add to your understanding of the region and one of the most critical foreign policy issues for the United States. As Israelis and Palestinian struggle for their futures, we will explore the key issues in achieving a two-state outcome—including the role of the U.S. in the process.

The trip will include:

- Meetings with Israeli and Palestinian government officials and non-governmental experts, including leading academics and journalists
- Visits to Israel's border with Gaza and to Ramallah in the West Bank
- Briefings from former high-ranking Israeli security officials
- Security tours of the current situation in critical areas on Israel's borders and in the West Bank

The delegation will provide a unique look into the serious challenges facing the region today and what is at stake in future actions by all parties—including the United States.

All trip related expenses will be paid for by Israel Policy Forum in compliance with Ethics Committee rules. Participants are responsible for submitting two forms, as well as a copy of this invitation to the House Committee on Ethics no later than 30 days prior to departure: the "Primary Trip Form" will be provided by Israel Policy Forum, and you must complete and submit a signed "Traveler Form." Israel Policy Forum is committed to ensuring that all elements of the trip comply with all relevant congressional travel rules.

We hope that you will be able to join us for this important, insightful, and educational trip. If you have any questions, please contact Aaron Weinberg at aweinberg@ipforum.org or 847-848-2968.

Sincerely,

David A. Halperin
