The Coconino County Flood Control District (FCD) is charged with reducing the risk of flood loss, minimizing the impact of floods on human safety, health and welfare and restoring and preserving the natural and beneficial values served by floodplains. Over the last year, Coconino County has experienced over 45 post-wildfire flood events that have impacted neighborhoods as a result of catastrophic wildfire occurring in unhealthy forests on steep slopes on federal lands. Although the District has secured significant federal funding to assist with addressing these disasters, the District and the County have still had to invest significant funding in disaster response and flood mitigation, which results in other priorities not being funded. The City of Flagstaff Stormwater Section maintains several regional flood control mitigation basins including the Schultz Creek Regional Flood Basins constructed in 2022 immediately after the Pipeline Fire. The Stormwater Section has worked hand-in-hand with the Flood Control District since the 2019 Museum Fire in planning, communicating, and producing post-fire flood mitigation. Participants will see the importance of NRCS Emergency Watershed Protection (EWPP) funding by touring the Flood Control District's Park Way Sediment Basins Project and the City of Flagstaff's Stormwater Schultz Creek Detention Basins Project funded by NRCS Exigency funding after the 2022 Pipeline Fire.

LIST OF INVITEES

National Association of Counties (NACo)

2023 Federal Fellowship Program – Maricopa, Yavapai and Coconino Counties, Ariz.

June 27-30, 2023

The National Association of Counties (NACo) is a 501(c)(4) national nonprofit that was formed in 1935 to serve and strengthen America's counties. As an association of public elected officials, NACo is not a specific interest group but a major partner in our nation's Federalism system of intergovernmental entities. The participants listed below play a critical role in this system, working for elected officials, congressional committees and federal agencies that appropriate funds or develop federal policy and regulations that affect counties. For many of these individuals, this trip will complement NACo's inaugural site visit to Miami-Dade County, Fla. in 2022 by showcasing the critical programs and services that rural counties provide to our residents. For others, this trip will serve as the first opportunity to enhance their understanding of county government by witnessing the role they play in their residents' lives every day.

As Floor Assistant for the Democratic Whip, it is important for me to understand the issues facing all geographic regions of the country, as those issues subsequently affect legislation that comes to the House Floor. The meetings and briefings on this trip will provide insight into how policymakers can best deliver federal support. Gaining first-hand experience and meeting with county officials in Arizona will better prepare me to legislatively address the needs of the Southwest Region and the Members of Congress who represent those districts.

Dear Ms. Blankenship:

Pursuant to House Rule 25, clause 5(d)(2), the Committee on Ethics hereby approves your proposed trip to Sedona and Flagstaff, Arizona, scheduled for June 27 to 30, 2023, sponsored by National Association of Counties.

You must complete an Employee Post-Travel Disclosure Form (which your employing Member must also sign) and file it, together with a Sponsor Post-Travel Disclosure Form completed by the trip sponsor, with the Clerk of the House within 15 days after your return from travel. As part of that filing, you are also required to attach a copy of this letter and both the Traveler and Primary Trip Sponsor Forms (including attachments) you previously submitted to the Committee in seeking pre-approval for this trip. If you are required to file an annual Financial Disclosure Statement, you must also report all travel expenses totaling more than \$480 from a single source on the "Travel" schedule of your annual Financial Disclosure Statement covering this calendar year. Finally, Travel Regulation § 404(d) also requires you to keep a copy of all request forms and supporting information provided to the Committee for three subsequent Congresses from the date of travel.
